NOTICE TO QUALIFIED PROFESSIONAL:

The above-named person is requesting accommodations on the Massachusetts Bar Examination. All such requests must be supported by a comprehensive evaluation report from the qualified professional who conducted an individualized assessment of the applicant and is recommending accommodations on the Massachusetts Bar Examination on the basis of a physical disability. The Board of Bar Examiners also requires the qualified professional to complete this form. **If any of the information requested in this form is fully addressed in the comprehensive evaluation report, you may respond by citing the specific page and paragraph where the answer can be found.** Please attach a copy of the evaluation report and all records and test results on which you relied in making the diagnosis and recommending accommodations for the Massachusetts Bar Examination. We appreciate your assistance.

The provision of reasonable accommodations is based on assessment of the *current* impact of the disability on the specific testing activity. The Board of Bar Examiners generally requires documentation from an evaluation conducted within the past year because of the changing manifestations of many physical disabilities. Older evaluation reports may suffice if supplemented by an update of the diagnosis, current level of functioning, and a rationale for each recommended accommodation or an explanation of why the report continues to be relevant in its entirety.

The Board of Bar Examiners may forward this information to one or more qualified professionals for an independent review of the applicant's request. Print or type your responses

to the items below. **Return this completed form, the comprehensive evaluation report, and relevant records to the applicant for submission to the Board.**

III. ACCOMMODATIONS RECOMMENDED FOR THE MASSACHUSETTS BAR

EXAMINATION (CHECK ALL THAT APPLY)

The Massachusetts Bar Examination is a timed, remote examination administered in 90 (ninety) minute sessions beginning at approximately 9:00 a.m. to 12:30 p.m. and from approximately 2:00 p.m. to 5:30 p.m. on Tuesday and Wednesday as scheduled twice each year. There are scheduled breaks between each testing session on both testing days.

The first day consists of two performance tests (MPT) in the morning and six essay (MEE) questions in the afternoon. The performance and essay questions are designed to assess, among other things, the applicant's ability to communicate his/her analysis effectively in writing. Applicants use their personal laptop computers to type their answers.

The second day consists of 200 multiple-choice questions (MBE), with 100 questions administered in the morning session and 100 questions in the afternoon session. Applicants record their answers by selecting their answer choice on their computer. Answers are then uploaded for grading of the examination.

Applicants are seated at a space they have selected that meet the Board of Bar Examiners guidelines. They are allowed to have food and beverages at their testing space. Other items requested require approval as accommodations. The examination is administered electronically. Applicants are required to be in a quiet environment, and are allowed to use small foam earplugs. They may leave the view of the monitor only to use the restroom and must state that they are doing so. Applicants are monitored with the use of artificial intelligence and facial recognition software.

Taking into consideration this description of the examination and the functional limitations currently experienced by the applicant, what test accommodation (or accommodations, if more than one would be appropriate) do you recommend?

Test question formats:

Explain your recommendation(s). _____

Extra testing time. Indicate below how much extra testing time is recommended. For applicants awarded 50% or 100% additional time for all sessions of the bar exam, the order of the UBE will be MPT on Tuesday, MBE on Wednesday and Thursday, and MEE on Friday.

Test Portion	Standard Time Per Session	Extra Time Recommended Per Test Session	
MPT/ Performance Test	two 90 minute AM sessions	25%	50%
		75%	100%
MEE/Essay	two 90 minute PM sessions	25%	50%
		75%	100%
MBE/Multiple-Choice	two 90 minute AM sessions	25%	50%
	two 90 minute PM sessions	75%	100%

Explain why extra testing time is necessary and describe how you arrived at the specific amount of extra time recommended. If either the amount of time or your rationale is different for different portions of the examination, please explain. If relevant, address why extra breaks or longer breaks are insufficient to accommodate the applicant's functional limitations.
