## Family Outcomes (Part C Indicator 4) Data Protocol

### Federal Regulations (20 U.S.C. 1416(a)(3)(A) and 1442)

Percent of families participating in Part C who report that early intervention services have helped the family: 4A. Know their rights; 4B. Effectively communicate their children's needs; and 4C. Help their children develop and learn.

### Measurement

4A. Percent = [(# of respondent families participating in Part C who report that early intervention services have helped the family know their rights) divided by the (# of respondent families participating in Part C)] times 100.

4B. Percent = [(# of respondent families participating in Part C who report that early intervention services have helped the family effectively communicate their children's needs) divided by the (# of respondent families participating in Part C)] times 100.

4C. Percent = [(# of respondent families participating in Part C who report that early intervention services have helped the family help their children develop and learn) divided by the (# of respondent families participating in Part C)] times 100.

### Target Setting

Target setting for Indicator 3 for the remaining FFYs took place during an ICC meeting. The Part C Coordinator presented data on MA-C's performance on indicator 3 for the past five FFYs relative to the targets, answered questions about the data, and then solicited recommendations from the attendees.
