NOTICE OF FINAL PERMIT DETERMINATION

In Re: Issuance of Final Hazardous Waste Facility Permit - #31B/2018

Issued to: Tradebe Treatment and Recycling of Stoughton, LLC
441R Canton Street
Stoughton, MA 02072
EPA ID#: MAD062179890

Tradebe Treatment and Recycling of Stoughton, LLC (Tradebe Stoughton) submitted a license renewal application to allow the company to continue hazardous waste operations. Following a technical review of the application, MassDEP and Tradebe Stoughton prepared a draft permit. Public Notice of the draft permit was given in the Brockton Enterprise on September 26, 2018. Copies of the draft license were available for public review at the Stoughton Board of Health and Public Library, USEPA in Boston and MassDEP's Lakeville and Boston Offices. The Department did not receive any written comments during the public comment period (September 28, 2018 through November 10, 2018). No changes other than several typographical corrections were made in the final license.

Therefore, MassDEP grants Tradebe Stoughton a final hazardous waste facility license. Any person aggrieved by this decision may request an adjudicatory hearing before MassDEP; please refer to the "Appeal Rights and Time Limits" procedures attached to this notice. The final license becomes effective either (a) 21 days after the date of execution by MassDEP of the attached Certification Statement pursuant to 310 CMR 30.838(1) unless the final determination is appealed during the 21 day period, or (b) at the conclusion of the Adjudicatory Hearing Process, pursuant to M/G.L. c. 21C and c. 30A, and 310, CMR 1.00.
