

GMAC Consultants Questions to the EDCs

Set #1

October 17, 2023

Chapter 7. Five-Year Electric Sector Modernization Plan

Eversource

1. Chapter 7: Please provide the MS Excel spreadsheet/data values for Figure 184 on page 392.

Eversource Response:

Eversource has provided the spreadsheet data for the table in Chapter 7 of the Draft ESMP. These values may change as Eversource continues to refine its estimates between now and when the final ESMP is filed with the Department.

National Grid

2. Chapter 7: Please provide the MS Excel spreadsheet/data values for Exhibit 7.4 on page 321.

National Grid Response:

The MS Excel spreadsheet/data values for Exhibit 7.4 on page 321 of National Grid's draft ESMP is attached. The data values may change as National Grid continues to refine its estimates between now and when the final ESMP is filed with the Department.

Unitil

3. Chapter 7: Please provide the MS Excel spreadsheet/data values for Figure 17 on page 115.

Unitil Response:

Unitil has provided the spreadsheet data for the table in Chapter 7 of the Draft ESMP. These values may change as Unitil continues to refine its estimates between now and when the final ESMP is filed with the Department.
