

Illustrative Purposes Only: Group Study Exempt Process

Illustrative Diagram Notes

1. Diagram is intended for illustrative purposes only to demonstrate the way in which the proposed Group Exempt language would function in practice.

2. Size of boxes representing steps of the interconnection process are generally relative to the duration within the process, however are not absolute. Refer to defined timelines within the DG Interconnection Tariff for exact durations.

3. Major steps of the interconnection process are represented here as an illustrative reference of the Group Exempt process. Not all steps may be shown.
