**Re: Global Crossing Local Services, Inc.**  
**Revisions to Tariff D.P.U. Massachusetts – No. 3**  
**Re: 2017 Intercarrier Compensation Rate Reduction Tariff Filings**

Dear Ms. Clark:

Pursuant to the Commission's May 22, 2017 Notice Re: 2017 Intrastate Intercarrier Compensation Rate Reduction Tariff Filings, enclosed for filing are an original and one copy of revisions to Global Crossing Local Services, Inc. D.P.U. Massachusetts No. 3. A .pdf copy of this filing will also be submitted separately to [dtc.efiling@state.ma.us](mailto:dtc.efiling@state.ma.us).

Consistent with the requirements for competitive local exchange carriers set forth in paragraph 807 of the FCC's *Connect America Fund Order*, 26 FCC Rcd 17663 (2011), this filing amends the tariff to reduce terminating switched access rates in accordance with reductions in the Verizon MA terminating rates. The company respectfully requests an effective date of July 29, 2017.

The following pages are included in the filing:

Section 6 Sixth Revised Page No. 2                      Reduces terminating switched access rates

Section 6 Fourth Revised Page No. 8                      Reduces terminating Toll VoIP-PSTN traffic access charges

Supporting calculations are provided in attached Appendix A. These rates are at parity or below the Company's corresponding interstate rates filed in Global Crossing Local Services, Inc. FCC Tariff No. 19, Pages 66, 66.1 and 66.2 attached hereto. Global Crossing Local Services, Inc. does not own a tandem that serves intrastate access traffic in Massachusetts.

Pursuant to the Commission's filing procedures, the appropriate fee of \$100.00 is included in the attached check.

Any questions regarding this filing should be directed to Ms. Diane L. Peters, Senior Manager Regulatory Affairs at [Diane.Peters@level3.com](mailto:Diane.Peters@level3.com) or (585) 255-1425.

Sincerely,

Diane L. Peters
