

Train realtors and attorneys who work with farmers

What this project will do

- Train realtors and attorneys about needs of farmers, risks to farmland, and opportunities to support farm transfer and alternative tenure models.

Task being implemented from the MA Farmland Action Plan

- Action III.A.6 – Prompt further development of industries supportive of agriculture to ensure they serve farmer, farm and farmland issues fully
- Task 1297 – Train and connect key professionals—tax advisors, appraisers, surveyors, realtors, lawyers, and others—who work with farmers and farmland owners through a strong referral system, with incentives/infrastructure to work together.??
