3. Summary
4. Commonwealth Transportation Funds

Summary

- On July 9th, Governor Healey signed the Commonwealth's FY27 Budget. It maintains the same funding levels as the Senate budget that was approved by the MassDOT Board for the FY27 Budget, with two notable changes, an \$87K increase in funding for Local One-Time Transportation Projects and a \$5M reduction in MBTA funding.
 - \$605M for MassDOT operating, including \$220.2M in surtax revenue, with Snow and Ice funded at \$45M. The Conference Budget also includes an additional \$87K in funding for Local One-Time Transportation Projects.
 - \$217.5M for Regional Transit Authorities, consistent with the Senate budget, including \$184.8M in surtax revenue.
 - \$11.7M for the Merit Rating Board, consistent with the Senate budget.
 - \$465.2M for the MBTA, fully supported by surtax revenue, reflecting a \$5M reduction from the Senate budget.

Commonwealth Transportation Funds
