AGREEMENT

This Cable Television Renewal License entered into by and between the Mayor of the City of Holyoke, Massachusetts, as Issuing Authority for the grant of the cable television license(s) pursuant to M.G.L. c. 166A, and Comcast of Massachusetts II, Inc. (“Comcast” or the “Licensee”).

WITNESSETH

WHEREAS, the Issuing Authority of the City of Holyoke, Massachusetts, pursuant to M.G.L. c. 166A, is authorized to grant one or more nonexclusive cable television licenses to construct, operate and maintain a Cable Television System within the City of Holyoke; and

WHEREAS, the Issuing Authority conducted two (2) public ascertainment hearings, pursuant to Section 626 of the Cable Act, on October 25, 2012 and January 30, 2013 in order to (1) ascertain the future cable related community needs and interests of Holyoke, and (2) review the performance of Comcast and its predecessors during its then-current license term; and

WHEREAS, the Issuing Authority and Comcast engaged in good faith negotiations pursuant to Section 626(h) of the Cable Act and did agree thereto on terms and provisions for Comcast’s continued operations and maintenance of its Cable Television System in the City of Holyoke.

NOW THEREFORE, in consideration of the mutual covenants herein contained and intending to be legally bound, the parties agree as follows:

-City of Holyoke Cable Television Renewal License-
March 12, 2014-March 11, 2024

ARTICLE 1

DEFINITIONS

Section 1.1---DEFINITIONS

For the purpose of this Renewal License, the following words, terms, phrases and their derivations and abbreviations shall have the meanings given herein, unless the context clearly requires a different meaning. When not inconsistent with the context, the masculine pronoun includes the feminine pronoun, words used in the present tense include the future tense, words in the plural number include the singular number and words in the singular number include the plural number. The word shall is always mandatory and not merely directory.

(1) Access: The right or ability of any Holyoke resident and/or any Persons affiliated with a Holyoke institution to use designated Public, Education and Government (“PEG”) Access facilities, equipment and/or PEG Access channels of the Cable Television System, subject to the conditions and procedures established for such use.

(2) Access Channel: A video channel which the Licensee owns and makes available, without charge, for the purpose of transmitting non-commercial programming by members of the public, City departments and agencies, public schools, educational, institutional and/or similar organizations.

(3) Access Corporation: The entity, designated by the Issuing Authority from time to time, for the purpose of operating and managing the use of Public, Educational and Governmental (“PEG”) Access funding, equipment and channels on the Cable Television System.

(4) Affiliate or Affiliated Person: When used in relation to any Person, means another Person who owns or controls, is owned or controlled by, or is under common ownership or control with, such Person.

(5) Basic Service: Any service tier which includes the retransmission of local television broadcast signals.

(6) CMR: The Code of Massachusetts Regulations.

(7) Cable Act: Public Law No. 98-549, 98 Stat. 2779 (1984) (the Cable Communications Policy Act of 1984), as amended by Public Law No. 102-385, 106 Stat. 1460 (1992) (the Cable Television Consumer Protection and Competition Act of 1992, and as further amended by Public Law No. 104-458, 110 Stat. 110 (1996)(the Telecommunications Act of 1996).

-City of Holyoke Cable Television Renewal License-
March 12, 2014-March 11, 2024

(8) Cable Division: The Cable Television Division of the Massachusetts Department of Telecommunications and Cable.

(9) Cable Service or Service: The one-way transmission to Subscribers of Video Programming or other Programming services, together with Subscriber interaction, if any, which is required for the selection of such Video Programming or other Programming services, which the Licensee may make available to all Subscribers generally.

(10) Cable Television System or Cable System: A facility consisting of a set of closed transmission paths and associated signal generation, reception, and control equipment that is designed to provide Cable Service which includes video programming and which is provided to multiple Subscribers within the City, but such term does not include (A) a facility that serves only to retransmit the television signals of one or more television broadcast stations; (B) a facility that serves Subscribers without using any public right-of-way; (C) a facility of a common carrier which is subject, in whole or in part, to the provisions of Title II of the Cable Act, except that such facility shall be considered a cable system (other than for purposes of section 621(c) of the Cable Act) to the extent such facility is used in the transmission of video programming directly to Subscribers, unless the extent of such use is solely to provide interactive on-demand services; (D) an open video system that complies with section 653 of the Communications Act; or (E) any facilities of any electric utility used solely for operating its electric utility systems.

