Due to an unforeseen conflict, this meeting is being rescheduled to Wednesday, September 28th.

At this virtual public meeting, the DCR team for the Herter Park Master Plan project will present the final master plan. The *Christian A. Herter Park Master Plan* will realize DCR's vision for a dynamic and accessible 4-season facility set in a rich and diverse riverine habitat. To improve visitor experience and neighborhood connections, the Master Plan makes recommendations for improved circulation and accessibility, stormwater management and green infrastructure, utility infrastructure, special events programming and landscape management.

After the meeting, the presentation and the 2022 *Christian A. Herter Park Master Plan* will be available for viewing at <https://www.mass.gov/dcr/past-public-meetings>.
