

Informational Guideline Release

Property Tax Bureau
Informational Guideline Release (IGR) No. 04-202
March 2004

FISCAL YEAR 2005 TAX BILLS **QUARTERLY TAX PAYMENT SYSTEM**

(G.L. Ch. 59 §57C and Ch. 60 §§3 and 3A)

This Informational Guideline Release (IGR) explains the requirements and procedures for implementing a quarterly tax payment system in Fiscal Year 2005 and provides "model" preliminary tax bills, actual tax bills and demands for use by cities, towns and districts that have adopted that system.

Preliminary tax bills for FY05 have been revised to reflect 2003 legislation that removed prior limits on the preliminary tax amount. See Section II-B, page 4, and the reverse side of Models 1(Q) and 2(Q). In addition, actual tax bills must now include a statement of overdue taxes and charges to alert taxpayers, mortgagees and other interested parties of outstanding obligations that they should further investigate and address. The statement is simply a notice intended to facilitate collection and the community's collection remedies are not affected by any omissions. The minimum standards for the form and content of the notice are found in Section III-C-1(I), pages 19-22. Collectors may provide more detailed information and may develop their own formats for the statement. They may also place the notice on preliminary bills. Sample notices are found in the attached "Sample Delinquency Notices."

Questions on billing and collection procedures may be referred to the Property Tax Bureau. Questions on "Pro Forma" Recaps should be referred to your Bureau of Accounts field representative. Balanced pro forma recaps are required for communities seeking approval from the Commissioner of Revenue to issue a third quarter preliminary tax bill, and in some circumstances, may be required for communities seeking approval to issue the first preliminary tax bill after October 1.

FISCAL YEAR 2005 TAX BILLS
QUARTERLY TAX PAYMENT SYSTEM

(G.L. Ch. 59 §57C and Ch. 60 §§3 and 3A)

General Laws Chapter 59, Section 57C, authorizes cities and towns to implement a quarterly tax payment system.

The purpose of the quarterly tax payment system is to provide taxpayers with greater certainty about payment due dates and communities with a more evenly distributed level of income throughout the fiscal year. Under a quarterly tax payment system, a city or town substantially reduces if not eliminates costly short-term borrowing in anticipation of tax revenue and generally increases investment income.

These guidelines set forth requirements and procedures for implementing the quarterly tax payment system in Fiscal Year 2005 by communities that have adopted it and establish requirements for the form and content of tax bills in those communities.

Quarterly Tax Payment System Features

If a city or town accepts G.L. Ch. 59 §57C, and adopts a quarterly tax billing system, property tax payments for that community, and that portion of a tax levying district within it, will ordinarily be made on this schedule: August 1, November 1, February 1 and May 1. Under the quarterly system:

- The assessors make a preliminary tax commitment each year in sufficient time for the collector to mail preliminary tax bills by July 1.
- The collector mails the preliminary tax bills each year by July 1.
- The preliminary tax is payable in two equal installments. The first installment is due on August 1. The second installment is due on November 1.
- Preliminary bills may be mailed after July 1, with the approval of the Commissioner of Revenue. The Commissioner may establish conditions for obtaining that approval, including the requirement that a pro forma recapitulation sheet be submitted.

- In the case of late billing, the preliminary tax is still payable in two equal installments if the bills are mailed on or before August 1. The first installment is due on August 1, or 30 days after the preliminary tax bills are mailed, whichever is later. The second installment is due on November 1.
- If the bills are mailed after August 1, however, the entire preliminary tax is due in a single installment on November 1, or 30 days after the bills are mailed, whichever is later. There is no payment due on August 1.
- After the city or town sets its tax rate, the assessors make the actual tax commitment and the collector mails actual tax bills for the year.
- If actual tax bills are mailed on or before December 31, the balance after the first and second preliminary tax installments are credited against the actual tax is payable in two equal installments. The first installment is due on February 1. The second installment is due on May 1.
- If actual tax bills cannot be mailed by December 31, a third quarter preliminary tax bill may be issued with the approval of the Commissioner of Revenue. The Commissioner may establish conditions for obtaining that approval, including the requirement that a pro forma recapitulation sheet be submitted. The third quarter preliminary installment cannot exceed the amount of the first quarter payment installment and is due February 1, or 30 days after the date the bills are mailed, whichever is later.
- Actual tax bills mailed after December 31 are payable May 1, or 30 days after the tax bills are mailed, whichever is later. If third quarter preliminary tax bills were issued, the amount due on that date is the balance after the first, second, and third quarter preliminary tax installments are credited to the actual tax. Otherwise, the entire balance after the first and second preliminary tax installments are credited to the actual tax is due on that date. No actual tax payment is due on February 1.
- The entire amount billed as an omitted or revised assessment is due on May 1, or 30 days after the bill is mailed, whichever is later.
- Interest on delinquent actual, omitted and revised tax payments is charged from the due date, *i.e.*, only for the number of days the payment is actually unpaid and overdue.

GUIDELINES:

I. LOCAL ACCEPTANCE AND ADOPTION

A. Vote of Legislative Body

A quarterly tax payment system may only be used in cities and towns that have accepted G.L. Ch. 59 §57C and specified that the acceptance is for the purpose of adopting or establishing a quarterly tax payment system. Acceptance and adoption requires a majority vote of town meeting, town council or city council.

B. Effective Date

In cities and towns that accept the statute before July 1, 2004, the quarterly tax payment system must be implemented for FY05 unless another implementation date is specifically designated by the town meeting, town council or city council vote.

A city or town intending to implement the quarterly tax payment system for the first time in FY05 should vote to accept the statute and establish the system as soon as possible in order to allow sufficient time for the assessors and collector to prepare for a July 1 preliminary tax billing.

C. Districts

The decision of a community to use a quarterly tax payment system also governs the assessment and collection of property taxes for that portion of a tax levying district located within the community.

II. PRELIMINARY TAX COMMITMENT AND BILLING

The assessors in communities that use a quarterly tax payment system for FY05 are to make a preliminary tax commitment in sufficient time for the collector to prepare and mail preliminary tax bills by July 1, 2004.

A. Preparation of FY05 Assessment Roll

The assessors must prepare the legal file that will be used for FY05 tax commitment and billing. This file will be used for both the preliminary and actual tax commitment and billing. Therefore, it must identify all real property parcels and personal property accounts subject to taxation in FY05 and the person(s) to be assessed FY05 taxes on those parcels and accounts.

For the assessors to make the preliminary tax commitment in sufficient time for the collector to issue preliminary tax bills by July 1, it is essential that the assessors begin updating the legal file as soon as the information on the following becomes available:

1. Ownership changes as of January 1, 2004.
2. Lot splits, subdivisions and condominium conversions as of January 1, 2004.
3. Personal property accounts as of January 1, 2004.

B. Determination of Preliminary Tax

After completing the legal file, the assessors must determine the FY05 preliminary tax for each parcel and account in the file.

The assessors may use any method reasonably calculated to arrive at a proportional preliminary tax for all real property parcels and personal property accounts subject to taxation in FY05. They may base the preliminary tax on the FY04 tax, an estimate of the FY05 tax, a combination of the FY04 tax and FY05 anticipated tax increase, or any other method designed to apportion a fair share of the year's tax. Any method used, however, must be uniformly applied.

C. Preliminary Tax Installments

The number and amount of the preliminary tax installments is determined by when the preliminary tax bill is issued and mailed. If the preliminary tax bills are mailed on or before August 1, 2004, the preliminary tax is payable in two equal installments. However, if the bills are mailed after August 1, 2004, the balance is payable in one installment only.

D. Preliminary Tax Commitment and Billing

1. General

The provisions of law regarding the procedures for issuing, mailing and collecting property tax and betterment assessments apply to the preliminary tax committed in communities using a quarterly tax payment system.

2. Preliminary Tax Commitment

Once the assessors have completed the legal file and have determined the amount of preliminary tax to be assessed on each parcel and account, they must commit the preliminary tax with a warrant to the collector.

The assessors may also commit with the preliminary tax any of the betterments, special assessments, liens or other charges that are to be added to the FY05 tax on the property for collection purposes. These special assessments and charges will then become due at the same time as the preliminary tax.

The assessors should make the FY05 preliminary tax commitment in sufficient time for the collector to prepare and mail preliminary tax bills by July 1, 2004.

a. Commitment List

The commitment list must contain, at a minimum, (1) the name of the taxpayer(s), (2) an identification of the property, (3) the amount of the preliminary tax and (4) the amount of each installment payment. The property identification must be sufficient to allow the collector to properly credit the preliminary tax to the actual tax assessed and committed for FY05. For example, the map, block and lot number, the account number or other unique identifier may be used.

