

Getting started with DOL’s eLIPSE

Hello! This guide will help you get started managing your licenses and permits with DOL’s eLIPSE public portal. This guide may seem long, but there are a lot of screen shots to help you, and most of this you only need to do once.

 Setting up multifactor authentication (MFA)..... 9

 Linking your license 11

 Why couldn’t eLIPSE link my license? 12

Logging in to DOL’s eLIPSE in the future..... 12

A quick overview

To use DOL’s eLIPSE to manage your licenses and permits, you need 4 things:

1. A computer or mobile device with internet access.
2. An email address.
3. A telephone where you can receive text or voice messages. It can be the same mobile device you use to access the internet.
4. ***If you already have a license, you need to know how your first and last name appear in eLIPSE.*** How can you know this before you have set things up? You’ll see soon. You only need to do this once. If you do not have any licenses yet, this does not apply to you.

Then, you:

1. Create an account with MyMassGov. You only need to do this once.
2. Set up a way to confirm who you are every time you log in (“multifactor authentication”, or MFA.) You only need to do this once.
3. Link your license(s). You only need to do this once.

Here’s more about each of those. It looks like a lot, but it’s because there are lots of screen shots.

Computer or mobile device with internet access

You can use eLIPSE with any kind of personal computer or any kind of mobile device, like a smart phone or a tablet. Just be sure that your computer or device can access the internet.

To access the internet, you can use either Google Chrome or Microsoft Edge.

Email address

You need an email address because that’s how we will communicate with you about your license or permit. You should have your own email address. Don’t use the email address of a friend or relative, because you will want to know as soon as you receive email from DOL. Also, do not use a work email address, because that might change over time.

If you do not have an email address, you can get one for free from several sites, for example, Google, Microsoft Outlook, or Yahoo. Your cable company or internet service provider may also offer a free email address.

Find out how your first and last name appear in eLIPSE

If you do not have any license yet, this does not apply to you.

If you do have a license, you only need to do this once. It’s very important, so please do it.

Why you need to do this

If you already have a license, your name and license information are already in eLIPSE. However, later you will have eLIPSE link your license to your MyMassGov account (which you have not set up yet.)

For eLIPSE to link your license, the first and last name you use to create your MyMassGov account must match the first and last name that are already associated with your license in eLIPSE.

So, before you create your MyMassGov account, check your license and note **exactly** how your name is stored in eLIPSE.

How to do it

Go to the [eLIPSE start page](#). You will not be logging in.

On that page, click the link that lets you search for a license:

Welcome to DOL

The Division of Occupational Licensure (DOL), through its boards and offices, licenses and regulates more than 500,000 individuals, businesses, and schools to engage in over 100 trades and professions in Massachusetts.

To apply for new, renew, manage a license, or to file a complaint, [log in](#).

To search for a license, [click here](#). 

eLIPSE displays the **Find a License** screen:

Find a License

Please enter as much information as possible. The more detail provided, the more accurate the results.

I am searching for a...

Individual Business

Name

First Name

Middle Name

Last Name

State

Zip

License Details

Board

License Type

License Number

- Enter your complete License Number**, meaning with your board code and license type, for example, 1234567-BC-FG. If you have more than one license, use any of your license numbers. ***Do not fill in any of the other fields.***
- Click the **Search** button.

eLIPSE will locate the license and display it on a **License Details** screen. To the right of the license details, click the **View Details** button.

This box has what you are looking for.

Notice that in this example, the **First Name** appears as *John M*. That's because when John first set up an account with DOL, John entered their first name as *John M*, with no period after. So that's how John's first name is in eLIPSE now. When John goes to set up a MyMassGov account, John *must* enter their first name as *John M* – no period after the initial, not just *John*, not a nickname they prefer to use now, no other variation.

The same thing holds for **Last Name**. The last name that appears here is the one a person used when they first set up their account with DOL. If their last name changed due to marriage or any other reason, they need to ***use the name as it appears here*** to set up their MyMassGov account.

Do not worry about **Middle Name**. MyMassGov does not use your middle name.

