DEVAL L. PATRICK
GOVERNOR

July 12, 2013

To the Honorable Senate and House of Representatives:

I am filing for your consideration a bill entitled "An Act Making Appropriations for the Fiscal Year 2014 to Provide for Supplementing Certain Existing Appropriations and for Certain Other Activities and Projects."

Building on investments included in the Fiscal Year 2014 General Appropriation Bill, I am proposing to fund an additional \$7 million for higher education scholarships. Investments in scholarships make college more affordable and accessible, particularly for low- and moderate-income students. This increase in scholarship funding provides assistance to students demonstrating the greatest levels of financial need.

I am also proposing \$21.8 million to fund core information technology services required to support the delivery of services to the Commonwealth's residents on a daily basis. These services are wide-ranging, from securing residents and customers' personal information, to securing the timely processing of payments to direct care providers on behalf of our most vulnerable populations.

Consistent with my amendment to Fiscal Year 2014 General Appropriation Bill section 207, which would expand the Bottle Bill to include bottled water and non-carbonated soft drinks, I am requesting \$3 million for recycling programs at the Department of Environmental Protection.

Consistent with my amendment to the Fiscal Year 2014 General Appropriation Bill sections 114-134, which makes judicial salary increases effective on January 1, 2014, I am requesting \$5.7 million to fund the increased salary costs in the courts' budgets.

Consistent with my amendment to the Fiscal Year 2013 supplemental budget section 4, which would require photo identification on electronic benefit cards, I am requesting \$2.5 million for the cost of implementing this requirement at the Department of Transitional Assistance in Fiscal Year 2014, which includes the costs for card materials, infrastructure and both start-up and ongoing system costs.

Finally, although I reduced spending in the Fiscal Year 2014 budget in the areas of transportation and Unrestricted General Government Aid to conform to the level of enacted revenues, I am proposing supplemental appropriations in this bill to restore full funding for these items if the Legislature accepts my amendment to the transportation finance bill.

Based on the actions I am taking today in signing the Fiscal Year 2014 budget, sufficient revenues are estimated to be available to finance these appropriations. I urge your prompt and favorable consideration of this bill.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Deval Patrick", with a large, stylized flourish above the name.