The commitment list must also show the (1) preliminary tax and (2) for real property parcels in communities billing betterments, special assessments, liens or other charges with the preliminary tax, the type, amount and committed interest for each assessment billed.

b. Warrant

Regular real estate and personal property warrants may be used if modified to indicate that they are for preliminary taxes under the provisions of G.L. Ch. 59 §57C.

3. Bill Form and Content

Preliminary tax bills for communities using a quarterly tax payment system in FY05 must meet the requirements for form and content set forth in this guideline. Only bills that meet these requirements may state "This form approved by Commissioner of Revenue." The attached "model" preliminary tax bills 1(Q) (real estate) and 2(Q) (personal property) meet these requirements.

a. Content

Preliminary tax bills for FY05 must include:

(1) Fiscal Year - The bills must be captioned "Fiscal Year 2005 Preliminary Real Estate Tax Bill" or "Fiscal Year 2005 Preliminary Personal Property Tax Bill."

(2) Taxpayer Information - The names(s) and mailing address of the person(s) assessed the tax must be shown.

If the person assessed the tax is not the owner when the bills are mailed, the bill may be mailed in care of the current owner(s). In that case, the bill must show the name of the person(s) assessed the tax and the name(s) and mailing address of the current owner(s).

(3) Property Identification and Location - Sufficient information to identify the parcel of real property or personal property account must be shown.

(a) For real property parcels, this information must include the location by street and number, if any, and the map, block and lot number or other unique identifier used by the assessors to identify the property. Other identifying information, such as a deed reference, may be included but is not required.

(b) For personal property accounts, this information should include any unique identifier such as account number used by the assessors to identify the property.

- (4) Special Assessment Information - For real property parcels, the following information must be shown for any betterments, special assessments, liens or other charges being billed with the preliminary tax:
- Type of each assessment added - The type may be listed by code, provided the code is shown.
 - Amount of each assessment added.
 - Committed interest added for each assessment.
 - Total special assessments and committed interest added to the tax.
- (5) Tax Information - The following tax information must be shown:
- (a) For real property parcels, the total Preliminary Tax assessed must be shown.
- In addition, the Total Preliminary Tax and Special Assessments Due must be shown. This represents the total preliminary tax and special assessments, including committed interest, being billed with the preliminary tax.
- (b) For personal property accounts, the total Preliminary Tax assessed must be shown.
- (6) Payment Information - The following payment information must be provided:
- Amount of preliminary tax.
 - Amount payable by August 1, 2004 (or 30 days after the bills are mailed, whichever is later).
 - Amount payable by November 1, 2004.
- (7) Payment Instructions - The bill must include instructions on making payments that should include at a minimum the following:
- Checks are payable to the city/town.
 - The address to mail payments.
 - The Collector's Office hours.

(8) Billing/ Appeal Rights Information -

- The bill must include the following statement on interest computation: "Interest at the rate of 14% per annum will accrue on overdue payments from the due date until payment is made."
- The reverse side of the bill must provide the billing and appeal rights information shown in Models 1(Q) (real estate) and 2(Q) (personal property).

Preliminary tax bills may not contain any actual or proposed FY05 valuations or tax rates.

b. Form

Cities and towns may use the format shown in the models or may adapt the format to local specifications, provided that the format used presents the required content to the taxpayer in a clear and concise manner.

4. Mailing Deadline and Procedures

a. Timely Mailing/ Authority for Late Mailing

There is no deadline for mailing the FY05 preliminary tax bills, although the collector must mail them by August 1, 2004 for the preliminary tax (including betterments, special assessments, liens and other charges billed with the preliminary tax) to be payable in two installments. See Section II-C-6 below.

Wherever possible, however, collectors should mail the FY05 preliminary tax bill on or before July 1, 2004 for the two installments to be due on the regular quarterly schedule. **Collectors are authorized by these guidelines to issue the bills after July 1, 2004, but not later than October 1, 2004. Upon written request, communities may also be given specific authorization by the Commissioner to issue the bills after October 1.** The Commissioner may require the submission of a balanced "Pro Forma" Recapitulation Sheet from those communities, depending on the individual circumstances.

b. Single/Multiple Mailing

Only one preliminary tax bill mailing is required even if the preliminary tax is payable in two installments. This means a single mailing that includes some means for making two remittances, such as a single bill with two payment stubs or two separate bill forms, is sufficient.

However, collectors may elect to mail a second bill to each taxpayer sometime after the due date of the first preliminary tax installment payment. The second bill must include the same information as the bill mailed before August 1. It may also include the following payment information for the purpose of providing the taxpayer with a current statement of the account:

- Amount of preliminary tax abated.
- Payments made.
- Amount of 1st preliminary tax installment payment overdue.
- Amount of interest on overdue payment to date bill issued.
- Amount payable by November 1, 2004.

5. Taxpayer Informational Enclosure

In communities implementing a quarterly tax payment system for the first time in FY05, a separate enclosure explaining the new payment system should be included with all preliminary tax bills mailed. The attached "model" informational release may be used for that purpose.

6. Payment Due Dates

If the FY05 preliminary tax bills are mailed on or before August 1, 2004, the preliminary tax (including betterments, special assessments, liens and other charges billed with the preliminary tax) is payable in two equal installments. The first FY05 preliminary tax installment payment is due on August 1, 2004, or 30 days after the bills are mailed, whichever is later. The second installment payment is due on November 1, 2004.

If, for any reason, the FY05 preliminary tax bills are mailed after August 1, 2004, the entire balance is payable in one installment due on November 1, 2004, or 30 days after the bills were mailed, whichever is later. There is no payment due on August 1, 2004 and no interest can be charged taxpayers until after November 1, 2004.

7. Interest

Interest accrues at the rate of 14 percent a year on delinquent preliminary tax installment balances. Interest is computed on the unpaid and overdue amount from the installment due date until payment is made.

Therefore, if FY05 preliminary tax bills are mailed on or before August 1, 2004, interest on delinquent first installment payments is computed from August 1, 2004, or the payment due date, whichever is later, and on delinquent second installment payments from November 1, 2004 until payment is made.

If FY05 preliminary tax bills are mailed after August 1, 2004, interest on delinquent tax payments is computed from November 1, 2004, or the payment due date, whichever is later, until payment is made.

D. Administrative Procedures and Remedies

1. Omitted Parcels and Accounts

If a parcel or account is omitted from the commitment of FY05 preliminary taxes, the assessors may commit a preliminary tax and issue a preliminary tax bill for that property under G.L. Ch. 59 §75 regarding omitted assessments. See Property Tax Bureau Informational Guideline Release No. 90-215 *Omitted and Revised Assessments* for the specific procedures to use.

If mailed on or before August 1, 2004, the preliminary tax bill for the omitted parcel or account is payable in two equal installments due on August 1, 2004, or 30 days after the bill is mailed, whichever is later, and on November 1, 2004. If the bill is mailed after August 1, 2004, it is payable in a single installment due on November 1, 2004, or 30 days after the bill is mailed, whichever is later. Interest on delinquent payments for omitted preliminary taxes is charged only for the number of days that the payment is actually delinquent.

2. Incorrect Name

If a preliminary tax was committed and bill issued in the name of the incorrect person(s) and the preliminary tax has not been paid in full, the assessors should reassess the preliminary tax and reissue the bill in the name of the proper person(s) under G.L. Ch. 59 §77 regarding reassessment.

The assessors may use State Tax Form 44 to make the reassessment if modified to indicate that it is for preliminary taxes under G.L. Ch. 59 §57C. The collector should then send the proper person(s) a bill for the preliminary tax. The bill to be used should be modified to indicate that the bill is for a reassessed preliminary tax. Interest automatically accrues with the reassessment and is computed from the dates on which it would have been computed on the original bill.

3. Abatement of Incorrect or Excessive Preliminary Tax

If the assessors determine that the amount of preliminary tax committed for a parcel or account exceeds the amount that should have been assessed under the calculation method they used, they may adjust the amount by abating the excess that remains unpaid. See Section II-B above.

The assessors may abate preliminary taxes at any time before the commitment of the actual tax either on their own motion or upon a taxpayer's written application. The taxpayer's application need not be in any particular form. An abatement of preliminary taxes should be processed in the same manner as abatements of real estate and personal property taxes, except that any amounts abated are to be charged to preliminary tax receipts not to the FY05 overlay account. Any forms used in processing an abatement should be modified to indicate that they are for preliminary taxes under G.L. Ch. 59 §57C.

