I. Introduction

The Massachusetts Executive Office of Housing and Livable Communities (EOHLC, formerly DHCD) is a participant in the Moving to Work (MTW) Demonstration. MTW is a program authorized by Congress through which a limited number of Public Housing Authorities are provided with the flexibility to waive certain provisions of the US Housing Act of 1937 and related federal regulations, and to design and test approaches for providing housing assistance that address one or more of the following statutory objectives:

1. Reduce cost and achieve greater cost effectiveness in Federal expenditures;
2. Give incentives to families with children whose heads of household are either working, seeking work, or are participating in job training, educational or other programs that assist in obtaining employment and becoming economically self-sufficient; and,
3. Increase housing choices for low-income families.

The terms and conditions of EOHLC's participation in the MTW program are defined in its MTW Agreement with the US Department of Housing and Urban Development (HUD), which extends through 2028.

EOHLC administers HUD-funded Housing Choice Voucher (HCV) programs, along with other state-assisted rental assistance programs, through a statewide network of Regional Administering Agencies (RAAs). See Appendix A for a listing of current RAAs. Subject to HUD approval in the MTW Annual Plan, MTW designation allows EOHLC to test new or modified programmatic approaches to administering HCV programs, to implement "local, non-traditional" housing and service activities for the benefit of low-income residents, and to utilize HCV Housing Assistance Payments (HAP) funds in a more flexible manner.

MTW flexibility applies to the HCV programs administered by EOHLC and which are part of the MTW Block Grant. EOHLC may apply MTW operating flexibilities to special purpose vouchers which are not part of the block grant in accordance with HUD's published guidance. In general, HUD allows special purpose vouchers to be administered in accordance with MTW agreements unless MTW provisions are inconsistent with the appropriations act or requirements of the Notice of Funding Availability (NOFA). Enhanced/Tenant Protection Vouchers will be rolled into the MTW Block Grant upon renewal of funds resulting in application of MTW flexibility to these vouchers.

EOHLC is required by HUD to prepare an MTW Annual Plan in a format defined in the MTW Agreement. This Annual Plan, which is subject to HUD approval, reflects the current Plan requirements. For purposes of the Annual Plan, an "MTW activity" is defined as any activity that requires MTW flexibility to waive statutory or regulatory requirements. Conversely, a "non-MTW activity" is an activity that does not require MTW funding or programmatic flexibility to implement.

EOHLC's FY 2027 MTW Annual Plan summarizes planned activities for the period from July 1, 2026, through June 30, 2027. HUD provides HAP funding on a calendar year basis; thus, the Annual Plan covers parts of two distinct funding periods. As of the date of this Annual Plan publication, EOHLC has not

received confirmation of its 2026 or 2027 HAP funding. If decreases in funding occur, EOHLC may need to modify, delay, or cancel the proposals herein and/or take other necessary measures, including further deferring issuance of turnover vouchers or taking measures to reduce per-voucher costs.

Prior to submission to HUD, EOHLC makes the Annual Plan available for public review and comment and conducts a public hearing to solicit feedback. EOHLC reviews and considers written and verbal comments that are received during the public review period. Appendix C provides information on the public comment period for this Annual Plan.

A. Overview of Short-Term Annual Goals and Objectives

Given ongoing budget constraints and shortfall risk, EOHLC will continue to focus on containing program costs and serving existing voucher holders as effectively as possible. In FY 2027, EOHLC projects that rental assistance and related services will be provided to 19,955 MTW households.

Increased efficiency remains a top priority. In FY 2026, EOHLC transitioned to a new voucher management software, which has been a massive undertaking. EOHLC anticipates that the new software will help reduce processing times for staff and improve the overall program experience for tenants, landlords, and applicants.

In FY 2027, EOHLC proposes to implement a flat rate or rates for the calculation of unreimbursed medical expenses, which should reduce potential calculation errors and significantly reduce the time that staff spend on this task. This change is outlined in Activity 2015-1 Rent Simplification.

To the extent that funding allows, EOHLC plans to continue supporting statewide programs that promote economic mobility and housing choice for voucher holders, including FSS, SNO Mass, and the Fair Housing Initiative.

B. Overview of Long-Term Goals

Through its participation in the MTW program, EOHLC is able to support a variety of programs and policies that promote housing stability and economic security for thousands of participating low-income households, including families with children, seniors, and people with disabilities. The programmatic flexibility afforded by MTW continues to be an important component of the Commonwealth's overall housing strategy.

The current funding constraints that EOHLC and many other PHAs are facing make it difficult to solidify long-term planning. However, EOHLC will continue to look for ways to align program spending with revenue. As funding allows, the focus areas for our work will continue to be:

- Expanding housing choice for voucher holders;
- Providing economic relief and asset-building opportunities to voucher holders; and
- Improving the voucher administration experience for tenants, landlords, and administering staff.

II. General Operating Information

A. Housing Stock Information

Through its Housing Choice Voucher (HCV) Program, EOHLC provides rental assistance to families, seniors, and persons with disabilities at properties owned by private or non-profit owners. EOHLC partners with a wide array of mission-driven, non-profit, and for-profit organizations to provide quality housing opportunities.

i. Planned New Public Housing Units

EOHLC does not administer a federal public housing program.

*The federal accessibility standard under HUD's Section 504 regulation is the Uniform Federal Accessibility Standards (UFAS) for purposes of Section 504 compliance (24 CFR 8.32). HUD recipients may alternatively use the 2010 ADA Standards for Accessible Design under Title II of the ADA, except for certain specific identified provisions, as detailed in HUD's Notice on "Instructions for use of alternative accessibility standard," published in the Federal Register on May 23, 2014 ("Deeming Notice") for purposes of Section 504 compliance, <https://www.govinfo.gov/content/pkg/FR-2014-05-23/pdf/2014-11844.pdf>

iii. Planned New Project-Based Vouchers

Table 3: Planned New Project-Based Vouchers*

**The 50900 requires reporting of planned PBVs, which will be either under AHAP or HAP during the Annual Plan fiscal year. EOHLC’s PBVs are allocated through the state’s competitive rental round and in concert with the award of Low Income Housing Tax Credits. Proposal rounds are fluid and occur at different times throughout the year with related funding announcements made upon award. Given that EOHLC’s MTW Plan is due to HUD prior to the award of FY 2027 PBV funding, EOHLC cannot identify which projects will be awarded PBVs at this time. Further, of the awards made, EOHLC cannot determine at this time which proposals will pass all screening thresholds and enter into AHAP or HAP contracts. EOHLC will report on all projects and PBVs committed, issued, and leased in the FY 2027 Annual Report.*

v. Planned Other Changes to MTW Housing Stock Anticipated During the Plan Year

Table 5: Planned Other Changes to MTW Housing Stock Anticipated During the Plan Year

Description
EOHLC does not own or manage any federally funded public housing.

vi. General Description of All Planned Capital Expenditures During the Plan Year

Table 6: General Description of All Planned Capital Expenditures During the Plan Year

Description
EOHLC does not own or manage any federally funded public housing, nor does it receive public housing capital funds from HUD. As part of Activity 2018-9 (Affordable Housing Preservation and Development Fund), EOHLC utilizes MTW Block Grant funds to support the development and preservation of affordable rental housing units.

B. Leasing Information

vii. Planned Number of Households Served

Table 7 below provides information only on MTW households that EOHLC plans to serve during FY 2027. In total, EOHLC expects to serve 19,955 MTW households.

viii. Discussion of Any Anticipated Issues/Possible Solutions Related to Leasing

Table 8: Anticipated Issues and Possible Solutions Related to Leasing

Housing Program	Description of Anticipated Leasing Issues and Possible Solutions
MTW Public Housing	N/A
MTW Housing Choice Voucher	EOHLC continues to experience increasing challenges in leasing due to high housing costs, low availability of units, and discrimination. To that end, we have increased our housing search work, continued to look to increase use of allowed flexibilities to make it easier to approve units, and continued our Fair Housing Initiative. We further anticipate leasing challenges due to the high costs plus funding challenges, so we are reviewing savings measures.
Local, Non-Traditional	Vouchers issued under the FES Program generally serve clients in the Boston area. Leasing all of the issued vouchers has affected the success rate of voucher holders due to the lack of availability of affordable housing options in the Boston housing market. (This program is being sunset and is no longer accepting new participants.)

Housing Program	Description of Anticipated Leasing Issues and Possible Solutions
	<p>Participants in YTTSP also encounter challenges in leasing units, as many of them have limited tenancy history having lived in dormitories and/or group home settings prior to referral. Participants also face the same barriers as other assisted households such as discrimination and ageism.</p>

C. Waiting List Information

ix. Waiting List Information Anticipated

Table 9: Waiting List Information Anticipated

Waiting List Name	Description	Number of Households on Waiting List	Waiting List Open, Partially Open or Closed	Plans to Open the Waiting List During the Plan Year
Federal MTW Housing Choice Voucher Program, Federal Non-MTW Housing Choice Voucher Units	Other*	65,855	Partially Open	No

*EOHLC combines site-based and centrally managed wait list features. All of EOHLC's Section 8 programs (including MTW and Non-MTW vouchers) use a regional, centrally managed wait list with the exception of Project-Based developments. EOHLC has closed its HCV mobile wait list, but could reopen it during FY 2027. PBV and targeted program wait lists remain open.