(11) City: The City of Holyoke, Massachusetts.

(12) City Solicitor: The City Solicitor of Holyoke, Massachusetts.

(13) Commercial Subscriber: A commercial, non-residential Subscriber to Cable Service.

(14) Complaint: Any written or verbal contact with the Licensee in connection with subscription in which a Person expresses dissatisfaction with an act, omission, product or service that is (1) within the Licensee's control, and (2) requires a corrective measure on the part of the Licensee.

(15) Converter: Any device changing the frequency of a Signal. A Subscriber Converter may expand reception capacity and/or unscramble coded Signals distributed over the Cable System.

(16) Department of Public Works ("DPW"): The Department of Public Works of the City of Holyoke, Massachusetts.

(17) Downstream Channel: A channel over which Signals travel from the Cable System Headend or Hub Site to an authorized recipient of Programming.

(18) Drop or Cable Drop: The cable that connects an Outlet to feeder cable of the Cable System.

-City of Holyoke Cable Television Renewal License-
March 12, 2014-March 11, 2024

(19) Educational Access Channel: A specific channel(s) on the Cable System owned and made available by the Licensee to the Issuing Authority, educational institutions and/or the Access Corporation to present non-commercial educational programming and information to the public.

(20) Effective Date of Renewal License (the "Effective Date"): March 12, 2014.

(21) FCC: The Federal Communications Commission, or any successor agency.

(22) Government Access Channel: A specific channel(s) on the Cable System owned and made available by the Licensee to the Issuing Authority and/or his or her designees for the presentation of non-commercial programming and/or information to the public.

(23) Gross Annual Revenues: All revenues derived by the Licensee and/or its Affiliates, calculated in accordance with Generally Accepted Accounting Principles ("GAAP"), from the operation of the Cable Television System for the provision of Cable Service(s) over the Cable Television System including, without limitation: the distribution of any Service over the Cable System; Basic Service monthly fees and all other Service fees; any and all Cable Service fees and/or charges received from Subscribers; installation, reconnection, downgrade, upgrade and any similar fees; all digital Cable Service revenues; interest collected on Subscriber fees and/or charges; fees paid on all Subscriber fees ("Fee-on-Fee"); all Commercial Subscriber revenues; all Pay Cable, Pay-Per-View revenues; any other services now or in the future deemed to be lawful for purposes of computing Gross Annual Revenues by a court or forum of appropriate jurisdiction; video-on-demand Cable Services; fees paid for channels designated for commercial use; home-shopping revenues; Converter, remote control and other cable-related equipment rentals and/or leases and/or sales; and advertising revenues. In the event that an Affiliate and/or any other Person is responsible for advertising, advertising revenues shall be deemed to be the pro-rata portion of advertising revenues, paid to the Cable System by an Affiliate or such other Person for said Affiliate's or other Person's use of the Cable System for the carriage of advertising. Gross Annual Revenues shall also include the gross revenue of any other Person which is received directly or indirectly from or in connection with the operation of the Cable System to the extent that said revenue is received, through a means which has the effect of avoiding payment of License Fees to the City that would otherwise be paid herein. It is the intention of the parties hereto that Gross Annual Revenues shall only include such revenue of such Affiliates and/or Persons relating to Signal carriage over the Cable System and not the gross revenues of any such Affiliate(s) and/or Person(s) itself, where unrelated to such Signal carriage. Gross Annual Revenues shall not include actual bad debt that is written off, consistent with GAAP; provided, however, that all or any part of any such actual bad debt that is written off, but subsequently collected, shall be included in Gross Annual Revenues in the period so collected.

(24) Headend: The electronic control center of the Cable System containing equipment that receives, amplifies, filters and converts incoming Signals for distribution over the Cable System.

(25) Hub or Hub-Site: A sub-Headend, generally located within a cable television community, used for the purpose of Signal processing.

-City of Holyoke Cable Television Renewal License-
March 12, 2014-March 11, 2024

(40)Public Access Channel: A specific channel(s) on the Cable System owned and made available by the Licensee to the Issuing Authority and/or the Access Corporation for use by, among others, Holyoke residents and/or organizations wishing to present non-commercial Public Access Programming and/or information to the public.

