#### PHYSICIAN'S STATEMENT

I have reviewed the clinical criteria for referring patients to DMH for continuing care inpatient or intensive residential services and believe this patient requires this level of continuing care treatment. If the patient is accepted for transfer, the transfer will comply with M.G.L. c. 123, § 3, except for transfer to a CIRT program (children 6-12), which will be handled as a discharge.

## TRANSFER REQUEST APPEAL

Request by DMA MH/SAP MCO Regional Manager or Other Insurer's Medical Director for Behavioral Health for Third Level Medical Review
Patient Name:
RID# (if Medicaid):
Hospital Name:
MCO Regional Mngr./Insurer Medical Director Name:
Telephone:
Date of Appeal:
The appeal of the decision to deny transfer of the patient to a DMH continuing care inpatient facility or intensive residential program is based on the following rationale (attach additional pages as needed):
Note: MCO Regional Manager or Other Insurer's Medical Director for Behavioral Health should call the
DMH Area Medical Director or designee to complete the following section.
It is determined by the MCO Regional Manager/designee or Other Insurer's Medical Director for Behavioral Health and DMH Area Medical Director/designee that this case:
Requires a third level of medical review because there are unresolved clinical concerns.
The request is not solely based on clinical concerns and warrants an administrative review (e.g., bed availability, legal issues).
Initiate appeal by signing below and faxing completed form to the DMH Deputy Commissioner for Clinical and Professional Services at 617-626-8058. Attach a copy of original application and denial and any other pertinent written information you want considered in the review.
