

FAMILY LEADERSHIP SERIES

Most impactful training of my life. Invaluable lessons and friendships. The bond created is unbreakable.”

- Series Graduate

BE A CHANGEMAKER FOR YOUR FAMILY AND COMMUNITY

For more than 30 years, the Family Leadership Series has been the catalyst for parents and caregivers of children and adults with disabilities to become powerful leaders. Our graduates have driven systems change: expanding opportunities, forging partnerships, and even running for public office.

Leadership Development

Find your voice, sharpen your advocacy, and lead with clarity, confidence, and vision.

Proven Strategies

Learn what works when it comes to supporting your loved ones in living fully and participating in their communities.

Lasting Bonds

A series *for families, by families*. Connect with others who understand your journey and build lifelong friendships.

Create Balance

Practice driving systems change while protecting your energy, honoring your story, and caring for your well-being.
