HIP Incentives by Month

New HIP Households by Month

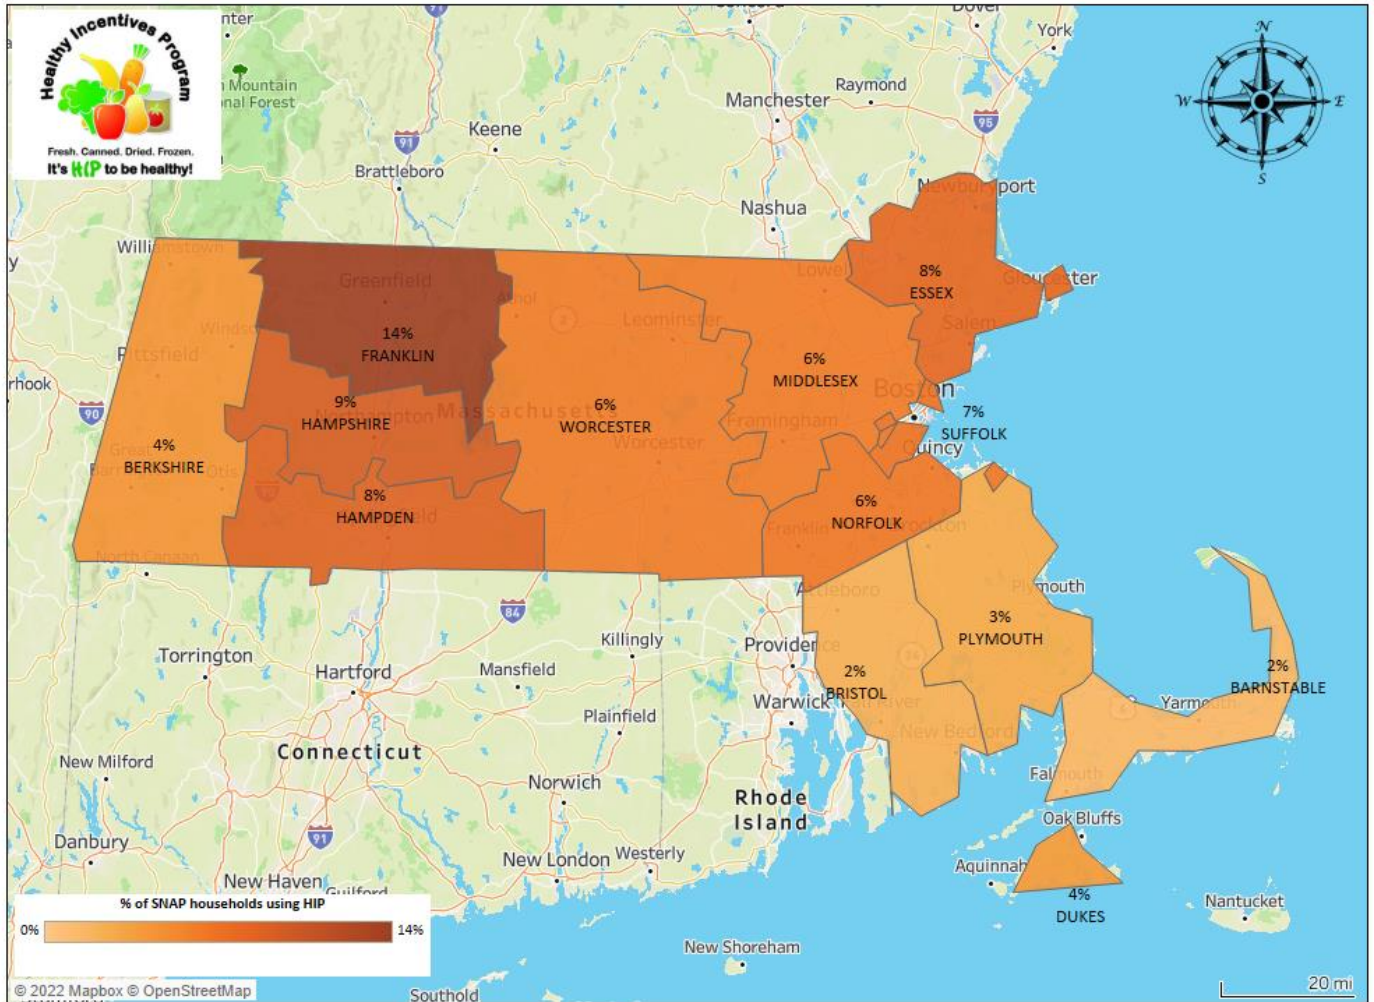

HIP Households within the Month

July 2022 HIP Household Usage by County

Note: This heatmap has been updated to reflect the percentage of SNAP Households that used their HIP benefits.

ADDITIONAL INFORMATION

| Healthy Incentives Program (HIP) | Eating fruits and vegetables each day is important for your health. HIP helps you buy more fruits and vegetables for your household. | | | | | | | | |
|---|--|----------------|-----------------|-------------|------|-------------|------|------------|------|
| | We automatically enroll SNAP households in HIP. | | | | | | | | |
| | Use your SNAP benefits at one of our HIP retailers to buy fruits and vegetables. You will receive \$1 for each dollar you spend on eligible fruits and vegetables, up to a monthly limit. Our HIP retailers include: <ul style="list-style-type: none"> - farmers' markets - farm stands - mobile markets - community supported agriculture (CSA) farm share programs Important: You must have a SNAP balance to earn the HIP incentive benefits. | | | | | | | | |
| | Your monthly cap is based on your household size. | | | | | | | | |