(41)Public Way or Street: The surface of, as well as the spaces above and below, any and all public streets, avenues, highways, boulevards, concourses, driveways, bridges, tunnels, parks, parkways, waterways, bulkheads, piers, dedicated public utility easements, and public grounds or waters and all other publicly owned real property within or belonging to the City, now or hereafter existing. Reference herein to "Public Way" or "Street" shall not be construed to be a representation or guarantee by the City that its property rights are sufficient to permit its use for any purpose, or that the Licensee shall gain or be permitted to exercise any rights to use property in the City greater than those already possessed by the City.

(42)Renewal License: The non-exclusive Cable Television License granted to the Licensee by this instrument.

(43)Scrambling/encoding: The electronic distortion of a Signal(s) in order to render it unintelligible or unreceivable without the use of a Converter or other decoding device.

(44)Service: Any Basic Cable Service, any Pay Cable Service, and/or any other Cable Service, which is offered to any Subscriber in conjunction with, or which is distributed over, the Cable System.

(45)Signal: Any transmission of electromagnetic or optical energy which carries Programming from one location to another.

(46)State: The Commonwealth of Massachusetts.

(47)Subscriber: Any Person, firm, corporation or other entity, who or which contracts with the Licensee and lawfully receives, for any purpose, a Cable Service provided or distributed by the Licensee by means of, or in connection with, Cable Television System.

(48)Subscriber Network: The 750 MHz, bi-directional network, owned and operated by the Licensee, over which Signals can be transmitted to Subscribers.

(49)Trunk and Distribution System: That portion of the Cable System for the delivery of Signals, but not including Drops to Subscriber's residences.

(50)Upstream Channel: A channel over which Signals travel from an authorized location to the Cable System Headend.

-City of Holyoke Cable Television Renewal License-
March 12, 2014-March 11, 2024

(51)User: A Person utilizing the Cable Television System, including all related facilities for the purposes of production and/or transmission of electronic or other Signals as opposed to utilization solely as a Subscriber.

(52)Video Programming or Programming: Programming provided by, or generally considered comparable to programming provided by, a television broadcast station.

ARTICLE 2

GRANT OF RENEWAL LICENSE

Section 2.1---GRANT OF RENEWAL LICENSE

Pursuant to the authority of Chapter 166A of the General Laws of the Commonwealth of Massachusetts, and subject to the terms and conditions set forth herein, the Mayor of the City of Holyoke, Massachusetts, as the Issuing Authority of the City, hereby grants a non-exclusive Cable Television Renewal License to the Licensee authorizing the Licensee to operate and maintain a Cable Television System within the corporate limits of the City of Holyoke.

This Renewal License is subject to the terms and conditions contained in Chapter 166A of the laws of Massachusetts; the regulations of the FCC; the Cable Act; and all City, State and federal statutes and ordinances of general application, as all may be amended.

Subject to the terms and conditions herein, the Issuing Authority hereby grants to the Licensee the right to lawfully operate and maintain a Cable Television System in, under, over, along, across or upon the Streets, lanes, avenues, alleys, sidewalks, bridges, highways and other public places under the jurisdiction of the City of Holyoke within the municipal boundaries and subsequent additions thereto, including property over, under or on which the City has an easement or right-of-way, for the purpose of reception, transmission, collection, amplification, origination, distribution, and/or redistribution of Signals in accordance with the laws of the United States of America, the Commonwealth of Massachusetts and the City of Holyoke. In exercising rights pursuant to this Renewal License, the Licensee shall not endanger the lives of Persons, or interfere with any installations of the City, any public utility serving the City or any other Persons permitted to use Public Ways and places.

Grant of this Renewal License does not establish priority for use over other present or future permit holders or the City's own use of Public Ways or Streets. Disputes between the Licensee and other parties regarding use of Public Ways or Streets shall be resolved in accordance with any applicable regulations of the City and any special laws or City ordinances and/or regulations enacted hereafter.

Section 2.2---TERM OF RENEWAL LICENSE

The term of this Renewal License shall commence on March 12, 2014 and shall expire on March 11, 2024, unless sooner terminated as provided herein.