Example No. 1. The assessors based the preliminary tax on 50% of the FY04 net real estate tax. Taxpayer A's FY04 real estate tax was \$1000. Taxpayer A was granted an abatement of \$200. Thus, the FY04 net real estate tax was \$800 and under the assessors' method, Taxpayer A's FY05 preliminary tax should not have exceeded \$400. However, the taxpayer received a preliminary tax bill of \$500 because the abatement was not included in the calculation of the FY04 net real estate tax. The assessors should abate all or as much of the \$100.00 overcharge that is unpaid.

Example No. 2. The assessors based the preliminary tax on 50% of total due in FY04, including added betterments and charges, and adjusted that amount to reflect an anticipated FY05 tax increase of 5%. Taxpayer B's FY04 real estate tax was \$1000 to which \$2000 in delinquent water charges were added. Taxpayer B paid the tax and added charges in full. Because of the delinquent charges, the FY04 tax for computing the preliminary tax under the assessors' method was \$3000, which was then adjusted by the 5% tax increase factor, for a total of \$3150. A preliminary tax bill of \$1575, or 50% of that amount, was issued to Taxpayer B.

However, in this case where the FY04 net tax due included charges of a substantial amount and non-recurring nature that have been paid, the assessors may abate the preliminary tax to an amount that would be more representative of the preliminary tax the taxpayer would typically be required to pay. Here, for example, the assessors may recalculate the preliminary tax based on the FY04 real estate tax only (50% of (\$1000 x 1.05) = \$525) and abate all or any portion of the difference that remains unpaid (\$1575 - \$525 = \$1050 abatement).

4. Property Divided After January 1

If a parcel is divided by sale, mortgage, partition or otherwise after January 1 and the division has been recorded at the Registry of Deeds, the assessors may apportion the preliminary tax, including interest, assessed on that parcel among the divided parcels under G.L. Ch. 59 §78A regarding apportionment if a written request is made by the owner of any of the divided parcels.

The assessors may use State Tax Form 175 to make the apportionment and State Tax Form 176 to notify all interested parties if the forms are modified as appropriate to indicate they are for preliminary taxes under G.L. Ch. 59 §57C.

If the assessors apportion a preliminary tax, they should also apportion the actual tax as soon as possible after commitment. See Property Tax Bureau Informational Guideline Release No. 92-207 *Apportionment of Taxes* for the specific procedures to use.

III. ACTUAL TAX COMMITMENT AND BILLING

A. Commitment

Once valuations as of January 1, 2004 are established for all taxable real property parcels and personal property accounts and the FY05 tax rate is set, the assessors will determine the total tax assessment on each parcel and account for FY05 and will commit those taxes with a warrant to the collector.

There is no deadline for making the actual tax commitment. However, the assessors must make the FY05 actual tax commitment in sufficient time for the collector to prepare and mail actual tax bills by December 31, 2004 if the balance of the FY05 tax is to be payable in two installments. See Sections III-B and E below.

B. Preliminary Tax Credit and Actual Tax Payments

Upon receipt of the commitment, the collector must credit the committed (not paid) preliminary tax (including betterments, special assessments, liens and charges billed with the preliminary tax) to the actual tax assessed (including all betterments, special assessments, liens and charges being added to the tax for FY05). However, if an abatement of the preliminary tax, or added special assessment, was made, the credit should only be for the amount of the preliminary tax or special assessments as abated, not as committed.

The collector will then issue FY05 tax bills which set forth (1) the total tax assessed for the fiscal year, (2) the special assessments added to the tax for the fiscal year, (3) the amount of the preliminary tax and special assessment credit, and (4) the balance of the FY05 tax and special assessments owed.

The number and amount of the actual tax installment payments is determined by when the actual tax bill is issued and mailed. If the FY05 tax bills are mailed on or before December 31, 2004, the balance of the FY05 tax is payable in two equal installments. However, if the bills are mailed after December 31, 2004, the balance is payable in one installment only.

EXAMPLE
Determining Actual Tax Installments

		<u>Ex. 1</u>	<u>Ex. 2</u>	<u>Ex. 3</u>
FY05 Tax		\$1000	\$1000	\$1000
Betterments, Special Assessments, Water/Sewer Liens, Charges Added to FY05 Tax	+	0	200	200
FY05 Preliminary Tax	-	500	500	500
Betterments, Special Assessments, Water/Sewer Liens, Charges Billed with FY05 Preliminary Tax	-	<u>0</u>	<u>200</u>	<u>150</u>
FY05 Tax and Special Assessment Balance		\$ 500	\$500	\$550
<u>Actual Bills Mailed by 12/31</u>				
First Installment Payment		\$ 250	\$ 250	\$ 275
Second Installment Payment		\$ 250	\$ 250	\$ 275
<u>Actual Bills Mailed After 12/31</u>				
Single Installment Payment		\$ 500	\$ 500	\$ 550

C. Bill Form and Content

Actual tax bills for communities using a quarterly tax payment system in FY05 must meet the requirements for form and content set forth in this guideline. Only bills that meet these requirements may state "This form approved by Commissioner of Revenue." The attached "model" actual tax bills 3(Q) (real property) and 4(Q) (personal property) meet these requirements.

1. Content

Actual tax bills for FY05 must include:

- a. Assessment Date/Fiscal Year - The bills must be captioned "Fiscal Year 2005 Real Estate Tax Bill" or "Fiscal Year 2005 Personal Property Tax Bill" and must state the assessment date of January 1, 2004.
- b. Taxpayer Information - The name(s) and mailing address of the person(s) assessed the tax must be shown.

If the person assessed the tax is not the owner when the bills are mailed, the bill may be mailed in care of the current owner(s). In that case, the bill must show the name of the person(s) assessed the tax and the name(s) and mailing address of the current owner(s).

- c. Property Identification and Location - Sufficient information to identify the parcel of real property or personal property account must be shown.
 - (1) For real property parcels, this information must include the location by street and number, if any, and the map, block and lot number or other unique identifier used by the assessors to describe the property. Other identifying information, such as a deed reference, may be included but is not required.
 - (2) For personal property accounts, this information should include any unique identifier such as account number used by the assessors to describe the property.
- d. Property Description - A description of the taxable parcel or account must be provided.
 - (1) For real property parcels, a separate description of the land and buildings or other improvements must be shown. The land description must include the land area of the parcel. General terms such as land, building, improvement, structure or residence are sufficient although more detailed descriptions should be used where practicable.
 - (2) For personal property accounts, a separate description of the types of personal property must be shown. General terms such as inventory or machinery are sufficient.

e. Valuation Information - The following valuation information must be provided:

- (1) For real property parcels, the Total Valuation of the parcel must be shown. This will be the total assessed valuation of all land, buildings and other improvements comprising the parcel. A separate value for land and for buildings and other improvements no longer must appear on the bill.

In addition, communities with classified tax systems (i.e., those communities certified by the Commissioner as assessing property at full and fair cash value in FY03, FY04 and FY05) must include:

- Classification - The usage classification of the described land and buildings as Class 1 Residential, Class 2 Open Space, Class 3 Commercial or Class 4 Industrial.

If a parcel is a multiple class property, the allocation of the total valuation by usage class must also be shown.

- Residential/Small Commercial Exemption - If a residential or small commercial exemption has been adopted, the amount of the assessed valuation that has been exempted must be shown for applicable parcels.

The residential and small commercial exemptions are the only exemptions that may be shown on the tax bill.

- Total Taxable Valuation - The total taxable valuation must be shown. The taxable value will be the total valuation, except where a residential or small commercial exemption has been applied.

- (2) For personal property accounts, the assessed Value of each type of personal property shown in the description must be stated separately.

In addition, the Total Valuation of all personal property must be stated.

f. Special Assessment Information - For real property parcels, the following information for any betterments, special assessments or other charges added to the tax for collection purposes must be shown, whether or not the special assessments were billed with the preliminary tax:

- Type of each assessment added.
- The type may be listed by code, provided the code is shown.
- Amount of each assessment added.
- Committed interest added for each assessment.
- Total special assessments and committed interest added to the tax.

g. Tax Rate Information - The tax rate per \$1000 of assessed valuation must be stated.

In addition, communities with classified tax systems must show these rates for each class of real property: Class 1 Residential, Class 2 Open Space, Class 3 Commercial and Class 4 Industrial.

h. Tax Information - The following tax information must be shown:

(1) For real property parcels, the total Real Estate Tax assessed must be shown.

