YOU have the power to prevent COVID-19

If you are unvaccinated
PRACTICE SOCIAL DISTANCING

Go digital: keep up with friends and family online.

Stay home as much as you can.

If you have to go out:
• Don’t hang out in groups
• Stay 6 feet away from others
• Don’t shake hands or hug
• Don’t share food or drinks

And don’t forget to wash your hands. A LOT.

YOU can protect our most vulnerable!
