FY 2022 Wireless State Police PSAP Grant

DETAIL NARRATIVE

Please make sure that every item listed in the above Budget Worksheet is listed in the below narrative with a detailed description including category of item, price per unit, quantity, brand, model, and any other pertinent and available information. For example: C. HVAC – 4 acme P22 air filters at \$20.00 per filter. For personnel costs, complete Appendix A – Personnel Costs Form. Please use additional pages if needed.

A. Enhanced 911 Telecommunicator Personnel Costs – to defray the costs of salary and training for enhanced 911 telecommunicator personnel, including enhanced 911 telecommunicators who are emergency communications dispatchers or supervisors. In order to be eligible for such funding, a grantee shall show that the personnel costs to be reimbursed: (1) cover only personnel who are trained and certified as an enhanced 911 telecommunicator in accordance with the requirements of the State 911 Department, or are in the process of obtaining such certification, in accordance with the requirements of the State 911 Department; and (2) except as otherwise approved by the State 911 Department, are solely for hours in which such personnel are working in the capacity of an enhanced 911 telecommunicator as their primary job function; and (3) except as otherwise approved by the State 911 Department, are solely for hours in which such personnel are conducting quality control/quality assurance of 911 calls.

Certified enhanced 911 telecommunicators or new personnel working toward obtaining such certification for which reimbursement requests are submitted shall be identified on Appendix A: Personnel Costs form. A PSAP may add a certified enhanced 911 telecommunicator or personnel working toward such certification following the award of the grant by submitting a request to 911DeptGrants@mass.gov. Said request shall contain the information noted on Appendix A: Personnel Costs form and shall provide documentation of the required certifications received from attendance at courses hosted by an entity other than the State 911 Department. The State 911 Department will review the request and advise, in writing, whether or not the request has been approved.

Attach Appendix A - Personnel Costs Form

Total Category A

FY 2022 Wireless State Police PSAP Grant

B. Non Personnel-Related Training Costs – to defray the cost of live or online training courses, and certifications/recertifications, and quality assurance of EMD, to include applicable vendor fees, registration fees, and instructor fees. Funding may be authorized for membership fees for the following national and industry-recognized professional organizations:

The Association of Public Safety Communications Officials (APCO)
National Emergency Number Association (NENA)

and for membership fees (not to exceed one membership per PSAP or RECC) for the following professional organization:

Massachusetts Communications Supervisors Association (MCSA)

Expenses associated with attendance at conferences will **NOT** be covered, except that funding may be authorized for conference registration fees only (but not for any other expenses associated with attendance) for APCO, NENA, and Navigator conferences. Requests for approval of conference registration fees for conferences other than APCO, NENA, and Navigator conferences, along with a conference agenda (including a list of key speakers), shall be submitted to the State 911 Department at least twenty-one (21) days in advance of the conference. Grantees are advised that failure to obtain **prior** express WRITTEN authorization from the State 911 Department may result in denial of reimbursement of any and all expenses associated with conferences fees for conferences other than APCO, NENA, and Navigator.

Total Category C

FY 2022 Wireless State Police PSAP Grant

D. Computer-Aided Dispatch Systems – to defray costs associated with the purchase, installation, replacement, maintenance and/or upgrade of CAD hardware and software used by emergency communication dispatchers, call takers, and 911 operators in wireless state police PSAPs to initiate public safety calls for service and dispatch, and to maintain the status of responding resources in the field. Funds may be used for mobile devices that are linked to a CAD system. It does not include records management systems, whether or not part of a CAD system.

Description(s):

Are the requested items linked to CAD?

Where will the requested items be located?

What will be displayed on monitors, if requested?

Vendor(s):

F. Console Furniture and Dispatch Chairs - to defray costs associated with the purchase, installation, replacement, maintenance, and/or upgrade of console furniture and dispatcher chairs necessary for enhanced 911 telecommunicators working at wireless state police PSAPs to perform their jobs effectively and in an ergonomically appropriate manner. Such funds may only be used to purchase, install, replace, maintain, and/or upgrade such console furniture and dispatcher chairs, including shelving, storage cabinets, and rotary resource files used in the physical space used for the provision of enhanced 911 service.

Description:

Have you previously applied for funding for dispatcher chairs?

If so, what year?

Are they under warranty?

G. Fire Alarm Receiving and Alerting Equipment Associated with providing Enhanced 911 Services - to defray costs associated with the purchase, installation, replacement, maintenance, and/or update of fire alarm receiving and alerting equipment used at wireless state police PSAPs. Funding may be used to purchase, install, replace, maintain, and/or update systems used by such PSAPs to alert remote station personnel of emergency responses, including hardware and components installed within remote station locations. Funding for street or structure based cable or radio fire alarm boxes and related hardware is not permitted.

H. Other Equipment and Related Maintenance Associated with Providing Enhanced 911 Service- to defray costs associated with the purchase, installation, replacement, and/or maintenance of other equipment used in the physical space used for the provision of enhanced 911 service, except as otherwise approved by the State 911 Department, based on supporting documentation that the physical space used for the provision of enhanced 911 service is inadequate to house the equipment, or except as otherwise approved by the State 911 Department based on supporting documentation. Funding may be used for, but is not limited to: support technology (such as printers, headsets, and call recorders); supplies (such as disc and printer cartridges); hardware and support costs (excluding monthly recurring telephone service costs) for telephones; acoustic wall coverings; ESD-resistant flooring; lighting; and security equipment used for securing access to the PSAP to prevent entry by the public or unauthorized personnel.

Applicants requesting funds for interoperable communications components, such as radios, or other communication system components must include with their grant application the Interoperable Communications Investment Proposal (ICIP). The ICIP Template can be found here [ICIP Template Download \(mass.gov\)](#).

Description(s):

Please include **use and location** for each of the requested items.