Describe any duplication of applicants across waiting lists:

None.

x. Planned Changes to Waiting List in the Plan Year

EOHLC does not have any planned changes to the waiting list.

Waiting List Name	Description of Planned Changes to Waiting List
No Changes	No Changes

III. Proposed MTW Activities

EOHLC is not proposing any new MTW activities for FY 2027.

IV. Approved MTW Activities

This section of the Annual Plan summarizes and provides a status update on MTW activities that have been previously approved by HUD and implemented by EOHLIC. As required, this section also includes summary information on MTW activities that have not yet been implemented, activities placed on hold by EOHLIC, and closed out activities.

A. Implemented Activities

Activity 2000-1: Family Economic Stability (FES) Program

Plan Year Approved, Implemented, Amended

Approved FY 2000 and implemented FY 2001.

Description/Update

FES is an assistance model which provides a fixed annual stipend for five years to eligible families, regardless of future income or family composition changes. Within certain guidelines, participants exercise considerable decision-making in the utilization of the funds. Case management and program coordination is provided by Metro Housing|Boston staff. Participants may select any housing unit which they deem affordable and appropriate for their needs and which passes a Housing Quality Standards inspection. The FES Program also assists participants in reaching goals related to increasing earned income, progressing in their careers, improving credit and financial literacy skills, increasing their asset base, and developing a housing stability plan.

Eligibility for the FES Program is targeted to low-income working families who meet the following criteria:

- Are committed to maintaining employment and agree to provide information to assess the effectiveness of the program;
- Are working at least part-time, are imminently employed, or are enrolled in a full-time job-training program; and
- At voucher issuance, household income must be sufficient to ensure that the tenant share of rent, with the subsidy, is no more than 40% of the monthly income.

FES provides participants with a “flat subsidy” that is not tied to household income. When a participant increases their earned income, their rent subsidy will not decrease. Conversely, if participants lose their jobs, their subsidy will not increase. FES staff and participants work closely to manage employment stability to avoid sudden loss of income. Participants are supported in their housing search and selection to determine the most affordable unit based on family size and counseled to consider the challenges of a flat subsidy when selecting potential housing. EOHLIC continues to review and adjust subsidy levels for consistency with housing costs.

Program Extensions

EOHLC, on a case-by-case basis, may extend the rental subsidy for an additional six months following a loss of earned income as a result of an economic/health/natural disaster emergency as declared by the Governor or his/her designee.

Hardship Policy

Households meeting the conditions outlined below may apply for a hardship. All the hardship criteria below relate to hardships caused by an economic/health emergency as declared by the Governor or his/her designee and are only applicable during such emergencies.

- **Subsidy:** In the event of job loss, and a resulting rent burden greater than 40% of household income, participants may request to have their subsidy temporarily returned to their enrollment subsidy level. EOHLC will review and approve these requests in consultation with Metro Housing|Boston.
- **Support Funds:** EOHLC will waive the policy prohibiting the use of support funds for rent share in the event of job loss. Note: In order to maintain the availability of flexible support funds to meet other needs, all other available financial supports will be reviewed before releasing support funds.
- **Escrow Funds:** EOHLC will allow the use of accrued escrow funds to make payments for essential expenses such as rent and utilities, including internet access if enrolled in online classes. Note: In order to maintain the availability of escrow funds to maintain an asset base, all other available financial supports will be reviewed before releasing escrow funds.

Following an analysis of data and outcomes in FY 2025, EOHLC decided to sunset the FES Program. All current FES participants will continue to receive assistance until their subsidy ends. EOHLC does not plan to enroll any new participants going forward. The waiting list is closed.

EOHLC expects to provide assistance to 18 households during FY 2027. Ten households are on track to graduate from the program during the fiscal year.

Planned Significant Changes

Activity 2010-2: Payment Standard Exceptions

Plan Year Approved, Implemented, Amended

Approved and implemented FY 2010. Amended in FY 2024.

Description/Update

Under this MTW initiative, EOHLC is authorized to approve any documented and reasonable exception to payment standards as a reasonable accommodation for HCV households with disabled household members without HUD approval.

This policy is utilized without regard to the percentage increase requested over the payment standard. Generally, EOHLC will not impose a limit on the number of exception payment standards; however, EOHLC reserves the right to limit the number of payment standard exceptions when and if budgetary issues arise.

EOHLC will continue to utilize its MTW authority to approve payment standard exceptions without prior HUD approval. EOHLC does not anticipate any significant changes to the volume of requests and outcomes for reasonable accommodation payment standard exceptions in FY 2027.

In FY 2024, EOHLC received approval to use MTW flexibility, as authorized in Attachment C, Section D.2.a of the Amended and Restated MTW Agreement, to adopt reasonable payment standards that may differ from the currently mandated program requirements in the 1937 Act and its implementing regulations. This may include setting EOHLC's HCV payment standards based on certain percentages of HUD's Small Area Fair Market Rents to align with current local rental markets, to increase voucher utilization, and to expand housing choice.

Activity 2010-4: Development of Local Forms

Plan Year Approved, Implemented, Amended

Approved FY 2010 and implemented FY 2013.

Description/Update

Under this initiative, EOHLC develops local versions of forms, as needed, to streamline processing, utilize “plain language,” address MTW policies, and address local housing market features. New forms are rolled out to RAA contractors as they are completed.

To date, EOHLC has developed an addendum to the PBV HAP contract to reflect EOHLC’s MTW policies, a local version of the FSS Contract of Participation and Individual Training and Service Plan, and a local version of the Privacy Act and Release Form.

In FY 2027, EOHLC will continue to use the modified local version of the Privacy Act and Release Form, implemented in January 2024, to reflect HOTMA Final Rule changes. Specifically, the updated form indicates that all applicants age 18 and over must sign the consent form at admission and participants must sign the consent form no later than their next interim or regularly scheduled income reexamination. After an applicant or participant has signed and submitted a consent form on or after January 1, 2024, they do not need to sign and submit subsequent consent forms at the next interim or regularly scheduled income reexamination except under the following circumstances: (1) When any person 18 years or older becomes a member of the family; (2) when a member of the family turns 18 years of age; and (3) as required by HUD, EOHLC, or the RAA in administrative instructions. Executed consent forms will remain effective until the family is denied assistance, the assistance is terminated, or if the family provides written notification to the owner revoking consent. Revoking consent or failure to provide consent may result in termination or denial of assistance.

In FY 2027, EOHLC will continue to explore potential efficiency gained from implementing local versions of other forms.

Activity 2011-2: Supporting Neighborhood Opportunity in Massachusetts (SNO Mass)

(Formerly Your Choice Program & Opportunity Neighborhoods)

Plan Year Approved, Implemented, Amended

Approved FY 2011 and implemented FY 2020.

Description/Update

Under this initiative, EOHLC established the Supporting Neighborhood Opportunity in Massachusetts (SNO Mass) Program. The purpose of EOHLC's SNO Mass MTW initiative is to provide significant supports and encouragement to existing voucher participants and/or new voucher holders who wish to move to areas with empirically documented high-quality schools, healthy environments, and other opportunities. These communities have historically been "off-limits" to voucher holders due to market and administrative restrictions. Through SNO Mass, EOHLC is increasing housing choice for its voucher holders.

Existing participants and/or voucher holders interested in moving into opportunity neighborhoods are provided with counseling both before and after the move through the participating RAAs. Participating households are eligible to receive up to \$4,500 for allowable pre- and post-move expenses to assist families with accessing services and educational and extracurricular activities for their children in their new neighborhood.

SNO Mass is offered to all eligible participants statewide. SNO Mass Mobility Specialists complete family assessments to determine priorities and establish a housing plan that meets each family's needs. Once families are situated in their new neighborhoods, Mobility Specialists remain engaged for two years to provide post-move counseling. To help facilitate moves to SNO Mass Opportunity Areas, EOHLC may apply special payment standards for SNO Mass participants moving to Opportunity Areas (e.g., use the higher of a certain percentage of metropolitan area-wide Fair Market Rent and a certain percentage of Small Area Fair Market Rent). In FY 2027, EOHLC will continue to focus on support for existing voucher holders; however, the program may be expanded in future fiscal years to offer services to new voucher holders.

EOHLC anticipates providing program orientation to 140 interested households in FY 2027 and providing counseling to 120 households. EOHLC's goal is to enroll and engage 100 households in housing search and ultimately move or lease up 60 households in identified opportunity neighborhoods.