In addition, the Total Tax and Special Assessments Due must be shown. This represents the total real estate tax and special assessments, including committed interest, added to the tax.

(2) For personal property accounts, the total Personal Property Tax assessed must be shown.

i. Payment Information - The following payment information must be provided:

- Amount of preliminary tax.
- Amounts paid or abated since preliminary tax bill issued.
- Amount of 1st/2nd preliminary tax installment payment overdue.
- Amount of interest on overdue preliminary tax installment payments to date bill issued.

- Balance of FY05 tax due.
- Amount payable by February 1, 2005 and May 1, 2005 or if bill is mailed after December 31, 2004, amount payable by May 1, 2005 (or 30 days after mailing of tax bill, whichever is later). **The exact due dates must appear on the bill.** Printing the statutory due dates (*i.e.*, February 1, 2005 and May 1, 2005) alone is not sufficient unless bills were mailed on or before December 31, 2004. Nor is simply printing the bill issuance date with a notice that payment is due in 30 days, if the bills were mailed after April 1, 2005.

j. Payment Instructions- The bill must include instructions on making payments that should include at a minimum the following:

- Checks are payable to the city/town or district.
- The address to mail payments.
- The Collector's Office hours.

k. Billing/Appeal Rights Information -

- The bill must include the following statement on interest computation "Interest at the rate of 14% per annum will accrue on overdue payments from the due date until payment is made."
- The bill must state the last date abatement applications may be filed with the assessors. **The exact due date must appear on the bill, and it must be the same due date given for the first installment payment.** The language used in the statement may vary depending on the availability of space, but the following are preferred:

ABATEMENT APPLICATIONS TO ASSESSORS DUE:
_____, 2005

or

DEADLINE FOR FILING ABATEMENT
APPLICATIONS WITH ASSESSORS: _____, 2005

or

ABATEMENT APPLICATIONS MUST BE FILED WITH
THE ASSESSORS BY _____, 2005.

- The reverse side of the bill must provide the billing and appeal rights information shown in Models 3(Q) (real estate) and 4(Q) (personal property).
1. Overdue Taxes and Charges - The bill must include a notice of overdue taxes and charges. A tax or charge is considered overdue if delinquent for more than 90 days before the date FY05 taxes are committed.

(1) Form

The notice may appear (1) on the bill in a separate section from the special assessment and payment information displayed for the current fiscal year, or (2) in a separate enclosure with the bill. If a separate enclosure is used, the bill should include a reference to it, *e.g.*, "See enclosed statement of past due taxes and charges."

Any format that presents the content in a clear and concise manner may be used.

(2) Content

(a) Amount Owed

The notice **must** list the principal amount owed for each particular obligation as of the date FY05 taxes are committed.

Accrued interest and collection costs on each obligation as of the commitment date may also be provided. It may be shown by stating the total amount owed for the obligation (principal, interest and costs) or displaying the interest and costs separately. If interest and costs are included, the notice should inform taxpayers that interest continues to accrue until payment is made.

If interest and costs are not provided, the notice should inform taxpayers, *e.g.*, "Listed amounts do not include accrued interest and costs, " or "Interest and costs owed not included."

(b) Obligation Types

(i) Personal Property Bills

The notice on personal property bills **must** list overdue personal property taxes assessed for any prior fiscal year to the same account, *i.e.*, the same assessed owner, by year.

(ii) Real Estate Bills

The notice on real estate bills **must** list overdue real estate taxes assessed for any prior fiscal year, and any other overdue taxes, betterments, special assessments or charges not added to the current year's tax that constitute liens on the same parcel.

These obligations may be listed by code, provided the code is shown. The **minimum requirements** for displaying these obligations are:

- Tax Titles– If a tax title secures the overdue taxes and charges, the notice **must** state that a tax title exists and direct the taxpayer to the treasurer to obtain the total amount due.

Alternatively, the notice may provide the amount secured by the tax title. The notice may also identify the particular obligations secured and list the amounts due by type, year or other identifying details.

- Prior Years' Taxes - For prior years' taxes, the notice **must** state the total owed by fiscal year. For the purpose of the statement, each year's tax also includes any other taxes (*e.g.*, district tax, Community Preservation surcharge), betterments, special assessments or charges added to or billed with that tax for collection purposes.

Alternatively, the notice may identify and list separately each particular obligation owed by type and year.

- Other Taxes, Assessments and Charges - For taxes, assessments and charges not added to a tax, the notice **must** state the total owed for each type of obligation, *e.g.*, a single amount may be shown for all outstanding water bills, by fiscal year.

Alternatively, the notice may identify and list separately each particular obligation owed by year or other identifying detail.

Attached are samples of overdue statements that meet these requirements.

2. Form

Cities and towns may use the format shown in the models or may adapt the format to local specifications, provided that the format used presents the required content to the taxpayer in a clear and concise manner.

3. Local Options

Where practicable, certain local adaptations may be made in the models. The following options may be used:

- a. Per Diem Interest Charge - The statement on interest computation may provide a per diem interest charge.

- b. Applicable Exemptions - The information provided on exemptions on the reverse side of the bill may be adapted to state the local option exemptions (17, 17C, 17C½, 17D) (37, 37A) (41, 41B, 41C) (52) (53) specifically applicable in the city or town. If a community chooses not to so specify, then references to all available exemptions must be included and the parentheses removed.
- c. Local Funds Check-off - Cities and towns may designate a place on the property tax bill (or design a separate form to be mailed with the tax bills) for taxpayers to check off amounts to donate to the scholarship and education funds authorized by G.L. Ch. 60 §3C, and the fund to assist low income elderly or disabled persons pay their property taxes authorized by G.L. Ch. 60 §3D. The local funds check-off may also appear on or accompany the preliminary tax bill and demand notice.

All funds check-offs must conform to the format below, with only those funds accepted by the municipality's legislative body appearing in line 2.

VOLUNTARY CHECK-OFF FOR CONTRIBUTION TO LOCAL FUNDS

- | | | | | | | | | |
|---|---|------------------|-----------|------------------|----|----|----|--|
| 1. | Amount Now Due | \$ _____ | | | | | | |
| 2. | <table border="0" style="width: 100%;"> <tr> <td style="width: 33%;">Scholarship</td> <td style="width: 33%;">Education</td> <td style="width: 33%;">Seniors/Disabled</td> </tr> <tr> <td style="border: 1px solid black; padding: 5px;">\$</td> <td style="border: 1px solid black; padding: 5px;">\$</td> <td style="border: 1px solid black; padding: 5px;">\$</td> </tr> </table> | Scholarship | Education | Seniors/Disabled | \$ | \$ | \$ | |
| Scholarship | Education | Seniors/Disabled | | | | | | |
| \$ | \$ | \$ | | | | | | |
| (Insert amount(s) you wish to contribute) | | | | | | | | |
| | Total Contribution | + \$ _____ | | | | | | |
| 3. | Add items 1 and 2 and pay total amount | \$ _____ | | | | | | |

If the check-off appears on a separate form, rather than the tax bill or demand, the form may also include instructions to taxpayers on how to contribute to the funds by completing and returning the form with their tax payments. No other information regarding the funds may be placed on a check-off form.

Only bills or forms that meet these requirements may state "Approved by the Commissioner of Revenue."

D. Mailing Deadline and Procedures

1. Timely/Late Mailing

There is no deadline for mailing the FY05 actual tax bills. Wherever possible, however, collectors should mail the FY05 actual tax bills on or before December 31, 2004 for the actual tax balance to be due and payable in two installments on the regular quarterly schedule.

2. Single/Multiple Mailing

As with the preliminary tax mailing, only one actual tax bill mailing is required even if the actual tax is payable in two installments. If a single mailing is used, some means for making two remittances, such as a single bill with two payment stubs or two separate bill forms, must be provided.

If collectors elect to mail a second bill to each taxpayer sometime after February 1, 2005, the second bill must include the same information as the bill mailed before December 31, 2004. It may also include the following payment information for the purpose of providing the taxpayer with a current statement of the account:

- Amount of actual tax abated.
- Payments made.
- Amount of 1st actual tax installment payment overdue.
- Amount of interest on overdue payment to date bill issued.
- Amount payable by May 1, 2005.

E. Payment Due Dates

If the FY05 actual tax bills are mailed on or before December 31, 2004, the balance of the FY05 tax after the preliminary tax is credited against the tax is payable in two equal installments. The first FY05 actual tax installment payment is due on February 1, 2005. The second installment payment is due on May 1, 2005.

