RE: Fiscal Year 2024 State 911 Department Regional Public Safety Answering Point and
Regional Secondary Public Safety Answering Point and Regional Emergency
Communications Center Development Grant

Dear Mr. Mangiaratti:

Thank you very much for applying to participate in the Fiscal Year 2024 State 911 Department Regional Public Safety Answering Point and Regional Secondary Public Safety Answering Point and Regional Emergency Communications Center Development Grant ("Development Grant") Program.

Funding for the Development Grant Program is competitive and is awarded on the basis of grant guidelines that are set forth in the Development Grant application package.

The Executive Office of Public Safety and Security and the State 911 Department ("Department") are very pleased to inform you that the Town of Acton has been awarded a grant in the amount of \$50,000 for project management services. This funding coupled with active awards from fiscal years 2022 and 2023, brings the Department's support and commitment for this project to \$1,723,403.

Please note that the use of all grant funding shall be consistent with the Development Grant Guidelines, shall be associated with the provision of enhanced 911 service, and shall be approved by the Department.

A copy of the executed contract is attached for your reference. Please note that the contract start date is July 7, 2023 and will run through June 30, 2024. The request for payment/disbursement

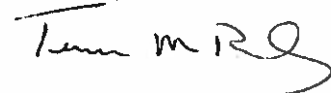

forms, along with the required quarterly reporting forms, are available on our website at www.mass.gov/e911. For any questions related to this process, please contact Angela Pilling, Fiscal Specialist, at (508) 821-7305.

You will be contacted shortly to attend a kick-off meeting that will address Development Grant funding, processes, and requirements.

If you have any questions regarding this award, please contact State 911 Department Executive Director Frank Pozniak or State 911 Department Finance Director Karen Robitaille at (508) 828-2911.

Congratulations and thank you very much for your continued efforts in finding creative ways to most effectively improve public safety within the Commonwealth.

Sincerely,

A handwritten signature in blue ink, appearing to read "Terrence M. Reidy".

RE: Fiscal Year 2024 State 911 Department Regional Public Safety Answering Point and
Regional Secondary Public Safety Answering Point and Regional Emergency
Communications Center Development Grant

Dear Chief Gill:

Thank you very much for applying to participate in the Fiscal Year 2024 State 911 Department Regional Public Safety Answering Point and Regional Secondary Public Safety Answering Point and Regional Emergency Communications Center Development Grant ("Development Grant") Program.

Funding for the Development Grant Program is competitive and is awarded on the basis of grant guidelines that are set forth in the Development Grant application package.

The Executive Office of Public Safety and Security and the State 911 Department ("Department") are very pleased to inform you that the Town of Ayer has been awarded a grant for the Ayer-Shirley Regional Emergency Communications Center in the amount of \$70,040 for equipment, specifically for priorities one and three through six, inclusive. No funding is awarded for software assurance.

Please note that the use of all grant funding shall be consistent with the Development Grant Guidelines, shall be associated with the provision of enhanced 911 service, and shall be approved by the Department.

A copy of the executed contract is attached for your reference. Please note that the contract start date is July 7, 2023 and will run through June 30, 2024. The request for payment/disbursement forms, along with the required quarterly reporting forms, are available on our website at

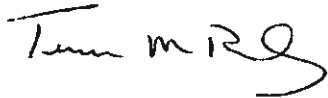

www.mass.gov/e911. For any questions related to this process, please contact Angela Pilling, Fiscal Specialist, at (508) 821-7305.

Communications Center Development Grant

Dear Sheriff Buckley:

Thank you very much for applying to participate in the Fiscal Year 2024 State 911 Department Regional Public Safety Answering Point and Regional Secondary Public Safety Answering Point and Regional Emergency Communications Center Development Grant ("Development Grant") Program.

Funding for the Development Grant Program is competitive and is awarded on the basis of grant guidelines that are set forth in the Development Grant application package.

The Executive Office of Public Safety and Security and the State 911 Department ("Department") are very pleased to inform you that the Barnstable County Sheriff's Office has been awarded a grant in the amount of \$930,495 for equipment, specifically for CAD replacement.

