For address updates: PRELIM status indicates that MassGIS has not received an update from at least one of the municipalities in a regional PSAP/RECC within the last year. We encourage regional PSAPs/RECCs to reach out to MassGIS at Notify911Address@mass.gov.

For parcel mapping updates: PRELIM status indicates one of the following:

- 1) A regional PSAP/RECC has one or more communities that are not meeting the requirement.
- 2) MassGIS has confirmed with staff in the relevant municipal department that the required update is under development and will be delivered in the current calendar year.
- 3) MassGIS has received an update but that update has not yet met the requirements of MassGIS' parcel mapping standard. Failure to achieve compliance means the grant eligibility status automatically reverts to NO in the following fiscal year.
