

General License Search

The eLicensing and ePermitting portal allows you to search our database of existing licenses. With this search function, you can search for a specific license, or you can generate a list of licenses by your desired license category.

Accessing the Portal

You can navigate to the portal through the [ABCC website](#). Once there, scroll down to the **More Actions and Services** section and click **ABCC Publications**. Under Top Tasks, click on **ABCC Active Licenses**. From there, click on "**Search via ePLACE Portal**."

You can also access the portal directly through this link:

<https://elicensing21.mass.gov/CitizenAccess/Default.aspx>.

Accessing the Search Function

Once you enter the portal, navigate to the **Home** tab.

Note: You do not need to sign in or register for an account to use the search function.

The screenshot shows the ePLACE Portal homepage. At the top left is the state seal and the text "ePLACE Portal". On the right are links for "Announcements", "Sign Up", and "Login". Below these is a search bar with the placeholder "Search..." and a green search button. A navigation bar contains three tabs: "Home", "Licenses, Permits and Certificates", and "Complaints". The "Home" tab is circled in red. Below the navigation bar is a blue bar with "Advanced Search" and a dropdown arrow. The main content area is divided into two columns. The left column has a "Welcome!" section followed by a paragraph about the portal's functions, a "Log in to:" section with a bulleted list of actions, and a footer note. The right column has a "Sign In" section with two input fields: "USER NAME OR E-MAIL: *" and "PASSWORD: *". This "Sign In" section is circled in red with a diagonal line through it, indicating it is not required for the search function.

Once you're in the Home tab, scroll down to bottom of the page to the **General Information** section. Click on **Search for a Commonwealth Licensee**.
