

Shopping with WIC during COVID-19

Simplify your shopping by using the WIC Shopper App!

The app allows you to:

- Scan items to ensure they are WIC approved
- Know your current benefits available for each month
- Find information about any temporary food changes being made during COVID-19
- View a current listing of all stores accepting WIC

Several stores accept WIC at their self-checkout!

- Walmart Supercenter
- Price Rite
- Shaw's (not 130 River St. in Waltham)
- Star Market

A family member or trusted person can shop for you!

Other helpful hints!

- The WIC Card allows you to shop in more than one store
- It's helpful to review the WIC Approved Food Guide and your benefits prior to shopping
- Keep in mind, at WIC authorized pharmacies, you can only purchase infant formula
- Plan your shopping trip
