At this public meeting DCR will present 25% design for the Gronk Playground that is proposed for the former Charlesbank Playground area on the Charles River Greenway adjacent to the MA State Police Department, at the intersection of Storrow Drive and Monsignor O'Brien Highway. The goal is to create a new playground with a fitness theme that will include exciting new playground features with extensively incorporated universal access.

The public will be invited to ask questions and provide feedback on the presentation by unmuting their microphones, or the chat functionality that will be available through the virtual participation platform. After the meeting, the presentation will be available for viewing at <https://www.mass.gov/dcr/past-public-meetings>. DCR encourages the public to share additional feedback, with a deadline for receipt of comments by DCR of March 2nd, 2023.
