

Train-the-trainer toolkit and BIPOC cohort development

What this project will do

- Create a multilingual toolkit and launch a “Train-the-Trainer” for delivering culturally responsive farm support.
- Train BIPOC technical assistance providers embedded in trusted

Task being implemented from the MA Farmland Action Plan¹⁵

- Action III.C.2 – Expand opportunities for one-to-one assistance for farmers, prioritizing beginning and historically underserved farmers and aspiring farmers.
- Task 1449 – Establish a diverse network of “navigators,” individuals based at trusted local organizations who are well-versed in the range of public and private resources, regulations, and processes, who can work one-on-one with existing farmers through the process of sustaining a farming enterprise.