-City of Holyoke Cable Television Renewal License-
March 12, 2014-March 11, 2024

Section 2.3---NON-EXCLUSIVITY OF RENEWAL LICENSE

(a) This Renewal License shall not affect the right of the Issuing Authority to grant to any other Person a license or right to occupy or use the Public Ways or Streets, or portions thereof, for the construction, upgrade, installation, operation or maintenance of a Cable Television System within the City of Holyoke; or the right of the Issuing Authority to permit the use of the Public Ways and places of the City for any purpose(s) whatsoever. The Licensee hereby acknowledges the Issuing Authority's right to make such grants and permit such uses.

(b) The grant of any additional cable television license(s) shall not be on terms more favorable or less burdensome than those contained in this Renewal License.

(i) In the event that the Licensee believes that any additional cable television license(s) have been granted on terms and conditions more favorable or less burdensome than those contained in this Renewal License, the Licensee may request, in writing, that the Issuing Authority convene a public hearing on that issue. Along with said written request, the Licensee shall provide the Issuing Authority with written reasons for his or her belief. At the public hearing, the Issuing Authority shall afford the Licensee an opportunity to demonstrate that any such additional cable television license(s) are on terms more favorable or less burdensome than those contained in this Renewal License. The Licensee shall provide the Issuing Authority with such financial or other relevant information as is requested.

(ii) Should the Licensee demonstrate that any such additional cable television license(s) have been granted on terms and conditions more favorable or less burdensome than those contained in this Renewal License, the Issuing Authority shall consider and negotiate, in good faith, equitable amendments to this Renewal License.

(c) The issuance of additional license(s) shall be subject to applicable federal law(s), M.G.L. Chapter 166A and applicable regulations promulgated thereunder.

Section 2.4---POLICE AND REGULATORY POWERS

By executing the Renewal License, the Licensee acknowledges that its rights are subject to the powers of the City to adopt and enforce general ordinances necessary to the safety and welfare of the public. The Licensee shall comply with all applicable State and City laws, ordinances of general applicability, and not specific to this Renewal License, the Cable System or the Licensee, rules, and regulations governing construction within a Public Way and shall apply all of such standards to construction within a private way in the City. Any conflict between the terms of the Renewal License and any present or future lawful exercise of the City's police and regulatory powers shall be resolved in a court of appropriate jurisdiction.

-City of Holyoke Cable Television Renewal License-
March 12, 2014-March 11, 2024

Section 2.5---REMOVAL OR ABANDONMENT

Upon termination of the Renewal License by passage of time or otherwise, and unless (1) the Licensee has its license renewed for another term or (2) the Licensee has transferred the Cable Television System to a transferee approved by the Issuing Authority, pursuant to applicable law, the Licensee shall remove all of its supporting structures, poles, Trunk and Distribution System, and all other appurtenances from the Public Ways and places and shall restore all areas. If such removal is not complete within six (6) months after such termination, the Issuing Authority may deem any property not removed as having been abandoned.

Section 2.6---TRANSFER OF THE RENEWAL LICENSE

(a) Subject to applicable law, neither this Renewal License, nor control thereof, shall be transferred, assigned or disposed of in any manner, voluntarily or involuntarily, directly or indirectly, or by transfer of control of any Person, company and/or other entity holding such Renewal License to any other Person, company and/or other entity, without the prior written consent of the Issuing Authority, which consent shall not be arbitrarily or unreasonably withheld or delayed. Such consent shall be given only after a public hearing upon a written application therefore on forms as may be prescribed by the Cable Division and/or the FCC. An application for consent to a transfer or assignment, if required, shall be signed by the Licensee and by the proposed transferee or assignee or by their representatives, evidence of whose authority shall be submitted with the application.

(b) Pursuant to applicable federal and State law(s), in considering a request to transfer control of the Renewal License, the Issuing Authority may consider such factors as the transferee's financial capability, management experience, technical expertise, legal ability to operate the Cable System under the existing license and any other criteria allowable under such applicable law(s) and/or regulation(s).

