Flu Vaccination Requirements

- In order to protect long-term care residents and other vulnerable populations from a potentially deadly flu season, DPH has revised flu vaccination requirements for staff in the following locations:
 - Nursing Homes
 - Rest Homes
 - Assisted Living Residences
 - Adult Day Health Programs
 - Out-of Hospital Dialysis Units
- The DPH order eliminates the option for staff to opt-out of getting a flu vaccine, with exemptions only for medical or religious reasons.
- The Commissioners full order can be found here <https://www.mass.gov/doc/flu-vaccine-order-ltc-adh-dialysis/download>
