Re: Requested Adoption Under Section 252(i) of the TA96

Dear Mr. Sinder:

Verizon New England Inc., d/b/a Verizon Massachusetts, f/k/a New England Telephone and Telegraph Company, d/b/a Bell Atlantic - Massachusetts ("Verizon"), a New York corporation, with principal place of business at 185 Franklin Street, Boston, Massachusetts 02110, has received your letter stating that, under Section 252(i) of the Telecommunications Act of 1996 (the "Act"), Focal Communications Corporation of Massachusetts ("Focal"), a Delaware corporation, with principal place of business at 200 N. LaSalle Street, Suite 1100, Chicago, Illinois 60601, wishes to adopt the terms of the arbitrated Interconnection Agreement between Sprint Communications Company L.P. ("Sprint") and Verizon that was approved by the Massachusetts Department of Telecommunications and Energy (the "Commission") as an effective agreement in the Commonwealth of Massachusetts in Docket No. DTE 00-54-5, as such agreement exists on the date hereof after giving effect to operation of law (the "Terms"). I understand Focal has a copy of the Terms. Please note the following with respect to Focal's adoption of the Terms.

1. By Focal's countersignature on this letter, Focal hereby represents and agrees to the following five points:
 - (A) Focal adopts (and agrees to be bound by) the Terms of the Sprint/Verizon arbitrated agreement for interconnection as it is in effect on the date hereof

after giving effect to operation of law, and in applying the Terms, agrees that Focal shall be substituted in place of Sprint Communications Company L.P. and Sprint in the Terms wherever appropriate.

- (B) Notice to Focal and Verizon as may be required under the Terms shall be provided as follows:

To: Focal Communications Corporation of Massachusetts
Attention: General Counsel
200 N. LaSalle Street, Suite 1100
Chicago, IL 60601
Telephone Number: 312-895-8400
Facsimile Number: 312-985-8403

Facsimile: 703-351-3664

- (C) Focal represents and warrants that it is a certified provider of local telecommunications service in the Commonwealth of Massachusetts, and that its adoption of the Terms will cover services in the Commonwealth of Massachusetts only.
- (D) In the event that a voluntary or involuntary petition has been or is in the future filed against Focal under bankruptcy or insolvency laws, or any law relating to the relief of debtors, readjustment of indebtedness, debtor reorganization or composition or extension of debt (any such proceeding, an "Insolvency Proceeding"), then: (i) all rights of Verizon under such laws, including, without limitation, all rights of Verizon under 11 U.S.C. § 366, shall be preserved, and Focal's adoption of the Verizon Terms shall in no way impair such rights of Verizon; and (ii) all rights of Focal

resulting from Focal's adoption of the Verizon terms shall be subject to and modified by any Stipulations and Orders entered in the Insolvency Proceeding, including, without limitation, any Stipulation or Order providing adequate assurance of payment to Verizon pursuant to 11 U.S.C. § 366. In the event that an interconnection agreement between Verizon and Focal is currently in force in the Commonwealth of Massachusetts (the "Original ICA"), Focal's adoption of the Terms (the "Amended and Restated Interconnection Agreement") shall be an amendment and restatement of, and replace in its entirety, the Original ICA. The Amended and Restated Interconnection Agreement is not intended to be, nor shall it be construed to create, a novation or accord and satisfaction with respect to the Original ICA. All monetary obligations of the parties to one another under the Original ICA shall remain in full force and effect and shall constitute monetary obligations of the parties under the Amended and Restated Interconnection Agreement; provided, however, in the event that Focal is currently a debtor in an Insolvency Proceeding nothing contained herein shall convert any claim or debt that would otherwise constitute a prepetition claim or debt in Focal's Insolvency Proceeding into a post-petition claim or debt.

- (E) Verizon's standard pricing schedule for interconnection agreements in the Commonwealth of Massachusetts (as such schedule may be amended from time to time) (attached as Appendix 1 hereto) shall apply to Focal's adoption of the Terms. Focal should note that the aforementioned pricing schedule may contain rates for certain services the terms for which are not included in the Terms or that are otherwise not part of this adoption, and may include phrases or wording not identical to those utilized in the Terms. In an effort to expedite the adoption process, Verizon has not deleted such rates from the pricing schedule or attempted to customize the wording in the pricing schedule to match the Terms. However, the inclusion of such rates in no way obligates Verizon to provide the subject services and in no way waives Verizon's rights, and the use of slightly different wording or phrasing in the pricing schedule does not alter the obligations and rights set forth in the Terms.
- 2. Focal's adoption of the Sprint arbitrated Terms shall become effective as of July 14, 2003. The Parties understand and agree that Verizon will file this adoption letter with the Commission promptly upon my receipt of a copy of this letter, countersigned by Focal as to points (A), (B), (C), (D) and (E) of paragraph 1 above. The term and termination provisions of the Sprint/Verizon agreement shall govern Focal's adoption of the Terms. The adoption of the Terms is currently scheduled to expire on July 19, 2004.
- 3. As the Terms are being adopted by you pursuant to your statutory rights under section 252(i), Verizon does not provide the Terms to you as either a voluntary or negotiated agreement. The filing and performance by Verizon of the Terms does

not in any way constitute a waiver by Verizon of any position as to the Terms or a portion thereof, nor does it constitute a waiver by Verizon of all rights and remedies it may have to seek review of the Terms, or to petition the Commission, other administrative body, or court for reconsideration or reversal of any determination made by the Commission pursuant to arbitration in Docket No. DTE 00-54-5, or to seek review in any way of any provisions included in these Terms as a result of Focal's 252(i) election.

4. Nothing herein shall be construed as or is intended to be a concession or admission by Verizon that any contractual provision required by the Commission in Docket No. DTE 00-54-5 (the Sprint arbitration) or any provision in the Terms complies with the rights and duties imposed by the Act, the decisions of the FCC and the Commissions, the decisions of the courts, or other law, and Verizon expressly reserves its full right to assert and pursue claims arising from or related to the Terms.
5. Verizon reserves the right to deny Focal's adoption and/or application of the Terms, in whole or in part, at any time:
 - (a) when the costs of providing the Terms to Focal are greater than the costs of providing them to Sprint;
 - (b) if the provision of the Terms to Focal is not technically feasible; and/or
 - (c) to the extent that Verizon otherwise is not required to make the Terms available to Focal under applicable law.
6. For avoidance of doubt, please note that adoption of the Terms will not result in reciprocal compensation payments for Internet traffic. Verizon has always taken the position that reciprocal compensation was not due to be paid for Internet traffic under section 251(b)(5) of the Act. Verizon's position that reciprocal compensation is not to be paid for Internet traffic was confirmed by the FCC in the Order on Remand and Report and Order adopted on April 18, 2001 ("*FCC Internet Order*"), which held that Internet traffic constitutes "information access" outside the scope of the reciprocal compensation obligations set forth in section 251(b)(5) of the Act.¹ Accordingly, any compensation to be paid for Internet traffic will be handled pursuant to the terms of the *FCC Internet Order*, not pursuant to adoption of the Terms.² Moreover, in light of the *FCC Internet Order*, even if the Terms include provisions invoking an intercarrier

compensation mechanism for Internet traffic, any reasonable amount of time permitted for adopting such provisions has expired under the FCC's rules implementing section 252(i) of the Act.³ In fact, the *FCC Internet Order* made clear that carriers may not adopt provisions of an existing interconnection agreement to the extent that such provisions provide compensation for Internet traffic.⁴

7. Should Focal attempt to apply the Terms in a manner that conflicts with paragraphs 3-6 above, Verizon reserves its rights to seek appropriate legal and/or equitable relief.