(c) For purposes of this Section 2.6, the word "control" shall comply with the definition of such in 207 CMR 4.01, as may be amended from time to time. Pursuant to 207 CMR 4.01(2), a transfer or assignment of this Renewal License or control thereof between commonly controlled entities, between affiliated companies, or between parent and subsidiary corporations, shall not constitute a transfer or assignment of this Renewal License or control thereof under M.G.L. c. 166A, Section 7. For purposes of this Section 2.6(c) only, under 207 CMR 4.00, an "affiliated company" is any Person or entity that directly or indirectly, or through one or more intermediaries, controls, is controlled by, or is under common control with another Person or entity.

-City of Holyoke Cable Television Renewal License-
March 12, 2014-March 11, 2024

(d)The consent or approval of the Issuing Authority to any assignment or transfer of the Renewal License granted to the Licensee shall not constitute a waiver or release of the rights of the City in and to the streets and Public Ways or any other rights of the City under the Renewal License, and any such transfer shall, by its terms, be expressly subordinate to the terms and conditions of this Renewal License.

(e)The Licensee shall promptly notify the Issuing Authority of any action requiring the consent of the Issuing Authority pursuant to this Section 2.6.

(f)Subject to applicable law, the Licensee shall submit to the Issuing Authority an original and three (3) copies, unless otherwise required, of the application and FCC Form 394 requesting such transfer or assignment consent.

(g)The consent of the Issuing Authority shall be given only after a public hearing to consider the written application for transfer. Unless otherwise allowed by applicable law(s), the Issuing Authority shall make a decision on said written application within 120 days of receipt of said application. After 120 days, the application shall be deemed approved.

(h)Any proposed controlling or owning Person or transferee approved by the Issuing Authority shall be subject to all of the terms and conditions contained in the Renewal License.

Section 2.7---EFFECT OF UNAUTHORIZED TRANSFER ACTION

(a) Any transfer of the Cable System without complying with Section 2.6 above shall be null and void, and shall be deemed a material breach of this Renewal License.

(b) If the Issuing Authority denies its consent to any such action and a transfer has nevertheless been effected, the Issuing Authority may revoke and terminate the Renewal License, unless such transfer is otherwise allowable by applicable law.

(c) The grant or waiver of any one or more of such consents shall not render unnecessary any subsequent consent or consents, nor shall the grant of any such consent constitute a waiver of any other rights of the City.

ARTICLE 3

CABLE SYSTEM DESIGN

Section 3.1---SUBSCRIBER NETWORK

(a) The Licensee shall continue to own, operate, maintain and make available to all residents of the City a minimum 750 MHz Subscriber Network.

(b) The Licensee shall transmit all of its Signals to Holyoke Subscribers in stereo, provided that such Signals are available and furnished to the Licensee in stereo.

(c) The Cable Television System, pursuant to Section 3.1 herein, shall conform to the FCC technical specifications contained in **Exhibit 1** attached hereto and made a part hereof. At all times throughout the Renewal License, the Licensee shall meet all applicable FCC technical standards.

Section 3.2---INSTITUTIONAL NETWORK

(a) Through December 31, 2014, the Licensee shall continue to provide and maintain the current Institutional Network ("I-Net") operable for video transmission(s) from (i) Holyoke City Hall, 536 Dwight Street; (ii) Holyoke High School, 500 Beech Street; and (iii) Dean Vocational High School. Said I-Net shall continue to be capable of transmitting composite video transmissions.

(b) Unless otherwise provided herein, the City and/ its designated I-Net users shall be solely responsible for any and all interface equipment including but not limited to, video production equipment. Licensee shall be responsible for all equipment necessary to make interaction possible with the Subscriber Network.

(c) Through December 31, 2014, the Licensee shall continue to be responsible for maintaining the I-Net in accordance with the applicable FCC Rules and Regulation, Part 76. The costs of maintaining the I-Net shall be borne by the Licensee and Issuing Authority in accordance with applicable laws. After December 31, 2014, the Licensee shall have no further obligation to maintain or provide the I-Net.

Section 3.3---EMERGENCY ALERT OVERRIDE CAPACITY

ARTICLE 4

**CABLE SYSTEM LOCATION, MAINTENANCE
AND OPERATIONAL STANDARDS**

Section 4.1---SERVICE AVAILABLE TO ALL RESIDENTS

(a) Subject to paragraph (b) below, the area to be served is the entire City of Holyoke. Service shall be provided to every dwelling occupied by a Person requesting Cable Service that can be reached by the Cable System via the public right of way in the City or easements in the City over which the City has control, provided that the Licensee is able, in addition, to obtain from owners of private property any necessary easements and/or permits in accordance with applicable law(s).

