Dear Chief Gill:

Thank you very much for applying to participate in the Fiscal Year 2026 State 911 Department Regional Public Safety Answering Point and Regional Secondary Public Safety Answering Point and Regional Emergency Communications Center Development Grant ("Development Grant") Program.

Funding for the Development Grant Program is competitive and is awarded on the basis of grant guidelines that are set forth in the Development Grant application package.

The Executive Office of Public Safety and Security and the State 911 Department ("Department") are very pleased to inform you that the Town of Ayer has been awarded a grant for the Ayer-Shirley Regional Emergency Communications Center in the amount of \$174,652 for equipment, specifically for priorities one through three inclusive. No funding is awarded for maintenance/warranty/licenses/subscriptions.

Please note that the use of all grant funding shall be consistent with the Development Grant Guidelines, shall be associated with the provision of enhanced 911 service, and shall be approved by the Department.

A copy of the executed contract is attached for your reference. Please note that the contract start date is July 1, 2025 and will run through June 30, 2026. The request for payment/disbursement forms, along with the required quarterly reporting forms, are available on our website at

**RE: Fiscal Year 2026 State 911 Department Regional Public Safety Answering Point and  
Regional Secondary Public Safety Answering Point and Regional Emergency  
Communications Center Development Grant**

Dear Mayor Macksey:

Thank you very much for applying to participate in the Fiscal Year 2026 State 911 Department Regional Public Safety Answering Point and Regional Secondary Public Safety Answering Point and Regional Emergency Communications Center Development Grant ("Development Grant") Program.

Funding for the Development Grant Program is competitive and is awarded on the basis of grant guidelines that are set forth in the Development Grant application package.

The Executive Office of Public Safety and Security and the State 911 Department ("Department") are very pleased to inform you that the City of North Adams has been awarded a grant for the North Adams Regional Emergency Communications Center in the amount of \$409,420 for equipment (\$398,315), specifically radio infrastructure at the hospital site, Avtec portable consoles and mobile radios for police and fire, and ancillary expenses (\$11,105) for licenses associated with the Avtec portable consoles. No funding is awarded for maintenance, warranties or support agreements.

Please note that the use of all grant funding shall be consistent with the Development Grant Guidelines, shall be associated with the provision of enhanced 911 service, and shall be approved by the Department.

A copy of the executed contract is attached for your reference. Please note that the contract start date is July 1, 2025 and will run through June 30, 2026. The request for payment/disbursement forms, along with the required quarterly reporting forms, are available on our website at [www.mass.gov/e911](http://www.mass.gov/e911). For any questions related to this process, please contact Angela Pilling, Grant Manager, at (508) 821-7305.

If you have any questions regarding this award, please contact State 911 Department Executive Director Frank Pozniak or State 911 Department Finance Director Karen Robitaille at (508) 828-2911.

Congratulations and thank you very much for your continued efforts in finding creative ways to most effectively improve public safety within the Commonwealth.

Funding for the Development Grant Program is competitive and is awarded on the basis of grant guidelines that are set forth in the Development Grant application package.

The Executive Office of Public Safety and Security and the State 911 Department ("Department") are very pleased to inform you that the Town of Wilbraham has been awarded a grant for the Wilbraham Regional Emergency Communications Center in the amount of \$446,250. Funding is awarded for transition awards for the Town of Hampden (\$31,250) and Town of Belchertown (\$250,000), for the Director's salary (\$90,000) and Deputy Director's salary (\$75,000).

Please note that the use of all grant funding shall be consistent with the Development Grant Guidelines, shall be associated with the provision of enhanced 911 service, and shall be approved by the Department.

A copy of the executed contract is attached for your reference. Please note that the contract start date is July 1, 2025 and will run through June 30, 2026. The request for payment/disbursement forms, along with the required quarterly reporting forms, are available on our website at

[www.mass.gov/e911](http://www.mass.gov/e911). For any questions related to this process, please contact Angela Pilling, Grant Manager, at (508) 821-7305.

If you have any questions regarding this award, please contact State 911 Department Executive Director Frank Pozniak or State 911 Department Finance Director Karen Robitaille at (508) 828-2911.

Congratulations and thank you very much for your continued efforts in finding creative ways to most effectively improve public safety within the Commonwealth.

Sincerely,

Terrence M. Reidy, Secretary
