All listed prices reflect a 3.5% discount for payment by cash. Credit and debit card payments do not qualify for this discount and will be charged the full standard rate known as a "Non-Cash Adjustment". We do not accept personal or business checks.

- Released Value Coverage of \$0.60lb per item is included in all rates.
- There is a 3 hour minimum each day for all hourly services.
- Standard Operating Allotment: In accordance with MDPU tariff requirements, U.S. DOT regulations, and industry standards, a fixed 15-minute Standard Operating Allotment will be included in total billable labor time for all moves over the 3-hour minimum. Any changes in scope, delays, additional items, access issues, or other conditions not disclosed at the time of the estimate may result in increased charges. The client is responsible for all actual costs incurred.
