At this virtual public meeting, the DCR team for this project will discuss the Harlow House, a historic property located in Ellisville Harbor State Park in Plymouth. Currently vacant, many neighbors and stakeholders have reached out in the past year to express support for the preservation and reuse of the house. The purpose of the meeting is to present the current conditions, outline potential partnership opportunities and challenges, and gather feedback, ideas and potential partnership possibilities.

The public will be invited to ask questions and provide feedback on the presentation, using the Q&A functionality that will be available through the virtual participation platform. After the meeting, the presentation will be available for viewing at <https://www.mass.gov/dcr/past-public-meetings>. DCR encourages the public to share additional feedback, with a deadline for receipt of comments by DCR of August 28th. Comments may be submitted online at <http://www.mass.gov/dcr/public-comment>. Please note that the content of comments you submit to DCR, along with your name, town, and zip code, will be posted on DCR's website. Additional contact information required when commenting, notably email address, will only be used for outreach on future updates on the subject project or property.

If you have agency-related questions or concerns or would like to be added to an email list to receive DCR general or project-specific announcements, please email Mass.Parks@mass.gov or call 617-626-4973.