Activity 2011-4: Multi-Year Recertifications

(Formerly Biennial Recertification Process)

Plan Year Approved, Implemented, Amended

- Biennial Recert and Limit on Interim Recerts: Approved FY 2011; implemented and modified FY 2012.
- Triennial Recert: Approved FY 2020 and implemented FY 2021.

Description/Update

Under this initiative, EOHLC received approval for the following recertification policies:

- Triennial recertifications for elderly/disabled households with fixed income only (SS/SSI/pension);
- Annual recertification for zero-income households; and
- Biennial recertifications for all other MTW households.
- Any household that believes they would benefit by an annual recertification may request an annual income recertification. If a household has requested and is approved for an annual recertification frequency, EOHLC will allow one voluntary interim recertification between annual recertifications.

In FY 2026, EOHLC discontinued its multi-year recertification policies such that all households will now be recertified annually.

The following policies apply to interim recertifications:

- Limit on voluntary interim recertifications: an MTW family may complete one (1) voluntary interim recertification between regular annual recertifications.
- Required interim recertifications do not count against the limit.

The following households are exempt from this provision and are able to complete an interim recertification at any time: elderly and disabled households, households that live in an Expiring Use project on the conversion date and select a PBV, households participating in the SNO Mass program, and FSS households.

In its FY 2025 Plan, EOHLC proposed the following non-significant changes, consistent with its existing MTW Agreement, to this activity, which HUD approved. EOHLC noted that any provisions of the 1937 Act and its implementing regulations that are amended by HOTMA and already explicitly waived by the MTW Agreement will continue to be waived by the relevant provisions of the MTW Agreement. Accordingly, the changes below do not require additional waivers and are part of provisions which have been explicitly waived under EOHLC's MTW Agreement and which have been previously approved by HUD.

Limit on Interim Recertifications:

- EOHLC will continue to apply the previously approved limit on interim recertifications and related hardship policy.
- EOHLC's MTW interim recertification policy supersedes the HOTMA provision whereby EOHLC may decline to conduct an interim recertification if the change in the family's adjusted income is less than an EOHLC established percentage.

Reporting Increases in Income Between Regular Recertifications:

- As an alternative to the HOTMA provision regarding required interim recertifications for applicable increases in income, EOHLC, using its MTW flexibility, will retain its current policy whereby increases in income between regular recertifications do not need to be reported until the next regular recertification.
- Exceptions to this requirement include: required reporting of increases in income between regular recertifications for families reporting zero income and for households who have had a prior interim rent reduction since their last regular recertification.

Rent Increase Effective Dates:

- As an alternative to the HOTMA provision regarding rent increase effective dates for interim recertification, EOHLC, using its MTW flexibility, will retain its current policy whereby if a change is reported late, the increase will be retroactive to the date it would have been effective had the information been provided on a timely basis.

Hardship

To respond to hardships which are beyond the tenant's control (no-fault hardships), MTW households who have exceeded the limit on interim reexaminations may request an emergency interim reexamination if the loss of household income is greater than 30% and beyond the control of the family.

During a state of economic/health/natural disaster emergency declared by the Governor or his/her designee, EOHLC may temporarily lift the limit on voluntary interim rent reductions for non-exempt families. EOHLC will make determinations as to when to re-impose the limit.

Planned Non-Significant Changes

There are no planned non-significant changes for FY 2027.

Planned Significant Changes

No significant changes are planned.

Activity 2011-5: Youth Transition to Success Program (YTTSP)

Plan Year Approved, Implemented, Amended

Approved FY 2011 and implemented FY 2013. Amended in FY 2021.

Description/Update

EOHLC initially designed and implemented a time-limited program to provide continued support to and build upon the successes of youth currently participating in its Family Unification - Aging Out of Foster Care Program that are facing the expiration on their subsidy. As the demand for FUP vouchers continued to grow, EOHLC has expanded the YTTSP throughout the years. YTTSP now provides subsidies and support to a broader group of youth, which includes both FUP AOP referrals and “College” referrals from DCF. Participants receive a shallow, time-limited subsidy; supportive services; funds for education, training, and employment-related expenses; an escrow account; and case management. Where DCF services are required for participation in this program, participation in the program ends when DCF services end.

EOHLC continues to review program eligibility requirements, subsidies, and incentives and may modify such program features in order to better serve program participants and enhance efforts for self-sufficiency. Any such modifications will be included in future MTW plans.

The following outlines eligibility requirements:

FUP AOP Referrals

- Referred by DCF
- Participated in FUP AOP for no less than 18 months
- Employed for at least 12 hours per week
- Enrolled in an education or training program at the time of referral. This includes individuals who are currently enrolled in a GED program as well as those who have completed nine (9) college level credits, but who may not have completed a full year of college
- Participant in good standing under FUP AOP, including no tenancy violations and current on rent
- Income eligible for the HCV Program; and
- Meet other EOHLC eligibility screening requirements.

College Referrals

- Referred by DCF
- Enrolled in a full-time or part-time moving to full-time post-secondary degree or Associate’s Degree program at the time of referral. This includes individuals who have completed 9 college level credits, but who may not have completed a full year of college
- Income eligible for the HCV Program; and

- Meet other EOHLC eligibility screening requirements.

YTTSP will provide participants with:

- A flat rental subsidy that holds steady for the first two years and then steps down annually by 15% for the final three years.
- A matched savings account up to \$800/year; and
- An annual support budget of \$500 for expenses related to sustaining employment and meeting educational goals.

During periods of economic/health/natural disaster emergencies, as declared by the Governor or his/her designee, the following activity changes will be in effect:

Program Extensions

- Any participant who is scheduled to graduate from the program during the six-month period starting from the Governor's declaration of emergency will be eligible to receive rental subsidy for an additional six months from their planned graduation date. EOHLC may consider longer extensions if necessary, to allow participants to complete their educational program.

Employment Requirements

- Employment requirements are suspended (but not requirements to pay tenant share of rent) if a participant experiences a job loss or reduction in hours as a result of the emergency. In the event that third party verification is not available, EOHLC will process the change using a self-certification and will follow up with third party verification and confirmation from DCF staff.

College Enrollment/Job Training Enrollment

- If a current participant can document that they are unable to meet online enrollment requirements of their educational institution and/or the enrollment requirements of their job training program, EOHLC will waive enrollment in an education or job training program as a requirement for ongoing participation until the next semester after the declared emergency has been lifted. If in-person classes resume earlier, this waiver will end.
- In the event that third party verification of education/training enrollment status is not available, EOHLC will process the enrollment using a self-certification and will follow up with third party verification and confirmation from DCF staff.

Hardship Policy

- **Subsidy:** In the event of job loss, participants may request in writing to have their subsidy returned to their enrollment subsidy level. In the event that third party verification is not available, EOHLC will process the change using a self-certification and will follow up with third party verification and confirmation from DCF staff.
- **Subsidy:** Until the state of emergency is lifted, rent subsidies will not be reduced in Years Three and Four.

- **Support Funds:** EOHLC will waive the policy prohibiting the use of support funds for rent share, in the event of job loss. Note: in order to maintain the availability of flexible support funds to meet other needs, all other available financial supports will be reviewed before releasing support funds.
- **Escrow Funds:** EOHLC will allow the use of accrued escrow funds to make payments for essential expenses such as rent and utility payments including internet access if enrolled in online classes. Note: in order to maintain the availability of escrow funds to maintain an asset base, all other available financial supports will be reviewed before releasing escrow funds.

In FY 2023, EOHLC began providing graduating College Track and YTTSP participants with an option to extend the existing subsidy for six months to provide time to search for and obtain employment. In this way, graduating participants are provided with a short-term financial “cushion” on their way to economic self-sufficiency. Additionally, EOHLC adjusted the flat rental subsidies provided to YTTSP participants to reflect 120% of the applicable Fair Market Rent.

In FY 2027, EOHLC anticipates this activity will serve a total of 40 households.

Activity 2012-1: MTW Utility Allowances

Plan Year Approved, Implemented, Amended

UAP \$25 or less

- Approved FY 2012
- Implemented FY 2012

Simplified UA Schedule – Heat only

- Approved FY 2014
- Implemented FY 2014

Other Electricity

- Approved FY 2016
- Implemented FY 2017

Discretionary Periodic UA Review

- Approved FY 2019
- Implemented FY 2019

Introduction of UAs for Cooking and Hot Water

- Approved FY 2023
- Implemented FY 2023

Description/Update

Under this initiative, EOHLC established a simplified Utility Allowance (UA) schedule and eliminated Utility Allowance Payments under \$25. In FY 2014, EOHLC designed a UA model that eliminated all utility allowances except for heat. However, in FY 2017, in response to concerns about rising electricity costs, EOHLC implemented a revision to the UA model to include a utility allowance for other electricity. In addition, under this activity, EOHLC modified its UA policy to reflect discretionary periodic review of HCV utility allowance schedules to determine if adjustments are required. Annual updates are no longer required.

