(b) the number of days between the hearing request and the first day of the hearing

The attached FY2018 Fair Hearing Docket July 1, 2017 to March 5, 2018 "timeliness related data" provides both the number of days between the Fair Hearing request and the first scheduled hearing (Column I, "#Days FH Req-1st Date Sch") and the number of days between the hearing request and the date of the actual first hearing (column J, "#Days FH Req-1st Hear Date").

Table 2 provides a summary view of this data requested in statute.

	Average Number of Business Days FY 18 (7/1/17 to 3/5/18)	Business Days Allowed under Regulations
number of days between the Fair Hearing request and the first <i>scheduled</i> hearing	43	65
number of days between the Fair Hearing request and the date of the <i>actual</i> first hearing	47	· · ·

Table 2: Number of Days between	Fair Hearing Request and Fair Hearing
(FY18 to date,	7/1/2017 – 3/5/2018)

Currently in FY2018, the Department averages 43 business days for a Fair Hearing to be scheduled, and 47 business days for a hearing to take place once an appeal is filed. Department regulations stipulate that hearings should be scheduled within 65 business days of receipt of the request for hearing. The scheduling of fair hearings in a timely manner has steadily improved over the past several years, and continues to be timely. On average, the unit is scheduling hearings 20 days earlier than what is mandated under the regulatory timeframes.

- (c) the number of days between the first day of the hearing and the hearing officer's decision and
- (d) the number of days between the hearing officer's decision and the agency's final decision;

The attached FY2018 Fair Hearing Docket July 1, 2017 to March 5, 2018 "timeliness related data" provides both the number of days between the first day of the hearing (Column O, "#Days 1st Hear FH Off Dec") and the hearing officer's decision and the number of days between the hearing officer's decision and the agency's final decision (Column Q, "#Days FHO Dec to Final Dec"). It also provides the cumulative total of time between first day of the hearing and the agency's final decision (Column P, #Days 1st Hear Final Dec).

The attached docket reflects that of the cases where a hearing officer has submitted a decision, on average, the decision is submitted within 53 days (Column O). Of the cases where a final decision was issued, the decision issued on average 29 days after the hearing officer submitted the decision for review (Column Q).

- (e) the number of days of continuance granted at the appellant's request;
- (f) the number of days of continuance granted at the request of the department of children and families or the hearing officer's request, specifying which party made the request;

The attached FY2018 Fair Hearing Docket July 1, 2017 to March 5, 2018 "timeliness related data" provides the number of days of continuances granted for each request as required in the statute.

- the appellant's request (Column L, "#Days Cont at Appell Req");
- the number of days of continuance granted at the request of the Department of Children and Families (Column N, "#Days Cont at Area Req"); and
- the number of days of continuance granted at the request of the hearing officer (Column M, "#Days Cont at FH Off Req").

Table 3 below provides a summary of the continuances granted on Fair Hearings that were requested thus far in FY 2018 based on who requested the continuances.

	Number of Continuances Granted in FY2018	Average Length of Continuance (business days)
Days Granted at Appellant's Request	98	44
Days Granted at Fair Hearing Officer's Request	22	50
Days Granted at Area Office's Request	9	36
Total continuances granted	129	

Table 3: Number of Continuances Granted (FY18 to date, 7/1/2017 –3/5/2018)

In general, when a continuance is allowed the matter is then scheduled on the next available date. Currently, due to the logistics regarding available hearing space in each area office, the next available date may often be 60 to 90 calendar days later.

(g) whether the departmental decision that was the subject of the appeal was affirmed or reversed;

Of the cases filed in FY2018 which are now due, a total of 56 cases have issued. Of those, 46 were affirmed and 10 were reversed.

The cases filed in FY 2018 are just coming due in this third quarter of FY2018, because upon filing, the matter is scheduled within 65 business days (approximately 94 calendar days), and then upon the record closing after hearing, the hearing officer has 60 business days (another 90 calendar days) to write the decision.

Note that some decisions which are appealed are resolved prior to hearing, and therefore are not listed as affirmed or reversed. Therefore, the attached FY2018 Fair Hearing Docket July 1, 2017 to March 5, 2018 "decision related data" provides data on cases that are resolved prior to a Fair Hearing taking place (column B, "Reas for Dismis(Prior to Hear)") as well as after a Fair Hearing has occurred (columns C through L).

Table 4 below summarizes Fair Hearings resolved before a hearing took place.

(ii) the fair hearing requests filed prior to fiscal year 2018, which are pending for more than 180 days, stating the number of such cases, how many of such cases have been heard but not decided and how many have been decided by the hearing officer but not yet issued as a final agency decision.

Resolving cases open for more than 180 days continues to be a high priority for the Department. For a detailed discussion regarding the Department's efforts to eradicate the backlog, please refer to the report filed in February, 2018.

As of February 28, 2018, there were 744 Fair Hearing requests filed prior to FY18 which are pending for more than 180 days without a final agency decision. The table below details the status of the requests.

Table 5: Status of Fair Hearing requests filed prior to FY18 pending for more than 180 days without a final agency decision

Based on our experience working to significantly decrease the backlog the past two years, in FY18 the department has added two additional full-time supervisory positions to the unit, doubling the total number of supervisors to four. In the third quarter of FY2018, the supervisors were assigned to oversee 3-4 hearing officers, providing increased oversight to those they supervise as well as more a focused review of hearing decisions. With this restructuring of the unit, we have consistently closed out more decisions each month than are filed.

Please see Attached: Attachment 1: FY2018 Fair Hearing Docket (July 1, 2017 to March 5, 2018)

² A manual count was conducted on March 21, 2018 of the files submitted by hearing officers which are pending review.

³ A "DA Stay" occurs when there is a criminal investigation or criminal charges are pending regarding the allegation on appeal; when the District Attorney requests a stay of the fair hearing pursuant to 110 CMR 10.10, the matter is stayed for six months.
