601 Introduction

MassHealth pays for the services represented by the codes listed in Subchapter 6 in effect at the time of service, subject to all conditions and limitations in MassHealth regulations at 130 CMR 431.000 and 450: *Administrative and Billing Regulations*. MassHealth providers must refer to the American Medical Association’s *Current Procedural Terminology (CPT) Professional* or the *Health Care Procedure Code Set (HCPCS) Level II* codebook for the service code and service descriptions when billing for services provided to MassHealth members.

An independent diagnostic testing facility (IDTF) may request prior authorization for any medically necessary service reimbursable under the federal Medicaid Act, in accordance with 130 CMR 450.144, 42 U.S.C. 1396d(a), and 42 U.S.C. 1396d(r)(5) for a MassHealth Standard or CommonHealth member younger than 21 years of age, even if it is not designated as covered or payable in Subchapter 6 of the *Independent Diagnostic Testing Facility Manual*.

“IC” indicates that the claim requires individual consideration. See 130 CMR 431.406 for more information. “PA” indicates that the service requires prior authorization. See 130 CMR 450.303 for more information.
