

TOWN OF HANCOCK

3650 HANCOCK ROAD HANCOCK, MASSACHUSETTS 01237 413-738-5225 FAX 413-738-5310

October 28, 2019

Re: Town of Hancock website: town.hancock.ma.us

To Whom It May Concern:

With the Community Compact Grant the Town of Hancock hired a local company to build a town website – we have now entered the 21st century. On the website is information about all the departments in the town as well as names and contact information for the members of the various departments and committees and times and dates of their public meetings. There are also links to numerous forms that are needed by residents of the town as well as nonresidents which should save town offices time. On the home page is an announcement board that will be updated as needed to inform town residents of upcoming events of importance and interest. Also included is information about local businesses in town that tourists visiting our area should find helpful as well as hopefully providing more revenue to our local businesses and the State.

Sincerely,
Board of Selectmen

Sherman L. Derby, Sr., Chairman
