1. Legislative Authority

Section 2 of Chapter 258F of the General Laws requires certifying entities to adopt of a policy for completing and signing nonimmigrant status certification forms for: (i) victims of criminal activity who intend to petition for nonimmigrant visas under 8 U.S.C. 1101(a)(15)(U); and (ii) victims of severe forms of trafficking in persons who intend to petition for nonimmigrant visas under 8 U.S.C. 1101(a)(15)(T).

Section 1 of the same chapter defines a certifying entity as “a law enforcement agency, prosecutor or other state or local entity that has the authority to detect, investigate or prosecute severe forms of trafficking in persons or criminal activity.”

Section 3 establishes a timeline for the certifying entity’s response to the victim and Section 4(a) requires that each certifying entity report to the executive office of public safety and security: (i) the number of individuals that requested nonimmigrant status certification; (ii) the number of certification forms that were completed and signed; and (iii) the number of such requests that were denied.

Subsection (b) of Section 4 creates the authority for this report:

Annually, not later than April 1, the executive office of public safety and security shall file a report with the clerks of the house of representatives and the senate, the joint committee on the judiciary and the joint committee on public safety and homeland security on the information received under subsection (a). The report shall include, but not be limited to:

- (i) the number of individuals that requested nonimmigrant status certification, delineated by certifying entity;
- (ii) the number of certification forms that were completed and signed, delineated by certifying entity;
- (iii) the number of such requests that were denied, delineated by certifying entity; and
- (iv) total statewide statistics on nonimmigrant status certifications and denials. The report shall not include information that would allow the public to ascertain the identity of an individual requesting nonimmigrant status certification. The executive office shall also make the report publicly available on its website.

2. Data Gathering

In compliance with M.G.L. c. 258F, § 4(b), the Executive Office of Public Safety and Security (“EOPSS”) compiled the data submitted by the certifying entities pursuant to § 4(a). 4. Steering Committee

Section 133 of Chapter 24 of the Acts of 2021 created an interagency crime victim certification steering committee and gave EOPSS the authority to convene the committee. Currently, the committee is meeting bi-monthly to fulfill its requirements. The steering committee’s activities will include:

- (i) developing training materials for employees of certifying entities and other individuals who may interact with victims of criminal activity or victims of severe forms of trafficking in persons, including, but not limited to, victim advocates, court personnel, or state agency personnel;
- (ii) creating sample policies to be utilized by certifying entities; providing technical assistance to certifying entities; and
- (iii) monitoring the implementation of the policies required under chapter 258F.

As required by Section 133 the steering committee shall file a report with the clerks of the senate and house of representatives, the joint committee on the judiciary, and the joint committee on public safety and homeland security by December 31, 2023. The report will include:

- (i) a description of the activities of the steering committee;
- (ii) an overview of issues implementing the requirements of said chapter 258F;

- (iii) any recommendations to improve compliance with said chapter 258F; and
- (iv) any other information the steering committee deems relevant.

The report will also be made available on the EOPSS website.

5. Conclusion

EOPSS looks forward to continuing its collaboration with its many committed stakeholders, including the Steering Committee in fulfilling the requirements of M.G.L chapter 258F and the Section 133 of Chapter 24 of the Acts of 2021.
