

Regenerative peer mentorship program for beginning farmers

What this project will do

- Pilot and expand peer mentorship programs for beginning farmers that focus on regenerative agriculture and area led by experienced BIPOC farmers.

Task being implemented from the MA Farmland Action Plan⁸

- Action III.C.2 – Expand opportunities for one-to-one assistance for farmers, prioritizing beginning and historically underserved farmers and aspiring farmers.
- Task 1354 – Explore expanding range farmer mentorship and peer-to-peer programs.

Implementing partners and contact

- Lead – Pocasset Pokanoket Land Trust (PPLT)
- Other – Nuestras Raíces, New Entry Sustainable Farming Project (New Entry)
- Contact email – Nathan Erwin, nate@pocassetlandtrust.org
