Citizenship Affirmation I am a U.S. Citizen

Residency Affirmation I am a resident of the Commonwealth of Massachusetts

Statement of Intent I intend to comply with and advance the policy established by this Act.

Statement of Interest In my estimation Citizens United v FEC and McCutcheon v FEC are right behind the Dred Scott decision as the worst in American Jurisprudence. My 34 years in the Auto Industry having experience with regards to almost every union position and local town positions both elected and appointed make me a good candidate to work with the rest of the members to bring forward a document that could be the blueprint to bring not only to our commonwealth but also the whole country and congress. Than you for your consideration
