I-90/I-95 Newton-Weston Traffic Shifts

New Route 30/Park Road offramp

4

- “Ramp K:” I-90 WB to Park Road/Route 30 in Weston
- Successful traffic shift completed overnight Friday, Aug. 7

FAIR Program Update

5

- Funding for Accelerated Infrastructure Repair (FAIR) program was announced by Governor Healey in January 2026 to support municipalities in addressing maintenance backlog of local bridges
- Started with 26 local bridges in District 1 and District 2
- Program has expanded to 64 bridges
- Contracting methods to expedite construction: individual project, task order, reimbursable agreement
- 6 Bridges completed so far; all but 13 are in design, signed agreements, procurement or construction.

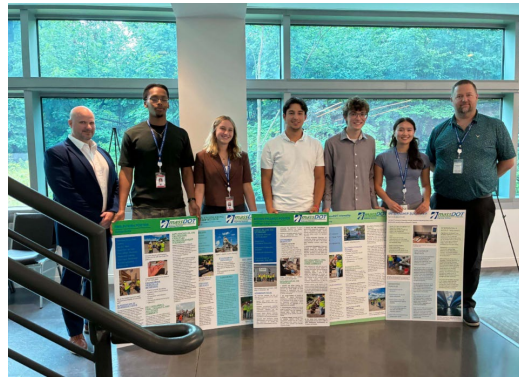

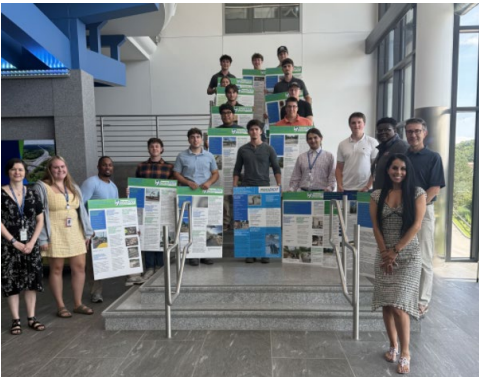

Deck work taking place on East Housatonic Street in Dalton

2026 Intern and Co-op Programs

6

- Hands-on experience for undergrad, grad students across entire organization
- Mentorship, professional development, networking: building skills, exploring career pathways
- So far, in 2026, welcomed a total of 274 interns and co-ops across three cohorts

Thank You