In FY 2023, EOHLC revised the UA model to introduce allowances for cooking fuel and hot water. In FY 2025, due to budgetary constraints, EOHLC discontinued the utility allowance pilot for cooking and hot water fuel.

Activity 2012-4: Expiring Use Preservation Initiative

Plan Year Approved, Implemented, Amended

Approved FY 2012 and implemented FY 2013.

Description/Update

This initiative was designed to preserve the long-term affordability of expiring use properties. EOHLC will make use of the resources provided by HUD in the form of Enhanced and Tenant Protection Vouchers to continue the affordability of the units in these projects by converting eligible units immediately to Project-Based Units with a 15-year affordability period.

Since its approval, this initiative has been modified so that MTW flexibilities may extend to units converted to PBV under RAD. Additionally, EOHLC modified the income eligibility requirements for tenants who occupy units at the time of a RAD conversion to the PBV program.

In FY 2027, EOHLC anticipates additional developments may be added to its expiring use or RAD inventory. In particular, EOHLC is working with Moderate Rehabilitation owners who are interested in converting their properties via the RAD process. To date, EOHLC has 11 expiring use contracts with a total of 736 units under HAP contract. Additionally, EOHLC has completed 14 Rental Assistance Demonstration (RAD) conversion projects and currently provides a subsidy for 882 units under this program.

Activity 2012-5: Family Self Sufficiency Program Enhancements

Plan Year Approved, Implemented, Amended

Approved FY 2012 and implemented FY 2013.

Description/Update

EOHLC uses MTW funds to enhance the existing Family Self-Sufficiency (FSS) Program. These features will encourage participation and successful completion of the program. Features include, but are not limited to:

- Providing matched savings for clients who would otherwise be ineligible for the escrow component of FSS due to their level of earned income at the time they join the program (Savings Match Homeownership Program, SMHP);
- Providing flexible funds for expenses that would otherwise present barriers and thus prevent participants from maintaining or starting employment and/or enrolling in education or job training; and
- Establishing a \$5,000 incentive payment for FSS graduates who choose to withdraw from the HCV Program within 2 years of completion of the FSS Program and who apply and are approved for homeownership.

In November of 2013, EOHLC also began providing “gap” funding to address financial barriers to employment and increase long-term economic capacity by providing participants with incentives to complete education and training programs before entering the workforce.

In January 2014, EOHLC implemented revisions to the enhanced FSS program, including:

- Placement of an absolute cap on the amount of escrow regardless of prior FSS participation at any of EOHLC’s RAAs statewide. The cap was set at \$25,000 per household. Education and job training incentive payments provided under the FSS program were counted toward the escrow cap. Homeownership incentive payments, Jump Start awards, and earned interest were not applied to the escrow cap. In FY 2025, EOHLC removed the absolute escrow cap in order to provide FSS participants with more opportunities to escrow. EOHLC resumed allowing participants to escrow above the cap effective September 1, 2024.

To encourage the goal of homeownership for applicable households in the FSS Program, EOHLC obtained approval to modify its current FSS Program to allow certain households to define a path to homeownership by utilizing individualized homeownership education, financial coaching, required workshops, and a modified savings/escrow component. EOHLC continues to offer the previously approved goal-specific incentive payments as well as the matched savings homeownership incentive. This component of EOHLC’s FSS program provides higher income households with the opportunity to supplement the traditional escrow model with an EOHLC match of individual savings. In this way, EOHLC is able to assist more families to realize the goal of homeownership.

EOHLC has implemented local versions of the FSS Contract of Participation (COP) and Individual Training and Services Plan (ITSP). The local versions of the COP and ITSP allow EOHLC to reflect MTW program requirements and incentives for FSS participants.

In FY 2024, EOHLC proposed and implemented the following modifications to its MTW FSS program and related policies except where noted otherwise:

- Term of the CoP: EOHLC will continue to utilize a 5-year term on all FSS CoPs, with the effective date of the CoP to be the first day of the month following the date the contract is executed (rather than the first reexamination of income after the CoP execution date) and the initial expiration date to be five years from the first day of the month following CoP execution. This will enable participants to enroll and begin escrowing more quickly and will provide greater clarity on the start and end dates for the 5-year term of the contract.
- Mandatory Goals: EOHLC has established the following additional mandatory goals for all FSS participants, as applicable:
 - For participants enrolled in the Savings Match Homeownership Program, graduation will also be incumbent on the participant completing five homeownership-focused workshops.
 - All other FSS participants will be required to complete a financial budgeting workshop as a condition of graduation from FSS.
 - All FSS participants are required to maintain quarterly communication with the FSS Case Manager throughout the term of the CoP.
- Preliminary Escrow Credit: EOHLC proposed to modify the calculation of preliminary escrow credit to reflect 30% of the growth in monthly earned income without consideration of the growth in monthly rent. This would allow households to escrow based on the increase in their earned income, regardless of whether or not there has been a change in TTP. EOHLC conducted an impact analysis to determine the projected impact of this change on household escrow. The change was projected to result in an overall increase in participant escrow amounts. EOHLC decided to delay the implementation of this activity, so it has not yet been implemented. EOHLC will reassess the feasibility of implementing this change given current fiscal constraints.
- Maximum Escrow Amount: EOHLC has modified the FSS escrow credit calculation to remove the maximum escrow amount, which caps the escrow at the lower of the Payment Standard or Gross Rent minus the Baseline Rent. This will streamline the calculation of escrow and provides participants with greater opportunity to increase their escrow.

In FY 2027, EOHLC anticipates that approximately 175 new participants will join the FSS Program with a total participation of 950 FSS participants. Additionally, EOHLC anticipates that 115 households will graduate from the FSS program in FY 2027 with an average escrow balance of \$10,271.

No significant changes are planned.

Activity 2015-1: Rent Simplification

Plan Year Approved, Implemented, Amended

Approved FY 2012; Implemented FY 2012; Modified FY 2016 and FY 2023.

Description/Update

In FY 2012, HUD approved EOHLC's Rent Simplification activity. The components of rent simplification that are currently in effect are as follows:

- Minimum Rent of \$50;
- Streamlined Asset Verification and Calculation;
- Application of the Payment Standard in effect on the effective date of the regular recertification, regardless of any change in the Payment Standard from year to year;
- Exclusion of 100% of income received from EOHLC reviewed and approved guaranteed income programs which is paid to support financial stability and economic equality.

In FY 2025, EOHLC proposed the following changes, consistent with its existing MTW Agreement, which HUD approved. EOHLC noted that any provisions of the 1937 Act and its implementing regulations that are amended by HOTMA and already explicitly waived by the MTW Agreement will continue to be waived by the relevant provisions of the MTW Agreement. Accordingly, the changes below did not require additional waivers and are part of provisions which have been explicitly waived under EOHLC's MTW agreement and which have been previously approved by HUD.

- **Income Calculation:**
 - Using its MTW flexibility, EOHLC will continue to calculate annual income by adding the income the family expects to receive during the 12-month period following the family's admission or regular reexamination effective date. Accordingly, annual income is calculated by projecting current income forward for a 12-month period.
 - This method of income calculation will be used for new admissions, regular and interim reexaminations. Exceptions to this policy include but are not limited to families with seasonal income. For these families, retrospective income will be used.
 - If an estimate can be made for those families whose income fluctuates from month to month by income averaging, this estimate will be used so that the housing payment will not change from month to month.
 - If there are bonuses or overtime, which the employer cannot anticipate for the next twelve months, bonuses and overtime received the previous year will be used.

- **Assets:** As an alternative to the HOTMA asset regulations, EOHLC will apply MTW flexibility and will not implement the HOTMA \$100,000 asset and real property limitations for continuing occupancy participants and instead will retain its existing MTW policy on asset verification, asset income calculation, and asset exclusion for those participants. Accordingly, there are no imputed returns for assets valued at \$50,000 or less. Additionally, EOHLC’s MTW asset policies are predicated around market/face value of the asset and not the net cash value of the asset. Self-certification of assets valued at \$50,000 or less will be accepted at admission and at all certifications thereafter. Third-party verification is not required. EOHLC will not require households to verify the amount of their federal tax refund or refundable tax credits, regardless of the total amount of family net assets.
- **Modified Deductions:** As an alternative to the HOTMA deduction regulations, EOHLC proposes the following deduction amount:
 - \$650 for Elderly/Disabled households

For EOHLC’s revised deduction and expenses policies, EOHLC will consider exceptions to these policies on a case-by-case basis for families whose overall expenses (medical or child care) exceed \$5,000 and who can demonstrate a long-term hardship that will result from application of the policies to them. Families granted an exception may, at maximum, deduct expenses over the \$5,000 threshold. EOHLC may reevaluate and modify these amounts and policies periodically as needed.

