

Homicide Bereavement Services by County

MOVA funds free resources for crime victims throughout Massachusetts. Below is a list of some of these programs. You can find other programs MOVA funds at mass.gov/askmova. Services are listed in alphabetical order by county below. Each county starts on a new page. If a county is not listed below, it means MOVA doesn't fund homicide bereavement services in that county specifically. If you are looking for services in a county not listed, please contact MOVA's Victim Services Coordinator at 617-586-1340 for assistance.
