

## Promote land linking

### What this project will do

- Increase awareness and promote farmland linking and listing tools such as New England Farmland Finder.
- Develop and host webinars on availability of New England Farmland Finder and how it works.

### Task being implemented from the MA Farmland Action Plan

- Action II.B.1 – Support and expand farmland transfer and farmland succession education and one-to-one technical assistance (TA).
- Task 1208 – Increase awareness and promotion of farmland linking and listing tools such as New England Farmland Finder.

Project implementing Goal II of  
the MFAP: Increase access to  
farmland

Farmland Partnership Program Factsheet

Last revised – 6/30/2026

Lead partner – Land for Good

Project – LFG 2.2

MFAP Task – 1208

Page number – 1

### Implementing partners and contact

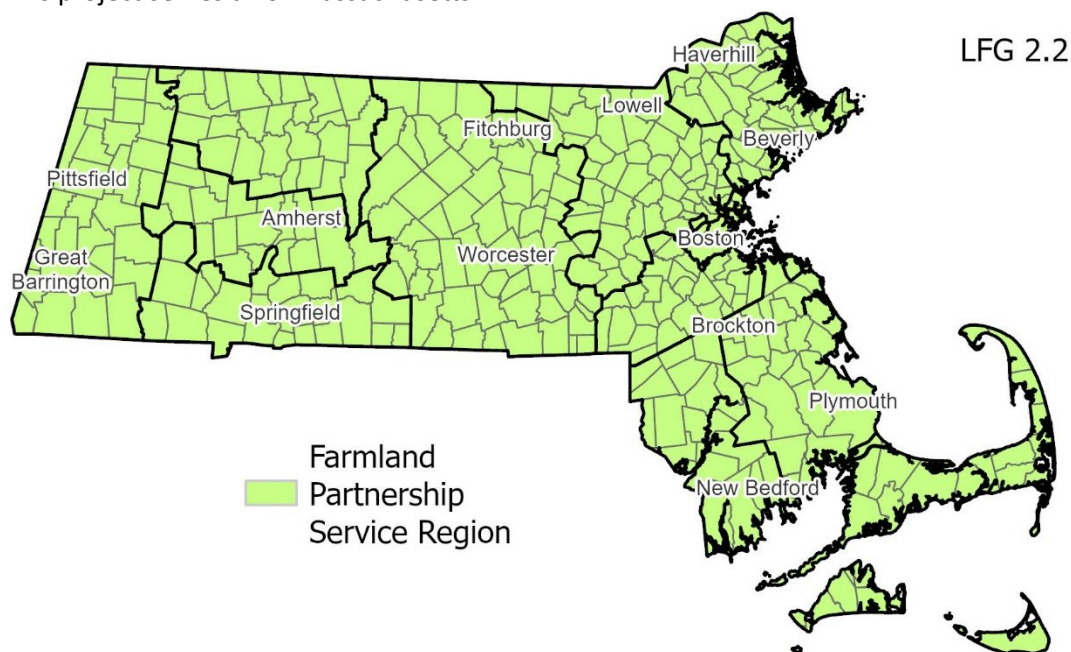

- Lead – Land For Good
- Other – None
- Contact email – Jo Rosen, [johanna@landforgood.org](mailto:johanna@landforgood.org)

### Learn more
