

## BIPOC Farmer-to-Farmer Outreach and Peer Support

### What this project will do

- BIPOC technical assistance providers will share resources, strategies, technical assistance, and build peer support relationships among BIPOC farmers to promote land equity.

### Task being implemented from the MA Farmland Action Plan<sup>16</sup>

- Action III.C.2 – Expand opportunities for one-to-one assistance for farmers, prioritizing beginning and historically underserved farmers and aspiring farmers.
- Task 1356 – Support culturally appropriate outreach by other experienced farmers of color.???

### Implementing partners and contact

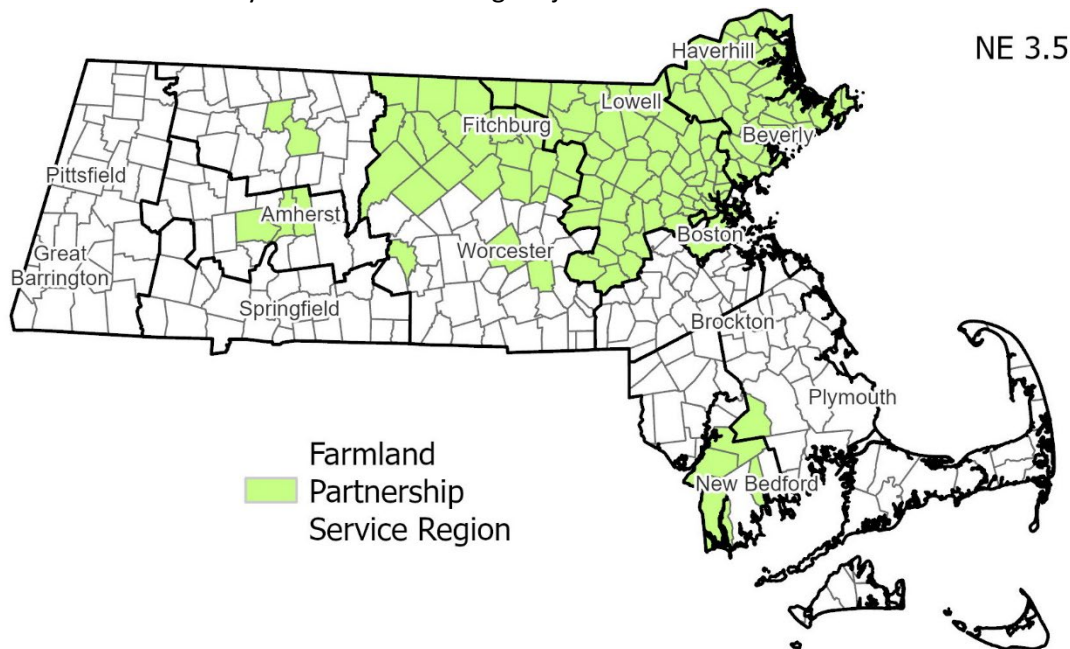

- Lead – Growing Places
- Other – New Entry Sustainable Farming Project (New Entry), Pocasset Pokanoket Land Trust (PPLT)
- Contact email – Michelle Nikfarjam, [michelle@pocassetlandtrust.org](mailto:michelle@pocassetlandtrust.org)
