

Peer mentorship assessment and storytelling

What this project will do

- Assess peer-to-peer mentorship efforts in Massachusetts and identify key themes and best practices.

Task being implemented from the MA Farmland Action Plan⁷

- Action III.C.2 – Expand opportunities for one-to-one assistance for farmers, prioritizing beginning and historically underserved farmers and aspiring farmers.
- Task 1354 – Explore expanding range farmer mentorship and peer-to-peer programs.

Project implementing Goal III of the MFAP: Support and enhance the viability of farms and farmland

Farmland Partnership Program Factsheet

Last revised – 6/30/2026

Lead Partner – New Entry

Project – NE 3.2

MFAP Task – 1354

Page number – 1