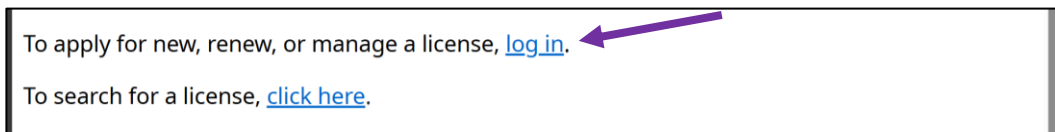

So, ***note for yourself how YOUR First Name and Last Name appear here***. You can change how your first and/or last name will be in eLIPSE and on your license after you set up your eLIPSE account.

Now, click the **Cancel** button in the **License Detailed View** box.

eLIPSE returns you to the **License Details** screen. Click your browser's Back control.

eLIPSE returns you to the DOL eLIPSE start page.

Now that you have your device with internet access and your email address, and you know how your first and last name appear in eLIPSE, you can click the log in link on the DOL eLIPSE start page (as shown below) to start setting up your MyMassGov account.

But before you do that, take some time to find out about the whole process.

Set up your MyMassGov account

The log in link brings you to the MyMassGov web site:

MyMassGov is a secure website that lets you use one account and password to sign in to all participating Massachusetts state services and applications, including DOL. Even if you are a longtime license holder, you need a MyMassGov account to manage your license. You log in to DOL through this MyMassGov page.

Please note that if you already have a **personal** MyMassGov account for signing in to RMV, DOR, or other Commonwealth agencies for personal matters, you will still need a **business** MyMassGov account.

To set up your MyMassGov account, on the left side of the screen, click the **Create an account** button. You will be creating a **business** account even if you are just one person with one license working for someone else.

Next you will see a screen that asks you to agree to share the MyMassGov profile you are creating with DOL and other entities.

Read it carefully, and at the bottom, click the **Continue** button (not shown.)

An official website of the Commonwealth of Massachusetts. [Here's how you know](#)

MyMassGov

BUSINESS ACCOUNT

Consent to share MyMassGov profile information

Last updated 5/29/2025

By selecting 'CONTINUE', you are agreeing to MyMassGov creating and storing a profile and sharing the information in it, including personal information about you, with the Massachusetts state agencies whose websites you use and with third-party businesses we rely on to provide this service. Please visit the following links to learn more about what data we collect, what we do with it, and how we protect your privacy.

In the next screen,

- Enter the email address you will use for the account, and then
- Click the **Send Verification code** button.

MyMassGov

BUSINESS ACCOUNT

Create your account

Step 1 of 3: Verify your email

Email

SEND VERIFICATION CODE

[Cancel](#)

You will receive an email like this one from MyMassGov <login@noreply.mass.gov>:

Commonwealth of Massachusetts

Hello,

Thanks for verifying your *[your email address]* account

Your code is

nnnnnn *[6 digits will appear here]*

This code will expire in 5 minutes and can only be used once.

Copy and paste the code into the verification code field at MyMassGov (formerly Login.mass.gov) to complete the verification process. [You can also type it in there.]

Return to the MyMassGov page, where you will see the **Create your account** screen.

Enter the verification code from the email, and at the bottom, click the **Verify** button.

The image shows a screenshot of the MyMassGov Business Account verification page. The page has a green header with the MyMassGov logo and the text "BUSINESS ACCOUNT". Below the header, the main heading is "Create your account". Underneath, it says "Step 1 of 3: Verify your email". A paragraph explains that a verification code has been sent to the email address and provides instructions on what to do if the code is not received. There are two input fields: "Email" and "Verification code". Below these fields is a blue button labeled "VERIFY". At the bottom, there are two links: "Get a new code" and "Cancel".

 **MyMassGov**

BUSINESS ACCOUNT

Create your account

Step 1 of 3: Verify your email

The verification code has been sent to the email address that you entered. Please copy it to the "Verification code" box on this page. If you didn't receive a message with the code, check that you typed your email address correctly, check your spam folder, or click "Get a new code" link to receive a new code. The code will expire in 5 minutes.