Due to budgetary constraints, effective February 2025, EOHLC discontinued the \$5,000 exclusion of earned income for working families that had been approved and implemented in FY 2023. In addition, effective May 1, 2025, EOHLC discontinued its policy of excluding all earned income for a full-time student.

EOHLC previously proposed and HUD approved a rent formula where mixed status families would pay an additional 10% of TTP regardless of the number of family members without citizenship or eligible immigration status. EOHLC implemented this policy during the first half of FY 2024 but discontinued it later that year.

EOHLC may implement this previously approved provision in FY 2027:

- The income disregard for households with children who returned to the unit after completing two- or four-year post-secondary degree or accredited technical school programs.

Finally, in FY 2027 EOHLC will also review the current approved rent simplification activity and consider alternative models such as tiered rents or rents based on household size. Any such changes will be included in a subsequent MTW Plan Supplement or Annual Plan.

Planned Non-Significant Changes

EOHLC proposes to streamline its approach to the calculation of unreimbursed medical expenses by using a rate or rates to be determined by EOHLC, as opposed to the current method of using the prior year’s paid, unreimbursed medical expenses plus prospective medical insurance premiums. This will increase administrative efficiency and reduce the burden for participants.

EOHLC also proposes to modify which payment standard is applied during an interim recertification. The previously approved and implemented policy was to apply the payment standard used at the last regular recertification (with some exceptions). EOHLC proposes to instead apply the payment standard in effect on the effective date of the interim recertification, regardless of whether the payment standard has increased or decreased since the last recertification.

Planned Significant Changes

EOHLC proposes to waive 24 CFR 982.311(d)(1) where it allows an owner to “keep the housing assistance payment for the month when the family moves out of the unit.” Ending the housing assistance payment as of the day the family moves out of a unit will allow EOHLC to reduce redundant costs and achieve greater cost-effectiveness.

Activity 2018-1: Expanding Housing Opportunities: Relocation Assistance

Plan Year Approved, Implemented, Amended

Approved FY 2018 and implemented FY 2020.

Description/Update

HUD approved EOHLC's Expanding Housing Opportunities activity in FY 2018. Under this activity, EOHLC uses MTW funding flexibility to support a comprehensive redevelopment program that preserves existing state-aided low-income housing. Construction and long-term operating funding will be from state and private equity sources. MTW funds are primarily supporting rental subsidies, moving expenses, and start-up costs (e.g., security deposits, vacancy payments) associated with short-term housing for low-income households during construction. No MTW funds will be used to support construction. Relocation assistance under this activity is provided to eligible families at or below 80% of AMI.

EOHLC issued a request for proposals and awarded grants to two Local Housing Authorities (LHAs), Somerville Housing Authority (SHA) and Chelsea Housing Authority (CHA), for the preservation and redevelopment of public housing.

The Chelsea project (formerly known as Innes Apartments, now DUO) closed and broke ground in May of 2022, with relocation beginning that spring. Fourteen households were temporarily relocated to private, market-rate units and received MTW-funded rent subsidies. An additional 51 households temporarily relocated to other types of housing and did not require a rent subsidy but received MTW-funded assistance with moving costs and/or other relocation-related expenses.

Construction at DUO was completed in 2025. EOHLC will not provide assistance via this activity to any Chelsea households during FY 2027.

The Somerville project (Clarendon Hill) closed and broke ground during the first quarter of calendar year 2023. At completion, the project will deliver 216 deeply affordable replacement public housing units and 38 net-new affordable homes. Phase 1A, during which 72 public housing units were demolished and the property's new 168-unit Building E was constructed, was completed during calendar year 2025. EOHLC assisted 48 households with relocation expenses during this phase. Eleven households that were temporarily relocated to privately-owned units received MTW-funded rent subsidies.

Relocation in preparation for Phase 1B and Phase 2 of construction, during which all remaining existing buildings were vacated, began during the fourth quarter of FY 2024. Most of the impacted households moved directly into the new Building E.

In FY 2027, EOHLC expects to provide MTW-funded market-rate subsidies for 17 households, which includes 10 of the households that relocated off-site during Phase 1A.

Activity 2018-3: Vouchers for Special Populations

(Formerly Support for the Secure Jobs Initiative: Vouchers and Services)

Plan Year Approved, Implemented, Amended

- Secure Jobs Initiative: Approved FY 2018 and implemented FY 2019.
- Inclusion of other vulnerable populations: Approved and implemented FY 2024.

Description/Update

In FY 2018, HUD approved EOHLC's Support for the Secure Jobs Initiative: Vouchers and Services activity. Under this activity, EOHLC utilized MTW vouchers and MTW Block Grant funding flexibility to support and expand on the Secure Jobs Initiative (SJI), which provides integrated case management, employment supports, and housing assistance for homeless and low-income families.

EOHLC provided Housing Choice Vouchers to up to 50 eligible families referred from the SJI Program by the Department of Transitional Assistance. Supportive services were provided to participants using MTW Block Grant funds and referrals from SJI were made upon completion of training or job placement. EOHLC screened SJI referrals per its Administrative Plan screening policies, and income, rent, and subsidy were calculated per EOHLC's MTW income and rent policies. As of the end of FY 2023, 48 of the Secure Jobs vouchers were actively leased up. EOHLC does not anticipate that any new vouchers will be issued to Secure Jobs participants. As participants leave the program, EOHLC will reissue these vouchers as regular MTW program vouchers and they will no longer be allocated to a participant in the Secure Jobs Program.

In FY 2024, EOHLC received approval to expand this activity to allow vouchers to be set aside for other vulnerable populations in our communities. In response to unprecedented demand on the Massachusetts family shelter system, EOHLC set aside approximately 1,200 HCV and state-funded vouchers for families experiencing homelessness, with the exact voucher distribution depending on need and eligibility. A total of 748 HCV vouchers have been issued to families exiting EA shelter, and 734 (98%) of those families have leased up. Most of the remaining vouchers will likely be leased or expire in FY 2026, but some leasing activity may continue into FY 2027.

As the vulnerable populations contemplated in this activity face the same or similar challenges to households referred for HUD's Emergency Housing Voucher (EHV) program, in FY 2025, EOHLC requested a non-significant change to this activity to apply relevant programmatic waivers and alternative requirements set forth in section 9 of [PIH Notice 2021-15](#), the EHV operating requirements. EOHLC intended to apply flexibilities that are not already covered in other approved MTW activities, namely regarding denial of assistance (9(g)), income verification (9(h) and 9(k)), and Social Security and citizenship verification (9(i)). HUD approved this change.

Activity 2018-7: Enhanced Local Project-Based Voucher Program

Plan Year Approved, Implemented, Amended

- Enhanced Local PBV: Approved and implemented FY 2018.
- PBV Site-Based Waiting Lists: Approved FY 2010 and implemented FY 2013.

Description/Update

Through its Enhanced Local Project-Based Voucher (PBV) Program, EOHLC partners with for-profit and non-profit housing providers to expand the supply of affordable housing to low-income families. To meet the evolving needs of the Agency and the residents served, EOHLC enhanced and expanded its existing PBV program as follows:

- EOHLC authorized owners/managers of PBV developments to be responsible for all PBV waiting list intake and management functions for their developments. Applicants contact the owner/manager of a specific development in order to file an application. Applicant files and the waiting list itself are maintained at the development site. Owners/managers are responsible for contacting and screening applicants who come to the top of the waiting list, collecting all needed information from the applicant, and then forwarding the applicant to the RAA for eligibility determination and processing.
- Increase the 20% cap on PBV units in EOHLC's portfolio. EOHLC will use 40% as the cap for budget authority allocated to Project-Based Vouchers.
- Project base up to 100% of the dwelling units in any PBV project or building.
- Both initial and re-determined PBV rent to owner will not exceed the lowest of the following:
 - The reasonable rent;
 - The rent requested by the owner; or,
 - Such other amount determined by EOHLC to be appropriate for the unit, based upon the nature of the unit and the RFP from which the owner was selected. For example, in certain cases, EOHLC believes a shallower or higher subsidy may be more appropriate.
- Waive the option that allows PBV participant families to move with a tenant-based voucher after one year of assistance in a project-based unit, which has not yet been implemented.

EOHLC will retain its existing MTW policy and continue to allow project-based participant requests for tenant-based vouchers with threshold caps for each RAA. In a prior plan year, EOHLC received approval to discontinue providing tenant-based vouchers to project-based participants; however, EOHLC may choose not to implement this portion of the approved activity.

EOHLC's PBVs are allocated through the state's competitive rental round and in concert with the award of Low Income Housing Tax Credits. Proposal rounds are fluid and occur at different times throughout the year with the related funding announcement made upon award. Given that EOHLC's MTW Plan is due to

HUD prior to the award of FY 2027 PBV funding, EOHLC cannot identify which projects will be awarded PBVs at this time. Further, of the awards made, EOHLC cannot determine at this time which proposals will pass all screening thresholds and enter into AHAP or HAP contracts. EOHLC will report on all projects and PBVs committed, issued, or leased in FY 2027 in the FY 2027 Annual Report.

