

Health Safety Net Active Pharmacy

The Health Safety Net (HSN) will pay for prescriptions filled at a community health center, acute care hospital or a contract pharmacy if the pharmacy has an approved agreement with a HSN provider. The affiliated Community Health Center (CHC) or acute care hospital listed below can help you identify which pharmacy your provider is contracted with. Before fulfilling your prescription, check with your prescribing provider to confirm that the pharmacy is eligible for HSN coverage for their site. Although this list is updated regularly, your provider has the most up-to-date information about participating pharmacies.