Please note that the use of all grant funding shall be consistent with the Development Grant Guidelines, shall be associated with the provision of enhanced 911 service, and shall be approved by the Department.

Attached please find the ISA requiring your signature. Please sign and date this agreement and return it to the Department at the address above. Once received, we will execute the agreement and provide you with a copy. The contract start date will be noted on the executed ISA and will run through June 30, 2024. The request for payment/disbursement forms, along with the required

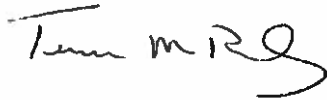

quarterly reporting forms, are available on our website at www.mass.gov/e911. For any questions related to this process, please contact Angela Pilling, Fiscal Specialist, at (508) 821-7305.

RE: Fiscal Year 2024 State 911 Department Regional Public Safety Answering Point and
Regional Secondary Public Safety Answering Point and Regional Emergency
Communications Center Development Grant

Dear Chief Sonnabend:

Thank you very much for applying to participate in the Fiscal Year 2024 State 911 Department Regional Public Safety Answering Point and Regional Secondary Public Safety Answering Point and Regional Emergency Communications Center Development Grant ("Development Grant") Program.

Funding for the Development Grant Program is competitive and is awarded on the basis of grant guidelines that are set forth in the Development Grant application package.

The Executive Office of Public Safety and Security and the State 911 Department ("Department") are very pleased to inform you that the Town of Barnstable has been awarded a grant in the amount of \$373,090 for architectural services for the creation of a Regional Emergency Communications Center (RECC) in the Town of Barnstable.

In compliance with grant guidelines, prior to receiving grant funds under this award for category E Architectural and Engineering Services, the Town of Barnstable shall be required to submit an IMA consistent with Massachusetts law, executed by at least two (2) municipalities that are participating in the development of the facility, and that binds such municipalities to participate in the development of the facility.

Please note that the use of all grant funding shall be consistent with the Development Grant Guidelines, shall be associated with the provision of enhanced 911 service, and shall be approved by the Department.

A copy of the executed contract is attached for your reference. Please note that the contract start date is July 7, 2023 and will run through June 30, 2024. The request for payment/disbursement forms, along with the required quarterly reporting forms, are available on our website at www.mass.gov/e911. Communications Center Development Grant

Dear Director Gentile:

Thank you very much for applying to participate in the Fiscal Year 2024 State 911 Department Regional Public Safety Answering Point and Regional Secondary Public Safety Answering Point and Regional Emergency Communications Center Development Grant ("Development Grant") Program.

Funding for the Development Grant Program is competitive and is awarded on the basis of grant guidelines that are set forth in the Development Grant application package.

The Executive Office of Public Safety and Security and the State 911 Department ("Department") are very pleased to inform you that the Town of Wilbraham has been awarded a grant for the Wilbraham Regional Emergency Communications Center in the amount of \$283,623 for transition expenses for the Director's salary (\$82,200), and a transition award for the Town of Hampden (\$125,000); and equipment (\$76,423), specifically priority three.

Please note that the use of all grant funding shall be consistent with the Development Grant Guidelines, shall be associated with the provision of enhanced 911 service, and shall be approved by the Department.

A copy of the executed contract is attached for your reference. Please note that the contract start date is July 7, 2023 and will run through June 30, 2024. The request for payment/disbursement forms, along with the required quarterly reporting forms, are available on our website at

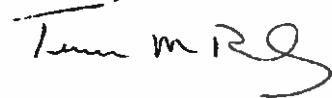

www.mass.gov/e911. For any questions related to this process, please contact Angela Pilling, Fiscal Specialist, at (508) 821-7305.

You will be contacted shortly to attend a kick-off meeting that will address Development Grant funding, processes, and requirements.

If you have any questions regarding this award, please contact State 911 Department Executive Director Frank Pozniak or State 911 Department Finance Director Karen Robitaille at (508) 828-2911.

Congratulations and thank you very much for your continued efforts in finding creative ways to most effectively improve public safety within the Commonwealth.

Sincerely,