Activity 2018-9: Affordable Housing Preservation and Development Fund

Plan Year Approved, Implemented, Amended

Approved and implemented FY 2018.

Description/Update

HUD approved and EOHLIC implemented the Affordable Housing Preservation and Development Fund (AHPDF) activity in FY 2018. For this activity, EOHLIC uses MTW Block Grant funds to support the development and preservation of affordable rental housing units. AHPDF funds provide loans or grants for eligible projects to leverage state-aided public housing capital resources, private equity, privately raised debt, tax credits, proceeds from land and property disposition, and other applicable local and federal resources in an effort to preserve and modernize units serving low-income households while advancing opportunities for net-new housing production.

AHPDF funds support the development and preservation of rental units targeted for households earning less than 80% of Area Median Income. EOHLIC requires deed restrictions or other legally-binding covenants to ensure long-term affordability in conformance with HUD Notice PIH 2011-45 and/or other applicable HUD guidance. Projects receiving AHPDF loans have a minimum affordability term of 30 years unless otherwise approved by HUD. Units must meet HQS or subsequently implemented HUD inspection standards throughout the term.

EOHLIC has used MTW funds for several different affordable housing preservation and development initiatives under this activity, detailed below.

- **Modernization to Independence (MTI):** EOHLIC used MTW funds to support the Modernization to Independence (MTI) initiative. The purpose of MTI was to rehabilitate existing state public housing developments, provided that the rehabilitated development would include the same number of state public housing units as before (serving households of comparable sizes and income levels) and would not require any state public housing capital or operating subsidies following completion of rehabilitation. MTI preserved the units while allowing EOHLIC to redirect its state capital and operating subsidies to better support the balance of the state portfolio. Two projects, one at Boston Housing Authority and one at Cambridge Housing Authority, received MTW funding totaling approximately \$5.2 million as part of this initiative.
- **Modernizing Public Housing And Supporting Elders (ModPHASE):** EOHLIC used MTW funds for the preservation and development of affordable housing for low-income elderly and disabled households through an initiative called Modernizing Public Housing And Supporting Elders (ModPHASE). Working in partnership with the Executive Office of Elder Affairs, EOHLIC provided financial support to preserve Chapter 667 state public housing developments with high capital needs and to facilitate partnerships between LHAs and local service agencies to provide service-rich environments that allow residents to age in their community. EOHLIC used approximately \$3.2 million of MTW funding to support housing preservation at two projects, Lowell Housing Authority's Lakeview Avenue Apartments and Beverly Housing Authority's Balch Apartments.

- **Scattered Site Consolidation:** The 705 Scattered Site program is a state-funded family public housing program that aims to provide housing for low-income families in neighborhoods throughout the state. Housing authorities across the state have difficulty maintaining scattered site family units in older one- to three-family homes. Concentrating these scattered sites into small (10-20 unit) developments with modern construction will preserve the benefits of having small developments integrated into the community while giving residents access to better-maintained, modern homes with accessible and sustainable features. Replacement housing developments will be funded by MTW funds, proceeds from disposition, and local funds. The deadline for applications was in June of 2023. EOHLC received seven applications and awarded funding to Boston Housing Authority, Bridgewater Housing Authority, Haverhill Housing Authority, and Stoughton Housing Authority. In FY 2025, EOHLC shifted funding for the Bridgewater, Haverhill, and Stoughton projects to state capital due to budgetary constraints. Boston Housing Authority has fully expended its MTW award.
- **Repositioning State Funded Public Housing:** MTW funding is being used to rehabilitate or redevelop public housing units owned by LHAs to HQS or higher standards. Following rehabilitation, these units will be accepted into the HUD public housing portfolio using available Faircloth authority. This may involve a Faircloth-to-RAD transaction at the PHA’s discretion. The rolling application process for this activity ended on June 30, 2024. EOHLC awarded funding to the Worcester Housing Authority under this initiative in FY 2023 and to Medford Housing Authority in FY 2024. In FY 2025, due to budget constraints, EOHLC opted to withdraw the MTW funding from the Medford project and instead use state capital funding for the award. The Worcester Housing Authority project’s MTW award is fully expended.
- **Recapitalizing Multifamily Developments:** EOHLC earmarked approximately \$1 million in MTW funds to support the long-term preservation of one Section 8 New Construction/Substantial Rehab property with a total of up to 10 units. Funds were intended to be used to conduct capital needs assessments and undertake moderate to substantial rehabilitation for properties with poor capital condition, low reserves, and little ability to increase Housing Choice Voucher rents. Contract administration for these properties is being transferred by HUD from EOHLC to MassHousing. The deadline for applications was in February 2023; one application was received with EOHLC making a \$1 million award to Barre Housing Authority. In FY 2025, with the project in the design phase, EOHLC rescinded the MTW award due to budgetary constraints and instead allocated state funding for the work.
- **Gap Financing Initiative:** In its FY 2024 Plan, EOHLC proposed a Non-Significant Change to the AHPDF activity to make funding available for the redevelopment or modernization of public housing and production of new affordable housing through its “Gap Financing Initiative.” MTW funds would support state public housing redevelopment projects alongside tax credits, EOHLC capital subsidy, and other funding sources. The intent was to fund projects that had a cost premium over other affordable housing production and preservation projects due to prevailing wage requirements, relocation needs, and/or demolition and abatement costs.

EOHLC set aside up to \$15 million in MTW funding for the FY 2024 funding round and published a NOFA in October of 2023 with pre-applications due in November. This NOFA included both MTW funding and Public Housing capital funds. EOHLC received eight proposals in total and invited three housing authorities to submit Round 2 applications, due in February of 2024.

After careful consideration of spending needs, reserve fund projections, and availability of other Public Housing funding, EOHLC has opted not to make funding awards through this initiative.

The following projects have been funded under EOHLC’s **Modernization to Independence** initiative and are now complete.

Housing Authority	Description	Award Amount
Boston Housing Authority	MTW funding helped preserve 72 units at Camden Apartments. Work included renovations to the fire alarm system, kitchens, and bathrooms, accessibility and common area upgrades, and the installation of new, energy-efficient mechanical systems. Construction was substantially completed in FY 2021.	MTW: \$4,070,000, which leveraged ~\$25,000,000
Cambridge Housing Authority	MTW funding was used to substantially rehab 25 units at three state-aided public housing sites for disabled individuals. Construction was completed in FY 2022.	MTW: \$1,129,000, which leveraged ~\$422,000
Total Modernization to Independence Awards		\$5,199,000

The following **ModPHASE** projects were funded through the AHPDF. Construction was completed on both during FY 2024.

Housing Authority	Description	Award Amount
Beverly Housing Authority	Building envelope improvements, door replacements, kitchen and bathroom upgrades, electrical distribution, and site and walkway improvements were completed at Balch Apartments (25 units assisted). Construction began in June of 2022 and finished in April 2024.	MTW: \$1,987,034, which leveraged ~\$1,000,000

Lowell Housing Authority	Funds were used to modernize kitchens and bathrooms and complete fire safety, electrical, and accessibility improvements for 21 units at Lakeview Avenue. Construction began in May of 2022 and was completed in December 2023.	MTW: \$1,252,489, which leveraged ~\$2,000,000
Total ModPHASE Awards		\$3,239,523

The following project was awarded funding under the **Scattered Site Consolidation** portion of the AHPDF activity.

Housing Authority	Description	Award Amount
Boston Housing Authority	Disposition of 25 units of scattered-site housing; construction of 25 replacement units at Anne M. Lynch Homes at Old Colony as part of 89-unit affordable housing development. MTW funds were fully expended during FY 2025. Construction was completed in FY 2026. All MTW-supported units were expected to be leased for FY 2027.	\$8,750,000
Total Scattered Site Consolidation Awards		\$8,750,000

The following project was awarded funding under the **Repositioning State Funded Public Housing** portion of the AHPDF activity.

Housing Authority	Description	Award Amount
Worcester Housing Authority	MTW award supported the rehabilitation and federalization of 29 state-aided units at Curtis Apartments; 129 units in total project, including 90 replacement units. The entire award was expended during FY 2025. Construction on the MTW-supported units was completed in FY 2026, with all expected to be leased up during FY 2027.	\$2,175,000
Total Repositioning State Funded Public Housing Awards		\$2,175,000

Activity 2021-1: Fair Housing Initiative

Plan Year Approved, Implemented, Amended

Approved and implemented FY 2021.

Description/Update

The Fair Housing Act prohibits discrimination in the sale, rental, and financing of housing. EOHLC regularly hears from its voucher holders and others about limited access to housing opportunities.

