OF AGRICULTURAL RESOURCES
APIARY PROGRAM

Join the MDAR Apiary Program Team at the State Apiaries to get a tour of live honey bee colonies, hands-on demonstrations related to colony management and exposure to the latest information on how to best sustain bee health in the Commonwealth. Events will be held rain or shine. Free and open to the public, no registration required.

Attendees should wear closed-toe shoes, pants and long-sleeved shirts. Protective beekeeping gear will be provided (limited supplies available), if needed.
