Service Provision

All ABI and MFP waiver services receiving enhanced funding must be delivered in accordance with all applicable program requirements and regulations as set forth in 130 CMR 630.000: *Home and Community-based Services Waivers*.

Administrative and Billing Requirements

All existing provider billing processes will remain in effect during the period of enhanced funding as described in this bulletin. Providers must submit claims according to policies and procedures set forth in applicable administrative and billing regulations and supporting guidance.

Allowable Uses of Enhanced Funding for Workforce Development

Providers are required to use at least 90% of the 10% work force development rate add-on for the specific purposes of recruiting, building, and retaining their direct care and support workforce.

EOHHS guidance about allowable uses of the enhanced funding, including eligible direct care and support staff and categories of compensation, is available at www.mass.gov/doc/for-masshealth-providers-home-and-community-based-service-enhanced-rate-add-ons-using-american-rescue-plan-act-arpa-funding/download.

As noted in the EOHHS guidance, ABI and MFP waiver providers who are individual (self-employed) providers or self-directed service providers are not subject to the allowable use requirements, and are not required to submit an attestation or spending report.

Provider Attestation and Spending Report

As a condition of receipt of these additional funds, eligible provider agencies must complete an attestation assuring EOHHS that they will use at least 90% of the workforce development rate add-on for HCBS workforce development and submit a spending report to EOHHS that accounts for how the enhanced funds were used.

Providers will be required to submit a spending report no later than December 31, 2022, to report on enhanced funds related to the period of July 1, 2021, through June 30, 2022. A final spending report will be due December 31, 2023 and must account for enhanced funds related to the period of July 1, 2022, through June 30, 2023.