EOHLC will award MTW Block Grant funding to a selected non-profit agency or agencies to address those issues. Additionally, the funding will be used to develop best practices and education for low-income households and owners regarding fair housing including but not limited to advertising and outreach, as well as seminars on protected classes, fair housing rights and responsibilities, reasonable accommodations, and language assistance. The clients served under this activity may include families with housing assistance vouchers outside of the participants in EOHLC's Housing Choice Voucher Program.

In FY 2022, using a competitive bid process, EOHLC selected a partnership (the Fair Housing Alliance of Massachusetts, or "FHAM") made up of four fair housing agencies throughout the state, all of whom, prior to EOHLC's selection, already provided fair housing training, education, and outreach services. Funding and services are focused on limited access to housing opportunities for voucher holders and/or families with children under the age of 6 in housing containing lead paint.

The original three-year contract with FHAM (which totaled \$1.6 million) ended on December 31, 2024. EOHLC signed a new contract with FHAM (effective January 1, 2025) to continue their work. The contract is for an initial 2-year term with options to renew. EOHLC plans to utilize approximately \$500,000 per calendar year for this initiative, if funding allows.

Activity 2021-2: Emergency Waivers

Plan Year Approved, Implemented, Amended

Approved and implemented FY 2021.

Description/Update

The economic impacts of the COVID-19 pandemic on households, businesses, and financial markets were profound. COVID-19 also placed additional burdens on housing authorities which worked tirelessly to respond to the needs of their participants while also maintaining compliance with program requirements. In response to the COVID-19 pandemic, EOHLC established an emergency waivers activity which addresses the burdens placed on all stakeholders and includes the following emergency waivers in response to economic and/or health-related emergencies and/or natural disasters, as declared by the Governor or his/her designee, including the authority to determine when to place and lift the waivers. EOHLC may revise, add, and/or remove waivers as needed to address emergency-related conditions.

1. **Delayed Reexaminations:** EOHLC may waive the requirement to conduct a reexamination of family income and composition at least annually. Currently EOHLC completes reexaminations on a biennial basis for HCV program households and on a triennial basis for HCV elderly/disabled households on fixed incomes. Where reexaminations have been delayed due to a declared emergency, EOHLC will complete the reexamination no later than the anniversary month of the year following the close of the emergency declaration. The subsequent reexamination will be scheduled on the same anniversary month using the applicable reexam frequency for the family. For example, if a biennial reexam was due on July 2020, EOHLC would complete the reexam within one year following the close of the emergency declaration. The next scheduled biennial reexam would be effective 2 years following the effective date of the first recertification after the close of the emergency declaration.
2. **Verification of Income:** During periods of declared emergencies, EOHLC will waive the requirements of the verification hierarchy but continue to use EIV.
3. **Increase in Payment Standard:** EOHLC will waive the requirement to apply the increased payment standard back to the regular effective date for delayed regular reexaminations. Instead, during periods of declared emergencies, EOHLC will apply the increased payment standard at the next interim reexamination after the effective date of the increased payment standard. If EOHLC delays a reexam, EOHLC will apply the payment standard in effect on the effective date of the delayed regular reexamination.
4. **Delayed Regular HQS Inspections:** EOHLC may waive the requirement for completion of regular HQS inspections at least biennially. Where a regular HQS inspection has been delayed, EOHLC will complete the HQS inspection no later than the anniversary month of the year following the close of the emergency declaration. The next HQS inspection will be scheduled on the same anniversary month using the applicable inspection frequency for the unit. For example, if an HQS inspection was due by July 2020, EOHLC would complete the inspection within one year following the close of the emergency declaration. EOHLC will continue to request a self-certification from the owner

that no life-threatening conditions exist in the unit as of the originally-intended inspection date. Additionally, EOHLC will continue to conduct complaint inspections.

5. **Interim HQS Inspections:** EOHLC may waive the requirement to conduct re-inspections to confirm repair; however, EOHLC will require that the owner self-certify and provide documentation that a life-threatening deficiency has been corrected within 24 hours of notification and that a non-life-threatening deficiency has been corrected within 30 days of EOHLC notification.
6. **HQS QC Inspections:** EOHLC will waive the requirement to conduct HQS quality control inspections and instead may suspend HQS quality control inspections until the emergency waiver has been lifted.
7. **FSS Contract of Participation:** EOHLC will waive the requirement regarding the maximum extension of an FSS Contract of Participation (COP). During periods of declared emergency, EOHLC may extend a family's COP, using the declared emergency as good cause of the need for extension. For households who were already in the two-year extension period when the emergency was declared, EOHLC may extend their COP beyond the two-year extension threshold.

The Governor of Massachusetts lifted the COVID-19-related state of emergency on June 15, 2021. Accordingly, EOHLC discontinued application of these emergency waivers and addressed completion of any outstanding recertifications and inspections. The Emergency Waivers activity will be reactivated when and if economic and/or health related emergencies are declared in FY 2027 and beyond.

Activity 2024-1: Program Efficiencies

(formerly Alternative Verification Methods)

Plan Year Approved, Implemented, Amended

Approved FY 2024 and implemented FY 2024.

Description/Update

In FY 2024, EOHLC received approval to utilize an alternative, streamlined method to verify household member income for program applicants and participants. The goal of these alternative verification methods is to streamline program administration and reduce administrative burdens to benefit both clients and the agency. Outlined below are the approved verification changes.

- Extend the time that verification documents are valid. Under existing program requirements, verification documents are acceptable only if they are dated within 60 days from the date of request. The following changes are proposed:
 - Applicants: Verifications may not be dated more than 120 days from the date of voucher issuance.
 - Participants: Verifications for reexaminations may not be dated more than 120 days from the effective date of the transaction.
 - Fixed Sources of Income: Verification documents for fixed income sources such as Social Security, Social Security Disability Insurance (SSDI), and pension income will be valid for the full calendar year in which the income is effective. For example, if a Social Security or SSDI benefit letter is dated February 1, 2023, that benefit letter will be valid for any certification with an effective date in 2023.
- Increase the threshold for when it is mandatory to obtain additional verification documentation when there is a substantial difference in reported income. EOHLC will increase the discrepancy threshold to \$5,000. EOHLC and its designees will continue to identify income discrepancies and take action to process discrepancies which may result in interim or annual correction actions; however, the threshold for the discrepancy will be set at \$5,000.
- Revise the HUD Verification Hierarchy: Under the existing HUD Income Verification Hierarchy, EOHLC is required to request and document attempts to obtain written third-party verification forms and oral verification prior to relying on a participant self-certification. EOHLC's modified Income Verification Hierarchy will allow EOHLC and its designees to rely on any of the third-party verification methods before accepting self-certification. This process will streamline the verification process and allow EOHLC and its designees to repurpose staff time on tasks outside of verification.

EOHLC implemented a new hierarchy of verification in January 2025, which aligns with the rollout of HOTMA changes and EOHLC's updated Administrative Plan. The goal of this activity is to reduce the administrative burden on both staff and participants.

Level	Verification Technique	Ranking
4	Upfront Income Verification using HUD's EIV and IVT	Highest (Mandatory)
3	Upfront Income Verification using non-HUD system	Highest (Optional)
2	Written Third-Party Verification; Written Third-Party Verification Form; or Oral Third-Party Verification	High (Mandatory) <ul style="list-style-type: none"> ▪ Supplements EIV and UIV ▪ Also used for: <ul style="list-style-type: none"> ○ Non-EIV/UIV reported income sources ○ Disputes of EIV reported information
1	Self-Certification	High (Optional) <ul style="list-style-type: none"> ▪ To supplement EIV when EIV reported sources do not contain verification of the full retrospective period where applicable; or ▪ When participant cannot produce written third-party verification documents.

No significant changes are planned.

Activity 2024-2: Income Eligibility

Plan Year Approved, Implemented, Amended

Approved and implemented FY 2024.

Description/Update

Income limits as established by HUD for program eligibility vary by location. As per 24 CFR 982.201(b)(4), the applicable income limit for issuance of a voucher **when the family is selected** for the program is the **highest** income limit (for the family size) for areas in the PHA jurisdiction. The applicable income limit for **admission** to the program is the income limit for the area where the family is **initially assisted** in the program.

Because EOHLC administers vouchers through a statewide network of RAAs and because EOHLC's jurisdiction includes the entire state of Massachusetts, assisted households may utilize their voucher anywhere in the state without needing to exercise portability. Income limits may vary in different regions of Massachusetts, and thus a household that is deemed eligible at issuance (using the highest income limit for the entire Massachusetts jurisdiction) may be ineligible for admission in the community in which they already reside or in a nearby community (even one that may be covered by the same RAA).