If, for any reason, the FY05 actual tax bills are mailed after December 31, 2004, the entire balance is payable in one installment due on May 1, 2005, or 30 days after the bills were mailed, whichever is later. There is no payment due on February 1, 2005 and no interest can be charged taxpayers until after May 1, 2005.

F. Interest

Interest accrues at the rate of 14 percent a year on delinquent actual tax installment balances. Interest is computed on the unpaid and overdue amount from the installment due date until payment is made.

Therefore, if FY05 actual tax bills are mailed on or before December 31, 2004, interest on delinquent first actual tax installment payments is computed from February 1, 2005 and on delinquent second installment payments from May 1, 2005 until payment is made.

If FY05 actual tax bills are mailed after December 31, 2004, interest on delinquent actual tax payments is computed from May 1, 2005, or the payment due date, whichever is later, until payment is made.

G. Abatement/Exemption Applications

A person's right to seek an abatement of or exemption from FY05 taxes is not prejudiced by the issuance of preliminary tax bills under the quarterly tax payment system. The deadline for filing abatement or exemption applications is measured from the date the actual tax bills are mailed, not the preliminary tax bills.

Applications for personal exemptions and the residential exemption must be filed within three months of the date the actual tax bill is mailed. Applications for abatement, and all other exemptions, must be filed on or before February 1, 2005 if the actual bills are mailed on or before December 31, 2004. If the actual bills are mailed after December 31, 2004, however, those applications must be filed on or before May 1, 2005, or the thirtieth day after the date actual bills are mailed, whichever is later.

H. Crediting Abatements/Exemptions Granted

The procedures for applying abatements and exemptions and computing the minimum payment required to avoid interest charges are not affected by using a quarterly tax payment system. Thus, if an abatement or exemption is granted by the assessors, the collector should apply the amount abated or exempted to reduce any balance that remains outstanding and no refund would be issued unless the taxpayer had already paid more than the entire year's tax, as abated. Preliminary tax payments are considered payments for the purpose of determining when the entire tax for the fiscal year has been paid. In addition, the tax, as abated or exempted, would continue to be the basis for determining the amount a taxpayer must pay by any particular due date to avoid being charged interest.

Example 1. Taxpayer C's FY05 real estate tax was \$2000. Taxpayer C's preliminary tax was \$800, which leaves a balance remaining of \$1200 for the year payable in two equal installments of \$600 due on February 1 and May 1. Taxpayer C paid the full preliminary taxes timely and paid \$600 on January 25. The taxpayer is granted an abatement of \$200 on February 15. The abatement is applied to reduce the outstanding balance of the FY05 tax, from \$600 to \$400 and no refund is issued.

Example 2. Same facts as above except Taxpayer C paid the full preliminary tax timely and paid only \$500 of the actual tax balance before February 1. Again, the abatement is applied to reduce the outstanding balance. In this case, that balance is \$700 and the application of the abatement reduces it to \$500. Moreover, Taxpayer C is not delinquent and cannot be charged interest on the payment due February 1 because at least half the FY05 tax remaining, as abated, was paid by that date. (\$2000 FY05 tax - \$200 abatement results in an \$1800 tax due. After the \$800 preliminary tax credit, a balance of \$1000 remains of which half or \$500 must be paid by February 1).

Example 3. Same facts as above except Taxpayer C paid the full preliminary tax timely, but paid only \$400 of the actual tax balance before February 1. The application of the abatement reduces the outstanding balance from \$800 to \$600. In this case, however, \$100 of that balance is overdue because Taxpayer C had to pay at least \$500, which is half of the FY05 tax remaining, as abated, by February 1.

I. Omitted and Revised Assessments

If parcels or accounts are omitted from the actual FY05 tax commitment or are underassessed, the assessors may make an omitted or revised assessment on the parcel or account under G.L. Ch. 59 §75 and 76. See Property Tax Bureau Informational Guideline Release No. 90-215 *Omitted and Revised Assessments* for the specific procedures to use.

The entire amount billed for the omitted or revised assessment is due on May 1, 2005, or 30 days after the bill was mailed, whichever is later. As with other delinquent payments under the quarterly tax payment system, interest on delinquent payments for omitted and revised assessments is charged only for the number of days the payment is actually delinquent.

The deadline for filing an application for abatement of an omitted or revised assessment is three months after the date the tax bill for the omitted or revised assessment was mailed.

J. Demands

If the entire FY05 tax has not been paid by May 1, 2005 (or 30 days after the actual tax bill was mailed if mailed after April 1, 2005), the collector will make a demand for payment on the taxpayer and then proceed to collect the amount outstanding. Demand notices must be captioned "Demand for Payment Fiscal Year 2005 Real Estate Taxes" or "Demand for Payment Fiscal Year 2005 Personal Property Taxes" and must include:

1. The taxpayer, property identification and location, property description, valuation, special assessment (for real estate only), tax rate, tax and payment instruction information found in the actual tax bill as explained in Section III-C above.
2. The following Payment Information:
 - Amounts abated or exempted since actual tax bill issued.
 - Payments made since actual tax bill issued.
 - Amount of 1st/2nd preliminary tax (and special assessments if billed with preliminary tax) installment payment overdue.
 - Amount of 1st/2nd actual tax installment payment overdue.
 - Amount of interest on overdue payment(s) to date notice issued.
 - Demand charge of \$5.00.
 - Amount due.
3. The following statement on interest computation "Interest at the rate of 14% per annum (or at \$_____ per day) will accrue on overdue payments from the due date until payment is made."
4. The notice shown in Models 5(Q) (real estate) and 6(Q) (personal property) on the reverse side of the bill.

IV. THIRD QUARTER PRELIMINARY TAX BILLS

If actual FY05 tax bills cannot be mailed on or before December 31, 2004 because a reassessment or other reason has delayed the final determination of assessed valuations, a community has the option of issuing a third quarter preliminary tax bill with the prior written approval of the Commissioner of Revenue.

A. Authorization Procedure

In order to issue a third quarter preliminary tax bill, the assessors must submit to the Bureau of Accounts:

1. A brief application cover letter that requests authority to issue third quarter preliminary tax bills and explains the reasons for the request. The letter must be signed by a majority of the assessors and by the mayor or a majority of the selectmen.
2. A "Pro Forma" Recapitulation Sheet completed in accordance with instructions issued by the Bureau of Accounts. The "Pro Forma" Recapitulation Sheet submitted by the assessors must indicate a balanced budget within the limits of Proposition 2½ and must contain all information required to set the FY05 tax rate, except the assessed valuation. In addition, it must include the assessors' estimate of the allowable increase in the FY05 levy limit due to tax base growth.

a. Establishment of FY05 Tax Levy

The submission of the "Pro Forma" Recapitulation Sheet fixes the city or town's tax levy for FY05 in the same manner as the setting of the FY05 tax rate. Once the levy is established and the Commissioner authorizes the issuance of third quarter preliminary tax bills, a city or town may not increase its FY05 tax levy, except to reflect adjustments allowed in its FY05 tax levy under Proposition 2½, as explained below. Under no circumstances may the FY05 tax levy exceed the limits imposed by G.L. Ch. 59 §21C, "Proposition 2½."

b. Allowable Increase in FY05 Tax Levy

If authorized to issue third quarter preliminary tax bills, a city or town cannot set a FY05 tax rate with a levy greater than the amount reported on the "Pro Forma" Recapitulation Sheet, except where:

- (1) Tax base growth, as certified by the Commissioner, is greater than the estimate reported on the "Pro Forma" Recapitulation Sheet, and/or
- (2) An override or exclusion has passed since the "Pro Forma" Recapitulation Sheet was approved.

In that case, a city or town may increase its levy accordingly. The increase cannot be more than the difference between the actual levy capacity established as a result of the additional growth and/or approved Proposition 2½ referenda questions, and the estimated levy capacity. Any increase allowed in the levy must be reported on the FY05 Recapitulation Sheet as:

- (1) An increase in appropriations from the levy,
- (2) An increase in other amounts to be raised from the levy, and/or
- (3) A decrease in estimated receipts.

c. Required Decrease in FY05 Tax Levy

Where actual tax base growth is lower than estimated, or a Proposition 2½ override has passed since the “Pro Forma” Recapitulation was approved, the tax levy must be decreased in order to set a FY05 tax rate.

