Kane's Crusade	we distribute C.A.R.E. Kits (Canine Assistance, Resources and Education) with our C.A.R.E. Krew volunteers. Helping families care for their dogs in difficult financial times keeps loved dogs in their homes, out of shelters and off the streets. Many people are struggling in these challenging economic times. When people struggle, their pets often struggle. Kane's Crusade C.A.R.E. Kits are designed to help keep loved dogs in their homes and out of shelters by providing Canine Assistance, Resources and Education. A typical starter C.A.R.E. Kit includes a leash, collar, nametag, food, toys, and treats. We advocate for dogs to live inside with their family, but in situations where dogs must be outside, we are building doghouses. For hot summer months, we can also provide shade tarps and kiddie pools. We can also provide spay/neuter, vaccinations, microchips and have a small medical fund for minor health issues.	http://www.kaneskrusade.org P.O.