Thus, under this activity, EOHLC proposed (and was approved) to waive the second component of 24 CFR 982.201(b)(4) requiring that the household be income eligible in the area in which the household will be initially assisted. Instead, EOHLC will apply the PHA jurisdiction's highest income limit (for the family size) not only at the issuance of a voucher but also at the time of admission to the program. This will reduce administrative burden on EOHLC and RAA staff as well as program participants. Even more importantly, it will also result in additional housing choice for participants, as the two-tiered policy of 24 CFR 982.201(b)(4) may be more relevant in the case of portability or a wider geographical jurisdiction, but internally in Massachusetts, it has the unintended, and contrary, consequence of limiting housing choice across the state but even in participant's own immediate communities.¹

Note: The standard provisions of 24 CFR 982.201(b)(4) will still apply to households who exercise portability outside of EOHLC's jurisdiction and/or to another PHA. Additionally, EOHLC will continue to ensure that at least 75 percent of assisted households are "very low-income," that substantially the same number of low-income persons are assisted under the demonstration as would be without the MTW authorizations, and that a comparable mix of families are assisted under the Agreement as would have been otherwise.

These changes were implemented as of January 1, 2025, in conjunction with the rollout of EOHLC's updated Administrative Plan.

¹ One example EOHLC has observed is a family residing in Brockton whose income is within the jurisdiction's highest income limit (Boston) but is higher than the Brockton income limit, and thus they are able to receive a voucher but are then unable to lease in their own community.

Table 10: Closed-Out MTW Activities

Activity	Plan Year Approved	Plan Year Implemented	Close Out Year	Reason for Close Out
Biennial Inspections (Activity 2011-3)	FY 2011	FY 2013	FY 2015	EOHLC closed out this activity as an MTW initiative due to the 2014 Appropriations Act, which allows EOHLC to transition to a biennial inspection schedule without MTW authority.
Project Based Voucher Discretionary Moves (Activity 2012-3)	FY 2012	FY 2012	FY 2018	EOHLC proposed and received HUD approval for a new Local Project-Based Voucher Program, which includes revisions to the PBV opt out policy.
Rent Reasonableness (Activity 2013-1)	FY 2013	FY 2013	FY 2018 Note: The FY 2019 Plan included this activity; however, prior to the end of FY 2018 (after the FY 2019 Plan was submitted) EOHLC closed this activity.	Under HOTMA, the trigger for reasonable rent redeterminations increased from a 5% decrease to a 10% decrease in FMR from one year to the next. EOHLC determined that a 10% decrease in FMR was such that a reasonable rent redetermination would be warranted to ensure that subsidies paid are in line with market rents.

Activity	Plan Year Approved	Plan Year Implemented	Close Out Year	Reason for Close Out
PBV Rent Reasonableness (Activity 2013-2)	FY 2013	FY 2013	FY 2019	EOHLC closed out this activity and consolidated it with the approved Enhanced PBV Program activity (Activity 2018-7). This action will allow EOHLC to report on all Enhanced PB activity features under one activity.
Equity Builder Program (Activity 2018-8)	FY 2018	Never Implemented	FY 2020	After discussions with for-profit and non-profit owners, EOHLC determined this activity was not financially feasible. Owners relayed lack of interest in pursuing the program and a lack of financial benefits. As the success of the program is dependent on owners providing LTO units, EOHLC decided to close the activity out.
Health Starts at Home (Activity 2018-6)	FY 2018	FY 2018	FY 2020	The Health Starts at Home (HSH) activity was a planned three-year initiative implemented in FY 2018; the study has ended. HSH households are permitted to retain their voucher; however, EOHLC no longer issues new HSH vouchers.
Owner Incentive Fund (Activity 2010-3)	FY 2010	FY 2010	FY 2024	EOHLC decided to close out this activity due to decreasing demand and the very small number of units being upgraded each year.
Value Vouchers (Activity 2011-1)	FY 2011	Never Implemented	FY 2024	EOHLC never implemented this activity and ultimately decided to close it out due to questions about owner interest and the impact of layering subsidies.
Residential Assistance for Families in Transition (RAFT) / Emergency Rental and Mortgage Assistance (ERMA) (Activity 2018-3)	FY 2018	FY 2018 (amended in FY 2020)	FY 2024	Additional, more flexible federal and state resources became available for emergency rental and mortgage assistance in Massachusetts.

Activity	Plan Year Approved	Plan Year Implemented	Close Out Year	Reason for Close Out
Support for the Secure Jobs Initiative: Services Only (Activity 2018-4)	FY 2018	FY 2019	FY 2024	Additional funding has been made available in the state budget to support this program.
Launch (Activity 2019-1)	FY 2019	FY 2019	FY 2024	EOHLC decided to close this activity because it did not quite fit with EOHLC's MTW strategic priorities (including replicability statewide).
A Better Life Program Model (Activity 2018-5)	FY 2018	FY 2018	FY 2025	EOHLC closed out this activity when the initial pilot ended because the work/participation requirements proved difficult to monitor and enforce.
Moving to College (Activity 2020-1)	FY 2020	FY 2022	FY 2025	The needs of the students served by this program ultimately required more flexibility than MTW funding could provide.
Housing Navigator Initiative (Activity 2023-1)	FY 2023	FY 2023	FY 2026	Housing Navigator's three-year contract concluded at the end of 2025. Due to budgetary constraints, EOHLC could not continue funding this initiative.

V. Planned Application of MTW Funds

A. Planned Application of MTW Funds

EOHLC operates an MTW Program that involves only Housing Choice Vouchers. The tables below provide a projection of sources and uses for the MTW Program for FY 2027. Note that no state or local funds are utilized. Note also that HCV funding is allocated on a calendar year (CY) basis. As of the posting of this Plan, EOHLC has not been notified of total renewal funding for the CY; thus, the amounts listed below may change based on actual funding levels.

i. Estimated Sources of MTW Funds

Table 11: Estimated Sources of MTW Funding for FY 2027

FDS Line Item Number	FDS Line Item Name	Dollar Amount
70500 (70300+70400)	Total Tenant Revenue	\$0

iii. Description of Planned Application of MTW Funding Flexibility

Under the MTW Program, EOHLIC is authorized to establish an MTW Block Grant budget. Activities that utilize Block Grant single fund flexibility are described below:

- EOHLIC may use Single Fund Flexibility to fund housing specialist positions to expedite issuance, inspection, and leasing processes for special populations or voucher holders participating in specific EOHLIC programs (e.g., Emergency Housing Vouchers, SNO Mass). EOHLIC anticipates that, if adopted, approximately \$950,000 will be spent to fund the staffing positions and provide housing-related services.
- Other supportive services: EOHLIC will use approximately \$1.2 million in Single Fund Flexibility to support services for FSS participants in the Metro Boston region, staffing expenses for EOHLIC’s innovative FSS Homeownership Initiative, and supplemental funding to augment the HUD FSS Coordinator funding.

C. Rental Assistance Demonstration (RAD) Participation

i. Description of the RAD Participation

As EOHLC does not own or operate any federal public housing units, only Second Component RAD conversions are undertaken. EOHLC understands the relevance and inherent housing preservation and

expansion benefits related to the conversion of Rent Supplement, Rental Assistance Payments, and Mod/Rehab Program units to project-based assistance under the RAD Program. Table 13 below indicates that EOHLC does not anticipate any RAD Component 2 conversions in FY 2027.

Table 14 includes those developments that EOHLC has converted through the RAD Program. EOHLC entered into HAP contracts for RAD conversions beginning in FY 2013. To date, there have been 882 units converted under RAD Component 2 to Project Based Assistance.

Table 13: RAD Conversions Planned in FY 2027

Rental Assistance Demonstration (RAD) Participation
EOHLC does not currently have information to report on any planned RAD conversions to take place in FY 2027; however, if any occur during FY 2027 then EOHLC will include this information in its FY 2027 MTW Report.

Table 14: RAD Conversions Completed or Projected to be Completed by the End of FY 2027

VI. Administrative

A. Board Resolution and Certifications of Compliance

EOHLC does not have a Board of Commissioners and, therefore, does not have a Board resolution process in place. EOHLC's Director of the Division of Rental Assistance is the official authorized to sign the attached Certifications of Compliance. The required signed MTW Annual Plan Certifications of Compliance with Regulations is attached in Appendix B.

B. Documentation of Public Process

EOHLC provided public notice of the draft Annual Plan. The public comment period was held from February 23, 2026, through March 25, 2026. The plan was made available on EOHLC's website and was mailed upon request. A public hearing was conducted virtually via Zoom on March 14, 2026, with X individuals participating. Copies of the public notice, a summary of comments and responses, and listing of hearing attendants are attached in Appendix C.

C. Planned and Ongoing Evaluations

There are currently no formal evaluations planned for FY 2027.

D. Lobbying Disclosures

EOHLC does not have any lobbying activities to disclose. EOHLC has included the Lobbying Activities (SF-LLL) form in Appendix D and Certification of Payments (HUD-50071) form in Appendix E.