The decrease must be at least the difference between the estimated and actual levy capacity. Any decrease required in the levy must be reported on the FY05 Recapitulation Sheet as:

- (1) A decrease in appropriations from the levy as a result of rescissions,
- (2) A decrease in appropriations from the levy as a result of changes in funding source from the levy to free cash or other available funds, and/or
- (3) An appropriation from free cash for the purpose of reducing the levy.

B. Installment Amount

The third quarter preliminary tax installment cannot be more than the amount of the first quarter preliminary tax installment. The amount may be less so long as the percentage of reduction is uniform for all parcels and accounts.

C. **Bill Form and Content**

1. A specific form for the third quarter preliminary tax bill may be developed or the same pre-printed preliminary tax bill form used for the first and second quarter tax billing may be used.
 - a. Third Quarter Form - If a new third quarter form is developed, the front should conform to Models 1(Q) and 2(Q), with appropriate modifications in captions and due date. **However, the information shown in Model 7(Q) must appear on the reverse side of the bill instead.**
 - b. Pre-printed Form - If an existing pre-printed preliminary tax bill form is used, a computer generated identification of the third quarter preliminary installment, the amount and the due date should be placed in a blank line on the front of that bill form. **In addition, the information shown in Model 7(Q) must be included in a stuffer to be mailed with the bills. It may be supplemented by community specific billing information such as instructions on remitting payment.**
2. Where it is not feasible to develop a new form, or possible to obtain pre-printed preliminary tax bill forms, actual FY05 tax bill forms may be used. If possible, the third quarter preliminary tax amount and due date should be shown in a blank line or other appropriate place on the front of the bill. **No valuation, tax rate or special assessment information can be shown. The information shown in Model 7(Q), supplemented by community specific billing information such as instructions on remitting payment as desired, must be also included in a stuffer to be mailed with the bills.**

D. **Mailing Deadline**

Third quarter preliminary tax bills should be mailed as soon as practicable.

E. **Payment Due Date**

The third quarter preliminary tax installment is due February 1, 2005, or 30 days after the third quarter preliminary tax bills are mailed, whichever is later.

F. **Interest**

Interest accrues at the rate of 14 percent a year on the amount of the third quarter preliminary tax installment not paid by the payment due date, calculated from that date until the date payment is made.

G. Actual Tax Bills

Actual tax bills for FY05 must show the total tax assessed (including betterments, special assessments and charges added to the tax), the amount credited for all preliminary taxes billed and the balance of the FY05 tax.

The content and form of actual tax bills must conform with Models 3(Q) and 4(Q) and if practicable, should be printed with the changes noted below in the Payment Due Dates/Interest Charges section of the reverse side of the bills. **If that is not feasible because the bill forms were ordered before the decision to issue third quarter preliminary bills was made, that information must be provided in a stuffer enclosed with the bills instead.**

1. Payment Information - If possible, show separately overdue first, second and third preliminary tax payments. All preliminary tax (and any other) payments made can be shown in one line as "Payments Made".
2. Payment Due Dates/Interest Charges Information-

Substitute the following paragraph on due dates and interest charges on the reverse side of the bill:

PAYMENT DUE DATES/INTEREST CHARGES: If preliminary bills were mailed on or before August 1, 2004, your first preliminary tax payment was due on August 1, 2004, or 30 days after the bills were mailed, whichever was later, your second preliminary tax payment on November 1, 2004 and your third preliminary tax payment on February 1, 2005, or 30 days after the bills were mailed, whichever was later. However, if preliminary bills were mailed after August 1, 2004, your first and second preliminary payments were due as a single installment on November 1, 2004, or 30 days after the bills were mailed, whichever was later, and your third preliminary payment was due on February 1, 2005, or 30 days after the bills were mailed, whichever was later. Your preliminary taxes are shown on this bill as a credit against your fiscal year 2005 tax, including betterments, special assessments and other charges. The balance is due on May 1, 2005, or 30 days after the tax bills were mailed, whichever is later. If your payments are not made by their due dates, interest at the rate of 14% per annum will be charged on the unpaid and overdue amount. If preliminary bills were mailed on or before August 1, 2004, interest is computed on overdue first preliminary payments from August 1, 2004, or the date the payment was due,

whichever was later, on overdue second preliminary payments from November 1, 2004, on overdue third preliminary payments from February 1, 2005, or the date the payment was due, whichever is later, and on overdue final payments from May 1, 2005, or the date the payment was due, whichever was later, to the date payment is made. However, if preliminary bills were mailed after August 1, 2004, interest is computed on overdue single first/second preliminary payments from November 1, 2004, on overdue third preliminary payments from February 1, 2005, and on overdue final payments from May 1, 2005, or the dates the payments were due, to the date payment is made. Payments are considered made when received by the Collector. You will also be required to pay charges and fees incurred for collection if payments are not made when due. To obtain a receipted bill, enclose a self-addressed stamped envelope and both copies of the bill with your payment.

(**Note:** On personal property tax bills, the third sentence should read: Your preliminary tax is shown on this bill as a credit against your fiscal year 2005 tax.)

H. Payment Due Date

The balance of the FY05 tax after all preliminary taxes are credited against the tax is payable in one installment due on May 1, 2005, or 30 days after the actual tax bills are mailed, whichever is later.

I. Interest

Interest accrues at the rate of 14 percent a year on the amount of the final installment not paid by the payment due date, calculated from that date until the date payment is made.

J. Abatement/Exemption Applications

The date the FY05 actual tax bills are mailed determines the deadlines for filing abatement and exemption applications. Applications for personal exemptions and the residential exemption must be filed within three months of the date the actual tax bills are mailed. Applications for abatement, and all other exemptions, must be filed on or before May 1, 2005, or the thirtieth day after the actual bills are mailed, whichever is later.

ATTACHMENTS

MODEL TAXPAYER INFORMATIONAL ENCLOSURE

Attached is a sample taxpayer informational release, which may be used as a tax bill stuffer or a newspaper release by communities implementing a quarterly tax payment system for the first time in FY05. The release can be supplemented with information about specific billing and payment procedures that the community will use. For example, if the community has decided to bill only twice a year, taxpayers should also be given instructions on remitting their installment payments.

SAMPLE DELINQUENCY STATEMENTS

Attached are examples of overdue statements that meet the minimum requirements set forth in this guideline, as well as examples of the more detailed statements that may be provided.

MODEL PRELIMINARY TAX BILLS, TAX BILLS AND DEMANDS

Attached are the following "model" FY05 preliminary tax bills, tax bills and demands. These models meet the minimum requirements set forth in this guideline for FY05 bills in all communities using a quarterly tax payment system.

Model 1(Q)	Preliminary Tax Bill - Real Estate
Model 2(Q)	Preliminary Tax Bill - Personal Property
Model 3(Q)	Tax Bill - Real Estate
Model 4(Q)	Tax Bill - Personal Property
Model 5(Q)	Demand - Real Estate
Model 6(Q)	Demand - Personal Property
Model 7(Q)	Preliminary Tax Bill - 3rd Quarter Reverse Side/Stuffer

TAXPAYER INFORMATION ON QUARTERLY TAX PAYMENTS

Your community has recently adopted a new quarterly tax payment system, which will affect your property tax bills for Fiscal Year 2005 (July 1, 2004 to June 30, 2005). This enclosure explains how this new system will work.

BENEFITS FROM THE NEW SYSTEM

Under the old system, property tax payments were due twice a year, ideally November 1 and May 1. In practice, the majority of communities frequently issued their tax bills at different times during the year. As a result, taxpayers were often uncertain when their bills would be issued and had difficulty in planning their payments. Also, communities were forced to borrow money to have sufficient funds to meet their bills.

The new quarterly system has been shown in a number of other Massachusetts communities to provide the following advantages:

- Greater certainty in payment due dates for taxpayers.
- More even distribution of income for cities and towns.
- Significant reduction -- even elimination -- of costly municipal borrowing in anticipation of tax revenues.

HOW QUARTERLY PAYMENTS WILL WORK

Under the quarterly payment system, you will be sent a preliminary tax bill each year by July 1. Your preliminary tax may be based on last year's tax, an estimate of the current year's tax or other method determined by the assessors to apportion a fair share of the year's tax over the year. Your preliminary tax will be payable in two equal installments. Your first payment will be due on August 1 and your second payment will be due on November 1.

Example: Your Fiscal Year 2005 preliminary tax is \$1000. This \$1000 would be payable in two installments of \$500 each. Your first \$500 payment would be due on August 1, 2004 and the second would be due on November 1, 2004.

