

How I Came To Be Involved With the OneCare Implementation Council?

- Individual Identification
- I submitted an application for the opportunity to participate in the Implementation Council for OneCare, as a representative of a community-based organization
- Massachusetts Organization for Addiction Recovery (MOAR)

What Is MOAR

MOAR's mission is to organize recovering individuals, families, and friends into a collective voice to educate the public about the value of recovery from alcohol and other addictions

MOAR envisions a society where addiction is treated as a serious public health issue and recovery is recognized as valuable by all our communities

What We Do

Recovery Education

We believe that introducing a wide range of stakeholders to "Visible, Vocal, Valuable" people in recovery can change the public perception of people with addictions. MOAR education has the goal of raising awareness and helping people in recovery overcome barriers to find their voice.
