# **Cannabis Social Equity Trust Fund**

### **FY25 Annual Legislative Report**

The Executive Office of Economic Development ("EOED") is required by Section 14A of Chapter 94G of the General Laws ("Authorizing Statute") to administer the Cannabis Social Equity Trust Fund ("CSETF"), in consultation with the Cannabis Social Equity Advisory Board ("Advisory Board"), for the purpose of encouraging the full participation in the Commonwealth's regulated marijuana industry by entrepreneurs from communities that have been disproportionately harmed by marijuana prohibition and enforcement.

EOED, in consultation with the Advisory Board, is required by the Authorizing Statute to annually submit a report to the clerks of the House of Representatives and Senate, the House and Senate Committees on Ways and Means and the Joint Committee on Cannabis Policy.

The report must identify and describe the amount of money expended from the fund; a list of the entities that received a grant or loan from the fund; the geographic location of recipient entities; the form of funding received by each entity; information indicating whether each recipient entity is a minority-owned entity; and any information deemed appropriate to ensure equity and accountability.

Accordingly, EOED submits this report describing the activities of EOED and the Advisory Board covering the time period from July 1st, 2024, through June 30th, 2025. A copy of this report will also be made publicly available on EOED's website.

#### Membership of the Cannabis Social Equity Advisory Board

The Advisory Board is established by Section 14A(b) of Chapter 94G of the Mass. General Laws, and consists of individuals from, or with experience advocating on behalf of, communities that have been disproportionately harmed by marijuana prohibition and enforcement. The current members of the Advisory Board are as follows:

- Governor Appointee (Chair) Keisha Brice
- Attorney General Appointee Aaron Goines
- Treasurer Appointee Chris Fevry
- Joint Appointee of the Governor, Treasurer and Attorney General Meaka Brown
- Joint Appointee of the Governor, Treasurer and Attorney General Ryan Dominguez

#### **Cannabis Social Equity Advisory Board Meetings**

The Advisory Board met twice during the covered period of this report on July 22, 2024, and January 31, 2025. Member discussions have included the following topics:

- Review of proposed program guidelines for the FY25 Social Equity Grant Program in anticipation of publishing Notice of Funding Availability (NOFA);
- Review of awards issued for the FY25 Social Equity Grant Fund Program, as well as compliance and reporting expectations for grantees;
- Description of a potential CSETF loan program; and
- Launch of the CSETF donations portal.

#### **Implementation of Online Donations Portal for the CSETF**

The CSETF Authorizing Statute requires funding for the Trust Fund to consist of a portion of funds transferred by the Marijuana Regulation Fund as well as "any funds from private sources, including, but not limited to, gifts, grants and donations." See G.L. c. 94G section 14A(ii). Accordingly, on April 10, 2025, EOED launched a donation portal on the CSETF program website to accept contributions in support of the Fund's mission. The launch of the donation portal represents an important opportunity for public and private stakeholders to contribute to the advancement of the equitable participation in the cannabis industry across the Commonwealth. As of June 30, 2025, the CSETF has received \$12,001.00 in donations.

#### **Trust Fund Balance**

Section 14 of Chapter 94G of the General Laws establishes the Marijuana Regulation Fund that receives money resulting from applications and licensing for marijuana establishments, civil penalties for violations of Chapter 94G and revenue generated by the state tax imposed by section 2 of chapter 64N of the General Laws and interest earned or income on balances in the fund. On an annual basis at the beginning of each calendar year, fifteen percent of Marijuana Regulation Fund is transferred to the Cannabis Social Equity Trust Fund.

At the start of the fiscal year, the Trust Fund had a total balance of \$27,278,317. In April 2025, the calendar year transfer was deposited in the amount of \$29,001,226, and \$12,001 was deposited from various donations that were received during the year. The total available funds in FY25 were \$56,291,544.

In December 2024, EOED announced grant awards totaling \$26,500,000 through the FY25 application round of the Social Equity Grant Program. In addition, EOED allocated approximately \$230,918 to cover the program's administrative costs. During the year, a total of \$26,730,918 from the Trust Fund was spent or committed.

At the end of the fiscal year, the balance of uncommitted funds in the Trust Fund was \$29,560,626.

#### FY25 Social Equity Grant Program Overview

The FY25 Social Equity Grant Program ("FY25 Grant Program") launched in September 2024 as the second major funding initiative of the CSETF. This program was designed to provide critical financial support to cannabis businesses owned by individuals disproportionately harmed by marijuana prohibition and enforcement.

The FY25 Grant Program received a total of 278 applications and awarded a total of \$26,500,000 in grant funding to 181 social equity businesses across the Commonwealth. Grant awards ranged from \$25,000 to \$500,000, with funding amounts determined by the applicant's license status and business development stage. Applicants selected one of four program tiers when applying, depending on eligibility:

- Tier 1: Industry Entry Support Pre-licensed social equity cannabis businesses
- Tier 2: Immediate Needs Provisional and final licensees needing urgent operational support
- Tier 3: Support for License Acquisition and Commencement of Business Operations Provisional licensees seeking financial support to commence operations
- Tier 4: Existing Business Growth and Expansion Operational businesses seeking to improve or expand

Eligible applicants included Pre-Licensed Cannabis Businesses, Marijuana Establishments, and Medical Marijuana Treatment Centers with a majority of ownership held by individuals designated as Economic Empowerment Priority Applicants or Social Equity Program Participants by the Massachusetts Cannabis Control Commission (CCC).

The funding supported a range of eligible business expenses, including but not limited to:

- Immediate needs (e.g., rent, payroll, debt service, taxes)
- Professional services (e.g., legal, accounting, compliance)
- Facility-related costs (e.g., construction, renovations)
- Licensing and regulatory fees
- Business expenses including equipment and supplies
- Business related insurance fees
- Vehicle lease and purchases

All funds are being distributed on a cost-reimbursement basis, and recipients are required to comply with program reporting and documentation requirements. See Attachment A for the full list of grantees, award tiers and amounts, and minority business designation, as applicable.