If for some reason preliminary tax bills are mailed after July 1, your first payment will be due 30 after the bills are mailed instead of August 1. The second payment will still be due November 1. If preliminary bills are mailed after August 1, however, you would have until November 1 (or 30 days after the bills are mailed, if later) to pay the entire balance of \$1000.

Your actual tax bill will then be sent to you on or about December 31. This bill will show the assessed valuation of your property, the tax rate and the amount of property taxes you owe for the fiscal year, including any betterments, special assessments or other charges that are added to the tax. The tax bill will also show the amount of the preliminary tax billed in early summer as a credit against your actual tax for the year.

The balance of your tax remaining after credit for the preliminary tax will also be payable in two equal installments. Your first payment will be due on February 1 and your second payment will be due on May 1.

Example: If your actual Fiscal Year 2005 tax bill is \$2100 and you had previously been billed \$1000 in preliminary taxes for the year, you would have a remaining balance of \$1100. This \$1100 balance would be payable in two installments of \$550 each. The first \$550 payment would be due on February 1, 2005 and the second would be due on May 1, 2005.

If for some reason actual tax bills were not mailed until after December 31, you would have until May 1 (or 30 days after the bills are mailed, if later) to pay the entire balance of \$1100.

LATE PAYMENTS

Under the quarterly payment system, interest on late tax payments will be charged for the number of days that the payment is actually delinquent. For example, if a payment due on November 1 is not made timely, interest will be charged from that date until the date the payment is made.

ANSWERS TO COMMON QUESTIONS ABOUT QUARTERLY TAX PAYMENTS

Will the new system affect the amount of property taxes I pay for the year? No. The amount you pay is the same under either system. Either way, the amount is based on the valuation of your property and the tax rate. The tax rate reflects the level of taxes needed to fund local budget decisions and must still be within the limits of Proposition 2½.

Will the new system affect my right to seek an abatement or exemption? No, these rights are unchanged. Once the actual tax bills are mailed, you will still be able to file an abatement application with the assessors if you wish to contest your assessment. Applications for abatement must be filed on or before February 1, 2005 unless the actual bills are mailed after December 31, 2004. In that case, abatement applications must be filed on or before May 1, 2005, or the 30th day after the bills are mailed, whichever is later. Applications for personal exemptions and the residential exemption must be filed within three months of the date the actual tax bills were mailed. All other exemption applications are due the same date as abatement applications.

If you have additional questions, you should contact the Assessors' or Collector's Office in your community.

SAMPLE DELINQUENCY STATEMENTS

Section 1 shows examples of overdue statements for actual real estate and personal property tax bills that meet the minimum content requirements set forth in this guideline. Section 2 shows examples of more detailed statements that may be provided on real estate bills. The formats shown are examples only. Other formats based on local specifications may be used.

1. Minimum Requirements

Real Estate Bills

<u>Delinquency Notice</u>	
Taxes and charges not shown on current year bill and overdue over 90 days	
Type	Amount
Tax title	See treasurer
FY04 RE tax	\$4,346.00
FY05 Water charges	250.00
TOTAL OVERDUE	\$4,596.00

Interest and costs owed not included

Personal Property Bills

<u>Delinquency Notice</u>	
Taxes not shown on current year bill and overdue over 90 days	
Type	Amount
FY03 tax	\$325.00
FY04 tax	350.00
TOTAL OVERDUE	\$675.00

Interest and costs owed not included

2. Real Estate Bills Options- Examples show same outstanding obligations as in Example 1, but different presentations regarding details and interest.

<u>Outstanding Taxes and Charges</u>	
Notice of amounts not shown on current year bill and overdue over 90 days	
Type	Amount
Tax title	\$11,000.00
FY04 RE tax	4,781.00
FY05 Water charges	255.00
TOTAL OVERDUE	\$16,036.00

Amount includes interest and costs [to 12/15/04]

Interest continues to accrue until payment made

<u>Overdue Taxes and Charges</u>		
Amounts not shown on current year bill and overdue over 90 days		
Type	Amount	Interest & Costs [to 12/15/04]
Tax title (FY00-03)	\$7,500.00	\$3,500.00
FY04 RE tax	3,250.00	325.00
FY04 CPA surcharge	96.00	10.00
FY04 Water charges	1,000.00	100.00
FY05 Water charge (1 st Q)	250.00	5.00
Subtotals	\$12,096.00	\$3,940.00
	TOTAL OVERDUE	\$16,036.00

Interest continues to accrue until payment made

			1 ST PAYMENT DUE (AUGUST 1), 2004
			2 ND PAYMENT DUE NOVEMBER 1, 2004
		TOTAL SP. ASSESSMENTS	AMOUNT NOW DUE
Make Checks Payable to: The (City/Town) of () Mail Payments to: The Collector of Taxes (Address) Office Hours: () AM to () PM Mon. – Fri. See Reverse Side for Important Information			INTEREST AT THE RATE OF 14% PER ANNUM WILL ACCRUE ON OVERDUE PAYMENTS FROM THE DUE DATE UNTIL PAYMENT IS MADE
THIS FORM APPROVED BY THE COMMISSIONER OF REVENUE			

FISCAL YEAR 2005 PRELIMINARY TAX: This bill shows the amount of preliminary tax you owe for fiscal year 2005 (July 1, 2004 - June 30, 2005).

PAYMENT DUE DATES/INTEREST CHARGES: If preliminary bills were mailed on or before August 1, 2004, your preliminary tax is payable in two equal installments. Your first payment is due August 1, 2004, or 30 days after the bills were mailed, whichever is later. Your second payment is due November 1, 2004. However, if preliminary bills were mailed after August 1, 2004, your preliminary tax is due as a single installment on November 1, 2004, or 30 days after the bills were mailed, whichever is later. If your payments are not made by their due dates, interest at the rate of 14% per annum will be charged on the unpaid and overdue amount. If preliminary bills were mailed on or before August 1, 2004, interest will be computed on overdue first payments from August 1, 2004, or the payment due date, whichever is later, and on overdue second payments from November 1, 2004, to the date payment is made. If preliminary bills were mailed after August 1, 2004, interest will be computed on overdue payments from November 1, 2004, or the payment due date, whichever is later, to the date payment is made. You will also be required to pay charges and fees incurred for collection if payments are not made when due. Payments are considered made when received by the Collector. To obtain a receipted bill, enclose a self-addressed stamped envelope and both copies of the bill with your payment.

FISCAL YEAR 2005 ACTUAL TAX BILLS: You will receive your actual fiscal year 2005 tax bill based on January 1, 2004 assessments after the tax rate is set. Any preliminary tax payments made will be credited toward payment of your fiscal year 2005 tax. Your actual tax bill will provide you with more detailed information on payment due dates.

ABATEMENT/EXEMPTION APPLICATIONS: Your right to seek an abatement of or exemption from your fiscal year 2005 tax is not prejudiced by the issuance of preliminary tax bills. Once the actual tax bills are issued, you will be able to apply for an abatement or exemption. The deadline for filing your abatement or exemption application will be measured from the date the actual tax bills are mailed, not the date preliminary tax bills were mailed. Your actual tax bill will provide you with more detailed information on application procedures and deadlines.

INQUIRIES: If you have questions on how your preliminary tax was determined, you should contact the Board of Assessors. If you have questions on payments, you should contact the Collector's Office.

FISCAL YEAR 2005 TAX: This tax bill shows the amount of real estate taxes you owe for fiscal year 2005 (July 1, 2004 - June 30, 2005). The tax shown in this bill is based on assessments as of January 1, 2004. The bill also shows betterments, special assessments and other charges.

PAYMENT DUE DATES/INTEREST CHARGES: Your preliminary tax was payable in two equal installments if preliminary bills were mailed on or before August 1, 2004. The first payment was due on August 1, 2004, or 30 days after the bills were mailed, whichever was later, and the second payment was due on November 1, 2004. However, if preliminary bills were mailed after August 1, 2004, your preliminary tax was due as a single installment on November 1, 2004, or 30 days after the bills were mailed, whichever was later. Your preliminary tax is shown on this bill as a credit against your tax, including betterments, special assessments and other charges. If tax bills were mailed on or before December 31, 2004, the balance is payable in two equal installments. Your first payment is due on February 1, 2005. Your second payment is due on May 1, 2005. However, if tax bills were mailed after December 31, 2004, the balance is due as a single installment on May 1, 2005, or 30 days after the bills were mailed, whichever is later. If your payments are not made by their due dates, interest at the rate of 14% per annum will be charged on the unpaid and overdue amount. If tax bills were mailed on or before December 31, 2004, interest will be computed on overdue first payments from February 1, 2005 and on overdue second payments from May 1, 2005 to the date payment is made. If tax bills were mailed after December 31, 2004, interest will be computed on overdue final payments from May 1, 2005, or the payment due date, whichever is later, to the date payment is made. You will also be required to pay charges and fees incurred for collection if payments are not made when due. Payments are considered made when received by the Collector. To obtain a receipted bill, enclose a self-addressed stamped envelope and both copies of the bill with your payment.