[Get a new code](#)

[Cancel](#)

On the next screen, enter your first and last name ***exactly as they appear in eLIPSE, as you noted them before.***

Important: Enter your first and last name exactly as they appear in eLIPSE, as you noted them before. Later in this process, eLIPSE will use your first and last name **as they appear in eLIPSE** (and other information) to locate your licenses and link them to your eLIPSE account.

The screenshot shows the MyMassGov Business Account creation interface. At the top is the MyMassGov logo. Below it is a green header bar with the text "BUSINESS ACCOUNT". The main heading is "Create your account". Below this is "Step 2 of 3: Add account details". There are three input fields: "Email", "First Name", and "Last Name". Below the "First Name" field is a blue "CONTINUE" button. At the bottom left is a link that says "Cancel".

On the next screen, create a password. The password rules are on the screen.

You will need to enter the password a second time to confirm it.

The screenshot shows the MyMassGov Business Account creation interface, Step 3 of 3: Set up your password. At the top is the MyMassGov logo. Below it is a green header bar with the text "BUSINESS ACCOUNT". The main heading is "Create your account". Below this is "Step 3 of 3: Set up your password". There is an "Email" input field. Below it is the "Password Rules" section, which lists requirements: "Between 8 and 64 characters", "Must meet at least three of the following requirements: Contains a special character (e.g., @ # \$ % ^ & *)", "Contains a number", "Contains an uppercase character", and "Contains a lowercase character". Below the rules are two input fields: "New Password" and "Confirm New Password", each with a toggle icon. At the bottom is a blue "CREATE AN ACCOUNT" button. At the bottom left is a link that says "Cancel".

Then, at the bottom, click the **Create An Account** button.

Great! You have created your MyMassGov account! Now you need to set up MFA, or “multifactor authentication.”

Click the **Set Up MFA** button.

Setting up multifactor authentication (MFA)

Be sure to have your telephone available. You will need it to complete the MFA setup.

What is Multifactor Authentication (MFA)?

It's an additional confirmation of who you are when you log in. You have probably experienced this with banking, shopping, and other web sites and applications.

On the **Set up multifactor authentication screen**, choose how you want to perform the MFA.

Tip: The **Phone** method is a little easier, since you don't need to install another application to use it.

Choose one or more of the methods, and then click the **Continue** button.

This is how you set up the **Phone** verification method:

- Enter the telephone number where you can receive text or voice messages.
- Choose either **Text Me** or **Call Me**.
- At the bottom, click the **Send Verification Code** button.

The screenshot shows a web form titled "Set up multifactor authentication". Below the title is the heading "Link your phone number" followed by explanatory text: "Each time you log in, we'll send a one-time code to this number by text message or phone call. Enter the phone number you'd like to use and select how you'd like to receive it." The form includes a "Country Code" dropdown menu currently set to "United States(+1)". Below this is a "Phone number" input field containing "85" and "ig". There are two radio buttons: "Text Me" (which is selected) and "Call Me". At the bottom of the form is a large blue button labeled "SEND VERIFICATION CODE".

MyMassGov will send a text message (or call, if you chose that) with a verification code.

The screen opens another field for you to enter that code.

Enter the code, and then click the **Verify** button.

The screenshot shows a web form for entering a verification code. At the top, a message states: "Verification code has been sent to the phone number you have provided. Please copy it to the input box below." The form includes a "Country Code" dropdown menu set to "United States(+1)". Below this is a "Phone number" input field. There are two radio buttons: "Text Me" (selected) and "Call Me". Below the radio buttons is an "Enter code" input field. At the bottom is a large blue button labeled "VERIFY". A link labeled "Get a new code" is located at the bottom left of the form.

Congratulations! You are logged into eLIPSE!

Linking your license

Now you will see this welcome message from eLIPSE.

Welcome! If you already have a license or account with the Division of Occupational Licensure (DOL), we need a little more information to link it to you securely.

If you do not have a license or a past DOL account, you can skip this step.

*** How would you like to continue?**

☐ Yes, I have an existing license or account

☐ No, skip this step

Next

If you have a license, click the radio button for **Yes**, and then click **Next**.

If you skip this step, you will not be able to manage your current licenses and permits in eLIPSE until you link your license(s.) You will be able to link in eLIPSE later, if you need to.

eLIPSE displays this box:

Please enter your Social Security Number (numbers only) and your date of birth. This information helps us find any existing licenses or accounts.

