Public Housing Notice 2014-15

MEMORANDUM

TO: All Local Housing Authorities

FROM: Mirna Concepción DeRodriguez 
Acting Assistant Director, Bureau of Housing Management

RE: Revised Income Limits for Admission & FMRs for Continued Occupancy

DATE: August 26, 2014

Attached please find the 2014 revised income limits for admission to state-aided public housing and for participation in the AHVP which are effective August 9, 2014. Pursuant to 760 CMR 5.06 these income limits are set at two year intervals and are the "Low Income Limits" set by the United States Department of Housing and Urban Development (HUD) for a similarly sized household in the city or town in which the LHA is located.

Please review the attached listing and have the appropriate area limits for your Authority adopted by the Board. Each LHA should adopt limits for each specific household size, one through eight. You will find the current Fair Market Rents (FMRs) for the area enclosed as well for your use in determining eligibility for continued occupancy. Please note that DHCD only sends the current FMR when it revises the income limits for admission. When making determinations of eligibility for continued occupancy however, LHAs should use the then current FMRs.

In 2006, HUD revised its MSA designations. The terminology: "HMFA" stands for "HUD Metro FMR Area", and "MSA" stands for "Metropolitan Statistical Area". Enclosed for your reference is the HUD FY10 MSA Community Listing showing which municipalities belong in which area.

If you have any questions, please feel free to contact your housing management specialist.

Net Income Limits by Household Size for Determining Admission for State-Aided Housing Programs

Effective August 9, 2014