ABATEMENT/EXEMPTION APPLICATIONS: You have a right to contest your assessment. To do so, you must file an application for an abatement in writing on an approved form with the Board of Assessors. You may apply for an abatement if you believe your property is valued at more than its fair cash value, is not assessed fairly in comparison with other properties, or if a classified tax system is used locally, is not properly classified. If tax bills were mailed on or before December 31, 2004, the filing deadline for an abatement application is February 1, 2005. However, if tax bills were mailed after December 31, 2004, the deadline is May 1, 2005, or 30 days after the date the bills were mailed, whichever is later.

You may be eligible for an exemption from or deferral of all or some of your tax. In order to obtain an exemption for which you are qualified, you must file an application in writing on an approved form with the assessors. The filing deadline for an exemption under Mass. G.L. Ch. 59, §5, Cl. (17, 17C, 17C½, 17D), 18, 22, 22A, 22B, 22C, 22D, 22E, (37, 37A), (41, 41B, 41C), 42, 43 or (52), or a deferral under Cl. 18A or 41A is 3 months after the date tax bills were mailed. The filing deadline for all other exemptions under Ch. 59, §5 is February 1, 2005 if tax bills were mailed on or before December 31, 2004, or May 1, 2005, or 30 days after the date tax bills were mailed, whichever is later, if the bills were mailed after December 31, 2004. The filing deadline for a residential exemption under Ch. 59, §5C, or a small commercial exemption under Ch. 59 §5I, if locally adopted and not shown on your bill, is 3 months after the date tax bills were mailed.

Applications are timely filed when (1) received by the assessors on or before the filing deadline, or (2) mailed by United States mail, first class postage prepaid, to the proper address of the assessors, on or before the filing deadline, as shown by a postmark made by the United States Postal Service. If your application is not timely filed, the assessors cannot by law grant an abatement or exemption.

INQUIRIES: If you have questions on your valuation or assessment or on abatements or exemptions, you should contact the Board of Assessors. If you have questions on payments, you should contact the Collector's Office.

SEE REVERSE SIDE FOR IMPORTANT INFORMATION

FISCAL YEAR 2005 TAX: This tax bill shows the amount of personal property taxes you owe for fiscal year 2005 (July 1, 2004 - June 30, 2005). The tax shown in this bill is based on assessments as of January 1, 2004.

PAYMENT DUE DATES/INTEREST CHARGES: Your preliminary tax was payable in two equal installments if preliminary bills were mailed on or before August 1, 2004. The first payment was due on August 1, 2004, or 30 days after the bills were mailed, whichever was later, and the second payment was due on November 1, 2004. However, if preliminary bills were mailed after August 1, 2004, your preliminary tax was due as a single installment on November 1, 2004, or 30 days after the bills were mailed, whichever was later. Your preliminary tax is shown on this bill as a credit against your tax. If tax bills were mailed on or before December 31, 2004, the balance is payable in two equal installments. Your first payment is due on February 1, 2005. Your second payment is due on May 1, 2005. However, if tax bills were mailed after December 31, 2004, the balance is due as a single installment on May 1, 2005, or 30 days after the bills were mailed, whichever is later. If your payments are not made by their due dates, interest at the rate of 14% per annum will be charged on the unpaid and overdue amount. If tax bills were mailed on or before December 31, 2004, interest will be computed on overdue first payments from February 1, 2005 and on overdue second payments from May 1, 2005 to the date payment is made. If tax bills were mailed after December 31, 2004, interest will be computed on overdue final payments from May 1, 2005, or the payment due date, whichever is later, to the date payment is made. You will also be required to pay charges and fees incurred for collection if payments are not made when due. Payments are considered made when received by the Collector. To obtain a receipted bill, enclose a self-addressed stamped envelope and both copies of the bill with your payment.

ABATEMENT APPLICATIONS: You have a right to contest your assessment. To do so, you must file an application for an abatement in writing on an approved form with the Board of Assessors. You may apply for an abatement if you believe your property is valued at more than its fair cash value or is not assessed fairly in comparison with other properties. If tax bills were mailed on or before December 31, 2004, the filing deadline for an abatement application is February 1, 2005. However, if tax bills were mailed after December 31, 2004, the deadline is May 1, 2005, or 30 days after the date the bills were mailed, whichever is later.

Applications are timely filed when (1) received by the assessors on or before the filing deadline, or (2) mailed by United States mail, first class postage prepaid, to the proper address of the assessors, on or before the filing deadline, as shown by a postmark made by the United States Postal Service. If your application is not timely filed, the assessors cannot by law grant an abatement.

INQUIRIES: If you have questions on your valuation or assessment or on abatements, you should contact the Board of Assessors. If you have questions on payments, you should contact the Collector's Office.

DEMAND FOR PAYMENT OF FISCAL YEAR 2005 TAX

This notice shows the amount of your fiscal year 2005 personal property tax that is unpaid and overdue.

In addition to the amount of overdue taxes shown in this notice, you also owe accrued interest and a demand charge of \$5.00. Interest will continue to accrue on overdue taxes until your payment is made. Your payment will be considered made when received by the Collector.

If the total amount you owe is not paid within 14 days of the date of this demand, the Collector will proceed to collect the amount owed in accordance with law.

MODEL 7(Q)

IMPORTANT INFORMATION ABOUT THIS TAX BILL

PLEASE DISREGARD INFORMATION PRINTED ON THE REVERSE SIDE OF YOUR BILL

FISCAL YEAR 2005 THIRD PRELIMINARY TAX: This bill shows the amount of the third preliminary tax installment you owe for fiscal year 2005 (July 1, 2004 - June 30, 2005).

You are receiving this third preliminary tax bill because actual tax bills for fiscal year 2005 cannot be issued at this time. You will receive your actual fiscal year 2005 tax bill based on January 1, 2004 assessments after the tax rate is set. Any first, second or third preliminary tax payments made will be credited toward the payment of your fiscal year 2005 tax.

THIRD PRELIMINARY TAX AMOUNT: The third preliminary tax payment shown in this bill will not be more than the first installment payment shown on your previously issued preliminary tax bill.

PAYMENT DUE DATES/INTEREST CHARGES: Your third preliminary tax payment is due on February 1, 2005, or 30 days after the date the bills were mailed, whichever is later. Your first preliminary payment was due on August 1, 2004, or 30 days after the bills were mailed, whichever was later, and the second payment was due on November 1, 2004 if preliminary bills were mailed on or before August 1, 2004. However, if preliminary bills were mailed after August 1, 2004, your first and second preliminary payments were due as a single installment on November 1, 2004, or 30 days after the bills were mailed, whichever was later. If your preliminary payments are not made by their due dates, interest at the rate of 14% per annum will be charged on the unpaid and overdue amount. If preliminary bills were mailed on or before August 1, 2004, interest is computed on overdue first preliminary payments from August 1, 2004, or the date the payment was due, whichever was later, on overdue second preliminary payments from November 1, 2004, and on overdue third preliminary payments from February 1, 2005, or the date the payment was due, whichever is later, until payment is made. However, if preliminary bills were mailed after August 1, 2004, interest is computed on overdue single first/second preliminary payments from November 1, 2004, or the date the payment was due, whichever was later, and on overdue third preliminary payments from February 1, 2005, or the date the payment was due, whichever is later, until payment is made. Payments are considered made when received by the Collector. To obtain a receipted bill, enclose a self-addressed stamped envelope and both copies of the bill with your payment.

ABATEMENT/EXEMPTION APPLICATIONS: Your right to seek an abatement of or exemption from your fiscal year 2005 tax is not prejudiced by the issuance of preliminary tax bills. Once the actual tax bills are issued, you will be able to apply for an abatement or exemption. The deadline for filing your abatement or exemption application will be measured from the date the actual bills are mailed, not the date preliminary tax bills were mailed. Your actual tax bill will provide you with more detailed information on application procedures and deadlines.

INQUIRIES: If you have questions on how your third preliminary tax installment was determined, you should contact the Board of Assessors. If you have questions on payments, you should contact the Collector's Office.