The name from your MyMassGov registration must match the name on your license. If your MyMassGov registration is not using your legal name on your license, you may need to request support to link your license.

First Name:

Last Name:

Date of Birth

Social Security Number (numbers only)

Next

This is where you link your license(s):

- The box displays your first and last name as you entered them to create your MyMassGov account.
- Enter your **Date of Birth**.
- Enter all 9 digits of your Social Security Number. No dashes.
- Click the **Next** button.

eLIPSE will link your license to your MyMassGov account, and you will be in eLIPSE.

If eLIPSE cannot link your license, it will display this message:

We could not find any matching licenses. If you do have a previous license with the Division of Occupational Licensure, please add your license number and submit for review.

* Would you like to submit a case to DOL?

--None--

* Please include any additional information for review, such as a license number.

In the **Would you like to....** drop-down, select **Yes**.

In the **Please include...** field, be sure to enter your license number. Enter the complete number if you have it (like 1234567-BC-LD), or if you do not, be sure to include your Board.

Why couldn't eLIPSE link my license?

Usually this happens because the name already associated with your license in eLIPSE does not exactly match the name you used to set up your MyMassGov account.

If you have other questions about linking your license, at the bottom of the DOL page, click the **Contact Us** link.

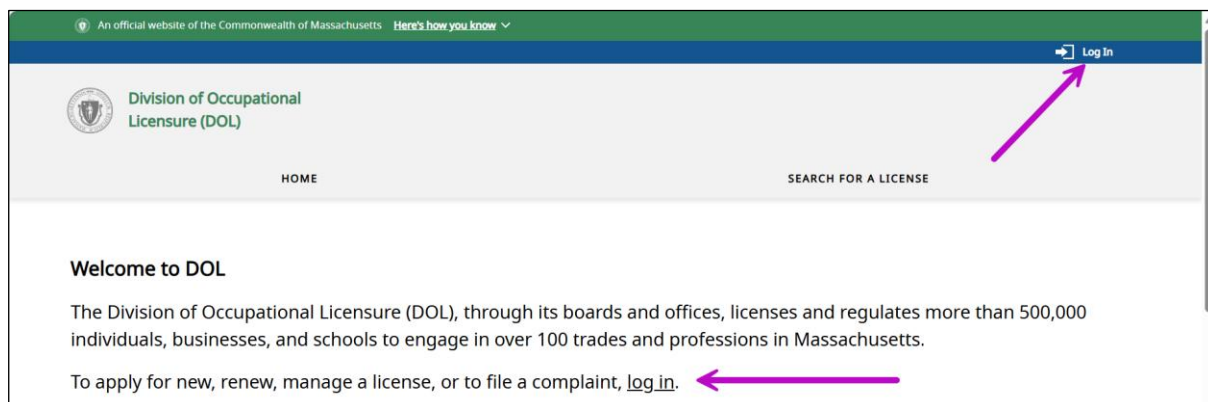

Logging in to DOL's eLIPSE in the future

Now that you are all set up with eLIPSE, to log in next time:

- 1) [Click here for the DOL login page.](#)

Tip: To make it easier to find the DOL login page, add it to your web browser Favorites list. This is also known as “bookmarking.” Different web browsers do it differently, so search for help on that if you need it.

- 2) On that page you can choose to click one of these:

- In the upper right corner, click the **Log in** control.
- In the middle of the page, click the **log in** link.

3) You will be taken to the MyMassGov login page:

- Enter the email address you used to create the account.
- Enter your password for this account.
- Click the LOG IN button.

4) MyMassGov will send you a code to enter to verify who you are.

5) Enter that code in the MyMassGov screen.

You will be taken to your eLIPSE Home page.

Congratulations!

You are now ready to manage your licenses and permits in eLIPSE!

Remember, every time you go from the DOL web site to MyMassGov and log in to eLIPSE, you will be asked to use the multifactor authentication.

If you have questions about getting started, at the bottom of the DOL page, click the **Contact Us** link.

For more about MyMassGov, visit this page: [Guide to using MyMassGov | Mass.gov](#)