(b)The Licensee shall make its Cable System available to residents of the City, unless legally prevented from doing so, subject only to the installation charges herein; provided, however, that the Licensee shall not be obligated to extend the Cable System into any area where there are fewer than twenty (20) dwelling units per aerial strand mile of cable and forty (40) dwelling units per underground mile of cable, calculated from the last dwelling unit to the end of the nearest feeder or trunk line.

(c)Installation charges shall be non-discriminatory. A standard aerial installation charge shall be established by the Licensee which shall apply to any residence located not more than One Hundred Fifty Feet (150') from the existing aerial Trunk and Distribution System and additions thereto. The Licensee may charge residents located more than 150' from the existing aerial Trunk and Distribution System, and additions thereto, time and materials charges. The Licensee shall have up to, but not more than, ninety (90) days, , in order to survey, design and install non-standard installations that are more than 150' from the existing aerial Trunk and Distribution System and additions thereto.

Section 4.2---LOCATION OF THE CABLE TELEVISION SYSTEM

The Licensee shall own, install, operate and maintain the Cable Television System within the City of Holyoke. Poles, towers, if any, and other obstructions shall be erected so as not to interfere with vehicular or pedestrian traffic over Public Ways. The erection and location of all Licensee-owned poles, towers, if any, and other obstructions shall be in accordance with all applicable State and local laws and regulations.

Section 4.3---UNDERGROUND FACILITIES

(a) In the areas of the City having telephone lines and electric utility lines underground, or in the future specified to be, underground, whether required by law or not, all of the Licensee's lines, cables and wires shall be underground. At such time as these facilities are placed underground by

the telephone and electric utility company, the Licensee shall likewise place its facilities underground at no cost to the City, unless the City makes public funds available to occupiers of the rights-of-way to aid in the cost of said underground project(s).

(b) Pursuant to Section 4.3(a) above, underground cable lines shall be placed beneath the pavement subgrade in compliance with applicable City by-laws, rules, regulations and/or standards. It is the policy of the City that existing poles for electric and communication purposes be utilized wherever possible and that underground installation is preferable to the placement of additional poles.

(c) Except as provided for in paragraph (a) herein, in the event that the Licensee is required to place existing aerial plant underground, the Licensee reserves its right to pass those costs through to Subscribers if and to the extent allowed by applicable law.

(d) Nothing in this Section 4.3 shall be construed to require the Licensee to construct, operate, or maintain underground any ground-mounted appurtenances such as Subscriber taps, line extenders, system passive devices, amplifiers, power supplies, pedestals, or other related equipment.

Section 4.4---TREE TRIMMING

In installing, operating and maintaining equipment, cable and wires, the Licensee shall avoid all unnecessary damage and/or injury to any and all shade and ornamental trees in and along the streets, alleys, Public Ways and places in the City. The Licensee shall be subject to M.G.L. Chapter 87 and shall comply with all rules established by the Issuing Authority and/or his or her designee(s) during the term of the Renewal License. All tree and/or root trimming and/or pruning provided for herein shall be done pursuant to appropriate regulations of the City.

Section 4.5---RESTORATION TO PRIOR CONDITION

Whenever the Licensee takes up or disturbs any pavement, sidewalk or other improvement of any Public Way or public place, the same shall be replaced and the surface restored in as good condition as before entry as soon as practicable. If the Licensee fails to make such restoration within a reasonable time, the Issuing Authority may fix a reasonable time for such restoration and repairs and shall notify the Licensee in writing of the restoration and repairs required and the time fixed for performance thereof. Upon failure of the Licensee to comply within the specified time period, the Issuing Authority may cause proper restoration and repairs to be made and the reasonable expense of such work shall be paid by the Licensee upon demand by the Issuing Authority.

Section 4.6---TEMPORARY RELOCATION

The Licensee shall temporarily raise or lower its wires or other equipment upon the reasonable request of any Person holding a building moving permit issued by the City at no cost to the City, unless otherwise required or permitted by applicable law. The Licensee shall be given reasonable notice necessary to maintain continuity of service.
