Should the IIRG form a subgroup to develop a statewide flexible interconnection program proposal, in coordination with the Technical Standards Review Group (TSRG)?

14 out of 14 answered

Yes 11 resp. 78.6%

No 3 resp. 21.4%

Should the IIRG form a joint TSRG and IIRG subgroup for the topic of interconnection challenges related to re-powering projects?

13 out of 14 answered

Yes 6 resp. 46.2%

No 7 resp. 53.8%

Should the IIRG facilitate a stakeholder working group on implementation of FERC Order 2222?

12 out of 14 answered

Yes 9 resp. 75%

No 3 resp. 25%

Should the IIRG form a subgroup to discuss application and study fees and the concept of simplified common system modification fees?

14 out of 14 answered

Yes 10 resp. 71.4%

No 4 resp. 28.6%

Should the IIRG continue small group discussions concerning interconnection report reform?

13 out of 14 answered

Yes 9 resp. 69.2%

No 4 resp. 30.8%

Is there anything else you would like to share to inform the IIRG's priorities for the coming year?

3 out of 14 answered

The TSRG's proposed new tariff language on repowering can be voted on by the IIRG without needing to form a new subgroup.

Thank you, Natalie!!
