Amended Return

If you need to change a line item on your return, complete a new return with the corrected information and fill in the "Amended Return" oval. Generally, an amended return must be filed within three years of the date that your original return was filed.

By filling in the amended return oval, you are giving your consent for the Commissioner of Revenue to act upon your amended return after six months from the date of filing. If you choose not to consent, you must do so in writing and attach it to this amended return. If you do not consent, any requested reduction in tax will be deemed denied at the expiration of six months from the date of filing.

If you are disputing an assessment resulting from an audit, or are requesting an abatement of penalties, do not file an amended return. Rather, you must file a Form ABT, Application for Abatement. Visit mass.gov/dor/amend for additional information about filing an amended return, or filing an application for abatement.
